On April 28, 2023, SPAC, Merger Sub, and the Company entered into that certain Amendment No.1 to the Business Combination Agreement (the “BCA Amendment”). Revised Indenture

Pursuant to the Original Indenture, the Convertible Notes were to be convertible into SPAC Class A Ordinary Shares, at a conversion rate that represents a conversion premium (the “Conversion Premium”) of 10.0% to the conversion price. The conversion price was subject to a one-time reset on the reset date (the “Reset Date”), which was initially the one-year anniversary of the date of issuance of the Convertible Notes (the “Issuance Date”), to the average of the Daily VWAPs (as defined in the Original Indenture) over the twenty (20) consecutive trading day period beginning on, and including, the first trading day following such Reset Date, subject to a minimum of \$5.00 and maximum of \$10.00 per SPAC Class A Ordinary Share.

The Revised Indenture: (i) increases the Conversion Premium to 15.0%; (ii) provides for multiple Reset Dates, each occurring monthly for the first twelve (12) months following the Issuance Date; and (iii) revises the Reset Price to be the lesser of (a) the Reset Price with respect to the immediately prior Reset Date and (b) the average of the Daily VWAPs (as defined in the Indenture) over the twenty (20) consecutive trading day period ending on the trading day immediately preceding the applicable Reset Date, subject to a minimum of \$1.50 and maximum of \$10.00 per share of Common Stock.

The holder can increase or decrease the beneficial ownership limitation (provided that it cannot be increased to an amount greater than 19.99%) only upon written notice to SPAC, the trustee and the conversion agent under the Indenture, and such notice will not be effective until the 61st day after such notice is delivered to SPAC.

A copy of the form of Revised Indenture is filed with this Current Report as Exhibit 4.1 and is incorporated herein by reference, and the description of the Revised Indenture herein is qualified in its entirety by reference to the complete text of the Revised Indenture.

Cautionary Statement Regarding Forward-Looking Information

This communication contains statements that are not based on historical fact and are "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. For example, statements about the expected timing of the completion of the proposed business combination, the benefits of the proposed business combination, the competitive environment, and the expected future performance and market opportunities of the Company are forward-looking statements. In some cases, you can identify forward looking statements by terminology such as, or which contain the words "will," "aim," "anticipate," "believe," "continue," "could," "estimate," "expect," "forecast," "future," "intend," "may," "plan," "possible," "predict," "project," "seek," "should," "target," "will," "would" and variations of these words or similar expressions. Such forward-looking statements are subject to risks, uncertainties and other factors. Actual results may differ materially from the expectations expressed or implied in the forward-looking statements as a result of known and unknown risks and uncertainties.

These forward-looking statements are based on estimates and assumptions that, while considered reasonable by SPAC and its management and the Company and its management, as the case may be, are inherently uncertain and are subject to a number of risks and assumptions. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond SPAC's and the Company's control, are difficult to predict, and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. Known risks and uncertainties include but are not limited to: (1) the occurrence of any event, change or other circumstances that could give rise to the termination of the business combination agreement; (2) the outcome of any legal proceedings that may be instituted against SPAC, the Company, the combined company or others following the announcement of the proposed business combination; (3) the inability to complete the proposed business combination in a timely manner or at all (including due to the failure to obtain approval of the stockholders of SPAC or to satisfy other conditions to closing); (4) changes to the proposed structure of the proposed business combination that may be required or appropriate as a result of applicable laws or regulations; (5) the ability to meet applicable stock exchange listing standards at or following the consummation of the proposed business combination; (6) the risk that the proposed business combination disrupts current plans and operations of the Company as a result of the announcement and consummation of the proposed business combination; (7) the ability to recognize the anticipated benefits of the proposed business combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably, maintain relationships with customers and suppliers and retain its management and key employees; (8) costs related to the proposed business combination, including the amount of cash available following any redemptions by SPAC stockholders; (9) changes in applicable laws or regulations; (10) the possibility that the Company or the combined company may be adversely affected by other economic, business and/or competitive factors; (11) risks relating to the Company's operating history and the mobile transportation industry; (12) risks associated with doing business in an emerging market; (13) risks relating to the Company's dependence on and use of certain intellectual property and technology; and (14) other risks and uncertainties set forth in the Registration Statement to be filed by SPAC with the SEC in connection with the proposed business combination. The foregoing list of important factors is not exhaustive and you should carefully consider the other risks and uncertainties described in the "Risk Factors" section of SPAC's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and other documents filed by SPAC from time to time with the SEC.

Nothing herein should be regarded as a representation by any person that the forward-looking statements set forth herein will be achieved or that any of the contemplated results of such forward-looking statements will be achieved. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. Except as may be required by applicable law, neither SPAC nor the Company undertakes any duty to update or revise any forward-looking statements whether as a result of new information, new events, future events or circumstances, or otherwise.

(iv) The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. A duly appointed authenticating agent may authenticate Notes whenever the Trustee may do so under this Indenture, and a Note authenticated as provided in this Indenture by such an agent will be deemed, for purposes of this Indenture, to be authenticated by the Trustee. Each duly appointed authenticating agent will have the same rights to deal with the Company as the Trustee would have if it were performing the duties that the authenticating agent was validly appointed to undertake.

Section 2.03. Initial Notes and Additional Notes.

(A) *Initial Notes.* On the Issue Date, there will be originally issued [aggregate principal amount to be issued on Issue Date] dollars (\$[aggregate principal amount to be issued on Issue Date]) aggregate principal amount of Notes, subject to the provisions of this Indenture (including **Section 2.02**). Notes issued pursuant to this **Section 2.03(A)**, and any Notes issued in exchange therefor or in substitution thereof, are referred to in this Indenture as the **Initial Notes**.

(B) *Additional Notes.* Without the consent of any Holder, the Company may, subject to the provisions of this Indenture (including **Section 2.02**), originally issue additional Notes with the same terms as the Initial Notes (except, to the extent applicable, with respect to the date as of which interest begins to accrue on such additional Notes and the first Interest Payment Date and the Last Original Issue Date of such additional Notes), which additional Notes will, subject to the foregoing, be considered to be part of the same series of, and rank equally and ratably with all other, Notes issued under this Indenture; *provided, however*, that any such additional Notes (and any Notes that are resold after such Notes have been purchased or otherwise acquired by the Company or its Subsidiaries) that are not fungible with other Notes issued under this Indenture for purposes of federal income tax or federal securities laws or, if applicable, the Depository Procedures, will be identified by a separate CUSIP number or by no CUSIP number.

Section 2.04. Method of Payment.

(A) *Global Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, Cash Interest on, and any cash Conversion Consideration for, any Global Note to the Depository by wire transfer of immediately available funds no later than the time the same is due as provided in this Indenture.

(B) *Physical Notes.* The Company will pay, or cause the Paying Agent to pay, the principal (whether due upon maturity on the Maturity Date, Redemption on a Redemption Date or repurchase on a Fundamental Change Repurchase Date or otherwise) of, Cash Interest on, and any cash Conversion Consideration for, any Physical Note no later than the time the same is due as provided in this Indenture as follows: (i) if the principal amount of such Physical Note is at least five million dollars (\$5,000,000) (or such lower amount as the Company may choose in its sole and absolute discretion) and the Holder of such Physical Note entitled to such payment has delivered to the Paying Agent or the Trustee, no later than the time set forth in the immediately following sentence, a written request that the Company make such payment by wire transfer to an account of such Holder within the United States, by wire transfer of immediately available funds to such account; and (ii) in all other cases, by check mailed to the address of the Holder of such Physical Note entitled to such payment as set forth in the Register. To be timely, such written request must be so delivered no later than the Close of Business on the following date: (x) with respect to the payment of any interest due on an Interest Payment Date, the immediately preceding Regular Record Date; (y) with respect to any cash Conversion Consideration, the relevant Conversion Date; and (z) with respect to any other payment, the date that is fifteen (15) calendar days immediately before the date such payment is due.

Section 2.05. Accrual of Interest; Defaulted Amounts; When Payment Date is Not a Business Day.

(A) *Accrual of Interest.* Each Note will accrue interest at the rate of twelve percent (15.00%) per annum (**Stated Interest**); *provided* that interest shall be payable (a) at a rate per annum equal to ten percent (10.00%) with respect to interest paid in cash ("**Cash Interest**") and (b) at a rate per annum equal to five percent (5.00%) with respect to PIK Interest, plus any Additional Interest and Special Interest that may accrue pursuant to **Sections 3.04** and **7.03**, respectively. Stated Interest on each Note will (i) accrue from, and including, the most recent date to which Stated Interest has been paid or duly provided for (or, if no Stated Interest has theretofore been paid or duly provided for, the date set forth in the certificate representing such Note as the date from, and including, which Stated Interest will begin to accrue in such circumstance) to, but excluding, the date of payment of such Stated Interest; and (ii) be, subject to **Sections 4.02(D)**, **4.03(F)** and **5.02(D)** (but without duplication of any payment of interest), payable semi-annually in arrears on each Interest Payment Date, beginning on the first Interest Payment Date set forth in the certificate representing such Note, to the Holder of

such Note as of the Close of Business on the immediately preceding Regular Record Date. Stated Interest, and, if applicable, Additional Interest and Special Interest, on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(B) The Company will pay PIK Interest by issuing Notes (“**PIK Notes**”) (rounded up to the nearest \$1.00) under this Indenture, having the same terms and conditions as the Notes (in each case, a “**PIK Payment**”).

(C) ²PIK Interest on the Notes will be payable (x) with respect to Notes represented by one or more Global Notes registered in the name of, or held by, the Custodian or its nominee on the relevant Record Date, by issuing PIK Notes in the form of Global Notes in an aggregate principal amount equal to the amount of PIK Interest for the applicable period (rounded up to the nearest \$1.00) and (y) with respect to Notes represented by Physical Notes, by issuing PIK Notes in certificated form in an aggregate principal amount equal to the amount of PIK Interest for the applicable period (rounded up to the nearest \$1.00), and the Trustee will, at the written request of the Company, authenticate and deliver on the applicable Interest Payment Date such PIK Notes for original issuance to the Holders of record on the relevant Record Date, as shown by the records of the register of Holders. Any PIK Notes issued will be distributed to Holders, will be dated as of the applicable Interest Payment Date and will bear interest from and after such date. All Notes issued pursuant to a PIK Payment will mature on the Maturity Date and will be governed by, and subject to the terms, provisions and conditions of this Indenture and the applicable Notes and will have the same rights and benefits as the Notes issued on the Issue Date. Any PIK Notes will be issued with the description “PIK” on the face of such PIK Note, and references to the “principal” or “principal amount” of the PIK Notes will include any increase in the principal amount of the outstanding Notes as a result of any PIK Payment. Any PIK Notes will be considered to be part of the same series of, and rank equally and ratably with all other, Notes issued under this Indenture.

² NTD: Subject to confirmation by the Trustee whether this can be accommodated with the DTC procedures.

- 30 -

(D) PIK Interest will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. The calculation of PIK Interest will be made by the Company or on behalf of the Company by such Person as the Company will designate, and such calculation and the correctness thereof will not be a duty or obligation of the Trustee. PIK Interest on the Notes will be paid in the denominations specified in **Section 2.01**.

(E) *Defaulted Amounts.* If the Company fails to pay any amount (a “**Defaulted Amount**”) payable on a Note on or before the due date therefor as provided in this Indenture, then, regardless of whether such failure constitutes an Event of Default, (i) such Defaulted Amount will forthwith cease to be payable to the Holder of such Note otherwise entitled to such payment; (ii) to the extent lawful, interest (“**Default Interest**”) will accrue on such Defaulted Amount at a rate per annum equal to the Default Rate, from, and including, such due date to, but excluding, the date of payment of such Defaulted Amount and Default Interest; (iii) such Defaulted Amount and Default Interest will be paid in cash on a payment date selected by the Company to the Holder of such Note as of the Close of Business on a special record date selected by the Company, *provided* that such special record date must be no more than fifteen (15), nor less than ten (10), calendar days before such payment date; and (iv) at least fifteen (15) calendar days before such special record date, the Company will send notice to the Trustee and the Holders that states such special record date, such payment date and the amount of such Defaulted Amount and Default Interest to be paid on such payment date.

(F) *Delay of Payment when Payment Date is Not a Business Day* If the due date for a payment on a Note as provided in this Indenture is not a Business Day, then, notwithstanding anything to the contrary in this Indenture or the Notes, such payment may be made on the immediately following Business Day and no interest will accrue on such payment as a result of the related delay. Solely for purposes of the immediately preceding sentence, a day on which the applicable place of payment is authorized or required by law or executive order to close or be closed will be deemed not to be a “Business Day.”

Section 2.06. Registrar, Paying Agent and Conversion Agent.

(A) *Generally.* The Company will maintain (i) an office or agency in the continental United States where Notes may be presented for registration of transfer or for exchange (the “**Registrar**”); (ii) an office or agency in the continental United States where Notes may be presented for payment (the “**Paying Agent**”); and (iii) an office or agency in the continental United States where Notes may be presented for conversion (the “**Conversion Agent**”). If the Company fails to maintain a Registrar, Paying Agent or Conversion Agent, then the Trustee will act as such. For the avoidance of doubt, the Company or any of its Subsidiaries may act as Registrar, Paying Agent or Conversion Agent.

- 31 -

(B) *Duties of the Registrar.* The Registrar will keep a record (the “**Register**”) of the names and addresses of the Holders, the Notes held by each Holder and the transfer, exchange, repurchase, Redemption and conversion of Notes. Absent manifest error, the entries in the Register will be conclusive and the Company and the Trustee may treat each Person whose name is recorded as a Holder in the Register as a Holder for all purposes. The Register will be in written form or in any form capable of being converted into written form reasonably promptly.

(C) *Co-Agents; Company’s Right to Appoint Successor Registrars, Paying Agents and Conversion Agents* The Company may appoint one or more co-Registrars, co-Paying Agents and co-Conversion Agents, each of whom will be deemed to be a Registrar, Paying Agent or Conversion Agent, as applicable, under this Indenture. Subject to **Section 2.06(A)**, the Company may change any Registrar, Paying Agent or Conversion Agent (including appointing itself or any of its Subsidiaries to act in such capacity) without notice to any Holder. The Company will notify the Trustee (and, upon request, any Holder) of the name and address of each Note Agent, if any, not a party to this Indenture and will enter into an appropriate agency agreement with each such Note Agent, which agreement will implement the provisions of this Indenture that relate to such Note Agent.

(D) *Initial Appointments.* The Company appoints the Trustee as the initial Paying Agent, the initial Registrar and the initial Conversion Agent.

Section 2.07. Paying Agent and Conversion Agent to Hold Property in Trust.

The Company will require each Paying Agent or Conversion Agent that is not the Trustee to agree in writing that such Note Agent will (A) hold in trust for the benefit of Holders or the Trustee all money and other property held by such Note Agent for payment or delivery due on the Notes; and (B) notify the Trustee of any default by the Company in making any such payment or delivery. The Company, at any time, may, and the Trustee, while any Default continues, may, require a Paying Agent or Conversion Agent to pay or deliver, as applicable, all money and other property held by it to the Trustee, after which payment or delivery, as applicable, such Note Agent (if not the Company or any of its Subsidiaries) will have no further liability for such money or property. If the Company or any of its Subsidiaries acts as Paying Agent or Conversion Agent, then (A) it will segregate and hold in a separate trust fund for the benefit of the Holders or the Trustee all money and other property held by it as Paying Agent or Conversion Agent; and (B) references in this Indenture or the Notes to the Paying Agent or Conversion Agent holding cash or other property, or to the delivery of cash or other property to the Paying Agent or Conversion Agent, in each case for payment or delivery to any Holders or the Trustee or with respect to the Notes, will be deemed to refer to cash or other property so segregated and held separately, or to the segregation and separate holding of such cash or other property, respectively. Upon the occurrence of any event pursuant to **clause (viii) or (ix) of Section 7.01(A)** with respect to the Company (or with respect to any Subsidiary of the Company acting as Paying Agent or Conversion Agent), the Trustee will serve as the Paying Agent or Conversion Agent, as applicable, for the Notes.

Section 2.08. Holder Lists.

If the Trustee is not the Registrar, then the Company will furnish to the Trustee, no later than seven (7) Business Days before each Interest Payment Date, and at such other times as the Trustee may request, a list, in such form and as of such date or time as the Trustee may reasonably require, of the names and addresses of the Holders.

Section 2.09. Legends.

(A) *Global Note Legend.* Each Global Note will bear the Global Note Legend (or any similar legend, not inconsistent with this Indenture, required by the Depository for such Global Note).

(B) *Restricted Note Legend.* Subject to the other provisions of this Indenture,

(i) Each Note that is a Transfer-Restricted Security will bear the Restricted Note Legend; and

(ii) If a Note is issued in exchange for, in substitution of, or to effect a partial conversion of, another Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.09(B)(ii)**), including pursuant to **Section 2.10(B), 2.10(C), 2.11** or **2.13**, then such Note will bear the Restricted Note Legend if such old Note bore the Restricted Note Legend at the time of such exchange or substitution, or on the related Conversion Date with respect to such conversion, as applicable; *provided, however*, that such Note need not bear the Restricted Note Legend if such Note does not constitute a Transfer-Restricted Security immediately after such exchange or substitution, or as of such Conversion Date, as applicable.

(C) *Other Legends.* A Note may bear any other legend or text, not inconsistent with this Indenture, as may be required by applicable law or by any securities exchange or automated quotation system on which such Note is traded or quoted.

(D) *Acknowledgment and Agreement by the Holders.* A Holder’s acceptance of any Note bearing any legend required by this **Section 2.09** will constitute such Holder’s acknowledgment of, and agreement to comply with, the restrictions set forth in such legend.

(E) *Restricted Stock Legend.*

(i) Each Conversion Share will bear the Restricted Stock Legend if the Note upon the conversion of which such Conversion Share was issued was (or would have been had it not been converted) a Transfer-Restricted Security at the time such Conversion Share was issued; *provided, however*, that such Conversion Share need not bear the Restricted Stock Legend if the Company determines, in its reasonable discretion, that such Conversion Share need not bear the Restricted Stock Legend.

(ii) Notwithstanding anything to the contrary in this **Section 2.09(E)**, a Conversion Share need not bear a Restricted Stock Legend if such Conversion Share is issued in an uncertificated form that does not permit affixing legends thereto, *provided* the Company takes measures (including the assignment thereto of a “restricted” CUSIP number) that it reasonably deems appropriate to enforce the transfer restrictions referred to in the Restricted Stock Legend.

Section 2.10. Transfers and Exchanges; Certain Transfer Restrictions.

(A) *Provisions Applicable to All Transfers and Exchanges.*

(i) *Generally.* Subject to this **Section 2.10**, Physical Notes and beneficial interests in Global Notes may be transferred or exchanged from time to time and the Registrar will record each such transfer or exchange in the Register.

(ii) *Transferred and Exchanged Notes Remain Valid Obligations of the Company.* Each Note issued upon transfer or exchange of any other Note (such other Note being referred to as the “old Note” for purposes of this **Section 2.10(A)(ii)**) or portion thereof in accordance with this Indenture will be the valid obligation of the Company, evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as such old Note or portion thereof, as applicable.

(iii) *No Services Charge; Transfer Taxes.* The Company, the Trustee and the Note Agents will not impose any service charge on any Holder for any transfer, exchange or conversion of Notes, but the Company, the Trustee, the Registrar and the Conversion Agent may require payment of a sum sufficient to cover any transfer tax or similar governmental charge that may be imposed in connection with any transfer, exchange or conversion of Notes, other than exchanges pursuant to **Section 2.11, 2.17** or **8.05** not involving any transfer.

(iv) *Transfers and Exchanges Must Be in Authorized Denominations.* Notwithstanding anything to the contrary in this Indenture or the Notes, a Note may not be transferred or exchanged in part unless the portion to be so transferred or exchanged is in an Authorized Denomination.

(v) *Trustee’s Disclaimer.* The Trustee will have no obligation or duty to monitor, determine or inquire as to compliance with any transfer restrictions imposed under this Indenture or applicable law with respect to any Security, other than to require the delivery of such certificates or other documentation or evidence as expressly required by this Indenture and to examine the same to determine substantial compliance as to form with the requirements of this Indenture.

(vi) *Legends.* Each Note issued upon transfer of, or in exchange for, another Note will bear each legend, if any, required by **Section 2.09**.

(vii) *Settlement of Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Note, the Company will cause such transfer or exchange to be effected as soon as reasonably practicable but in no event later than the second (2nd) Business Day after the date of such satisfaction.

(viii) *Interpretation.* For the avoidance of doubt, and subject to the terms of this Indenture, as used in this **Section 2.10**, an “exchange” of a Global Note or a Physical Note includes (x) an exchange effected for the sole purpose of removing any Restricted Note Legend affixed to such Global Note or Physical Note; and (y) if such Global Note or Physical Note is identified by a “restricted” CUSIP number, an exchange effected for the sole purpose of causing such Global Note or Physical Note to be identified by an “unrestricted” CUSIP number.

(B) *Transfers and Exchanges of Global Notes.*

(i) *Certain Restrictions.* Subject to the immediately following sentence, no Global Note may be transferred or exchanged in whole except (x) by the Depository to a nominee of the Depository; (y) by a nominee of the Depository to the Depository or to another nominee of the Depository; or (z) by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. No Global Note (or any portion thereof) may be transferred to, or exchanged for, a Physical Note; *provided, however*, that a Global Note will be exchanged, pursuant to customary procedures, for one or more Physical Notes if:

(1) (x) the Depository notifies the Company or the Trustee that the Depository is unwilling or unable to continue as depository for such Global Note or (y) the Depository ceases to be a “clearing agency” registered under Section 17A of the Exchange Act and, in each case, the Company fails to appoint a successor Depository within ninety (90) days of such notice or cessation;

(2) an Event of Default has occurred and is continuing and the Company, the Trustee or the Registrar has received a written request from the Depository, or from a holder of a beneficial interest in such Global Note, to exchange such Global Note or beneficial interest, as applicable, for one or more Physical Notes; or

(3) the Company, in its sole discretion, permits the exchange of any beneficial interest in such Global Note for one or more Physical Notes at the request of the owner of such beneficial interest.

(ii) *Effecting Transfers and Exchanges.* Upon satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Global Note (or any portion thereof):

(1) the Trustee will reflect any resulting decrease of the principal amount of such Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note (and, if such notation results in such Global Note having a principal amount of zero, then the Company may (but is not required to) instruct the Trustee to cancel such Global Note pursuant to **Section 2.15**);

(2) if required to effect such transfer or exchange, then the Trustee will reflect any resulting increase of the principal amount of any other Global Note by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such other Global Note;

- 35 -

(3) if required to effect such transfer or exchange, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Global Note bearing each legend, if any, required by **Section 2.09**; and

(4) if such Global Note (or such portion thereof), or any beneficial interest therein, is to be exchanged for one or more Physical Notes, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Global Note to be so exchanged; (y) are registered in such name(s) as the Depository specifies (or as otherwise determined pursuant to customary procedures); and (z) bear each legend, if any, required by **Section 2.09**.

(iii) *Compliance with Depository Procedures.* Each transfer or exchange of a beneficial interest in any Global Note will be made in accordance with the Depository Procedures.

(C) *Transfers and Exchanges of Physical Notes.*

(i) *Requirements for Transfers and Exchanges.* Subject to this **Section 2.10**, a Holder of a Physical Note may (x) transfer such Physical Note (or any portion thereof in an Authorized Denomination) to one or more other Person(s); (y) exchange such Physical Note (or any portion thereof in an Authorized Denomination) for one or more other Physical Notes in Authorized Denominations having an aggregate principal amount equal to the aggregate principal amount of the Physical Note (or portion thereof) to be so exchanged; and (z) if then permitted by the Depository Procedures, transfer such Physical Note (or any portion thereof in an Authorized Denomination) in exchange for a beneficial interest in one or more Global Notes; *provided, however*, that, to effect any such transfer or exchange, such Holder must:

(1) surrender such Physical Note to be transferred or exchanged to the office of the Registrar, together with any endorsements or transfer instruments reasonably required by the Company, the Trustee or the Registrar; and

- 36 -

(2) deliver such certificates, documentation or evidence as may be required pursuant to **Section 2.10(D)**.

(ii) *Effecting Transfers and Exchanges.* Upon the satisfaction of the requirements of this Indenture to effect a transfer or exchange of any Physical Note (such Physical Note being referred to as the “old Physical Note” for purposes of this **Section 2.10(C)(ii)**) of a Holder (or any portion of such old Physical Note in an Authorized Denomination):

(1) such old Physical Note will be promptly cancelled pursuant to **Section 2.15**;

(2) if such old Physical Note is to be so transferred or exchanged only in part, then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such old Physical Note not to be so transferred or exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 2.09**;

(3) in the case of a transfer:

(a) to the Depository or a nominee thereof that will hold its interest in such old Physical Note (or such portion thereof) to be so

transferred in the form of one or more Global Notes, the Trustee will reflect an increase of the principal amount of one or more existing Global Notes by notation on the “Schedule of Exchanges of Interests in the Global Note” forming part of such Global Note(s), which increase(s) are in Authorized Denominations and aggregate to the principal amount to be so transferred, and which Global Note(s) bear each legend, if any, required by **Section 2.09**; *provided, however*, that if such transfer cannot be so effected by notation on one or more existing Global Notes (whether because no Global Notes bearing each legend, if any, required by **Section 2.09** then exist, because any such increase will result in any Global Note having an aggregate principal amount exceeding the maximum aggregate principal amount permitted by the Depository or otherwise), then the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Global Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount that is to be so transferred but that is not effected by notation as provided above; and (y) bear each legend, if any, required by **Section 2.09**; and

(b) to a transferee that will hold its interest in such old Physical Note (or such portion thereof) to be so transferred in the form of one or more Physical Notes, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so transferred; (y) are registered in the name of such transferee; and (z) bear each legend, if any, required by **Section 2.09**; and

(4) in the case of an exchange, the Company will issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, one or more Physical Notes that (x) are in Authorized Denominations and have an aggregate principal amount equal to the principal amount to be so exchanged; (y) are registered in the name of the Person to whom such old Physical Note was registered; and (z) bear each legend, if any, required by **Section 2.09**.

- 37 -

(D) *Requirement to Deliver Documentation and Other Evidence.* If a Holder of any Note that is identified by a “restricted” CUSIP number or that bears a Restricted Note Legend or is a Transfer-Restricted Security requests to:

- (i) cause such Note to be identified by an “unrestricted” CUSIP number;
- (ii) remove such Restricted Note Legend; or
- (iii) register the transfer of such Note to the name of another Person,

then the Company, the Trustee and the Registrar may refuse to effect such identification, removal or transfer, as applicable, unless there is delivered to the Company, the Trustee and the Registrar such certificates or other documentation or evidence as the Company, the Trustee and the Registrar may reasonably require to determine that such identification, removal or transfer, as applicable, complies with the Securities Act and other applicable securities laws.

(E) *Certain De-Legending Procedures.* If a Holder of any Note or share of Common Stock issued upon conversion of any Note, or an owner of a beneficial interest in any Global Note, or in a global certificate representing any share of Common Stock issued upon conversion of any Note, transfers such Note or share in compliance with Rule 144 and delivers to the Company a written request, certifying that it is not, and has not been at any time during the preceding three (3) months, an Affiliate of the Company, to reissue such Note or share without a Restricted Note Legend or Restricted Stock Legend, as applicable, then the Company will cause the same to occur (and, if applicable, cause such Note or share to thereafter be represented by an “unrestricted” CUSIP or ISIN number in the facilities of the related depository), and will use its commercially reasonable efforts to cause such occurrence within two (2) Trading Days of such request.

(F) *Restrictions Applicable to Transfers Between Rule 144A Notes and Regulation S Notes.*

(i) *Transfers to Which Restrictions Apply.* None of the following transfers will be effected unless the requirements set forth in **Section 2.10(F)(ii)** are satisfied with respect to such transfer:

(1) the transfer of a Rule 144A Physical Note, or a beneficial interest in a Rule 144A Global Note, to a Person who takes delivery thereof in the form of a Physical Note, or a beneficial interest in a Global Note, which, in each case, is a Regulation S Note; and

(2) a transfer of a Regulation S Physical Note, or a beneficial interest in a Regulation S Global Note, to a Person who takes delivery thereof in the form of a Physical Note, or a beneficial interest in a Global Note, which, in each case, is a Rule 144A Note (such Note of which such Person referred to in preceding clause (1) or (2), as applicable, is to take delivery being referred to as the “transferee Note” for purposes of this **Section 2.10(F)**).

- 38 -

(ii) *Requirements Applicable to Transfers.* A transfer described in **Section 2.10(F)(i)** will not be effected unless:

(1) in the case the transferee Person referred to in **Section 2.10(F)(i)** is to take delivery of the transferee Note in the form of a beneficial interest in a Global Note, the transferor delivers to the Registrar (1) a written order from a Depository Participant or an indirect Depository Participant given to the Depository in accordance with the Depository Procedures directing the Depository to credit or cause to be credited a beneficial interest in such Global Note in an amount equal to the interest to be transferred; and (2) instructions given in accordance with the Depository Procedures containing information regarding the Depository Participant account to be so credited, or, in lieu of the foregoing, such other instructions or documentation as the Registrar may reasonably require in order to comply with the Depository Procedures in connection with such transfer;

(2) without limiting the generality of **Section 2.10(D)**, such transferor delivers to the Registrar a certificate substantially in the form set forth in **Exhibit C** hereto, including the certification set forth in Item 3 thereof (if the transferee Note is a Rule 144A Note) or Item 4 thereof (if the transferee Note is a Regulation S Note), or, in lieu thereof, such other certifications or documentation substantially to the same effect (or, with respect to any Global Note, such other electronic or other documentation or instructions as may be permitted or required by the Depository Procedures) as may be reasonably acceptable to the Company; and

(G) without limiting the generality of **Section 2.10(D)**, such transferee Person delivers to the Registrar, if reasonably requested by the Company, a certificate substantially in the form set forth in **Exhibit C** hereto, including the certification set forth in Item 1(a) thereof (if the transferee Note is a Rule 144A Note) or Item 1(b) thereof (if the transferee Note is a Regulation S Note), or, in lieu thereof, such other certifications or documentation substantially to the same effect (or, with respect to any Global Note, such other electronic or other documentation or instructions as may be permitted or required by the Depository Procedures) as may be reasonably acceptable to the Company.

(H) *Transfers of Notes Subject to Redemption, Repurchase or Conversion.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company,

the Trustee and the Registrar will not be required to register the transfer of or exchange any Note that (i) has been surrendered for conversion, except to the extent that any portion of such Note is not subject to conversion; (ii) is subject to a Fundamental Change Repurchase Notice validly delivered, and not withdrawn, pursuant to **Section 4.02(F)**, except to the extent that any portion of such Note is not subject to such notice or the Company fails to pay the applicable Fundamental Change Repurchase Price when due; or (iii) has been selected for Redemption pursuant to a Redemption Notice, except to the extent that any portion of such Note is not subject to Redemption or the Company fails to pay the applicable Redemption Price when due.

- 39 -

Section 2.11. Exchange and Cancellation of Notes to Be Converted or to Be Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption.

(A) *Partial Conversions of Physical Notes and Partial Repurchases of Physical Notes Pursuant to a Repurchase Upon Fundamental Change or Redemption* If only a portion of a Physical Note of a Holder is to be converted pursuant to **Article 5** or repurchased pursuant to a Repurchase Upon Fundamental Change or Redemption, then, as soon as reasonably practicable after such Physical Note is surrendered for such conversion or repurchase, as applicable, the Company will cause such Physical Note to be exchanged, pursuant and subject to **Section 2.10(C)**, for (i) one or more Physical Notes that are in Authorized Denominations and have an aggregate principal amount equal to the principal amount of such Physical Note that is not to be so converted or repurchased, as applicable, and deliver such Physical Note(s) to such Holder; and (ii) a Physical Note having a principal amount equal to the principal amount to be so converted or repurchased, as applicable, which Physical Note will be converted or repurchased, as applicable, pursuant to the terms of this Indenture; *provided, however*, that the Physical Note referred to in this **clause (ii)** need not be issued at any time after which such principal amount subject to such conversion or repurchase, as applicable, is deemed to cease to be outstanding pursuant to **Section 2.18**.

(B) *Cancellation of Notes that Are Converted and Notes that Are Repurchased Pursuant to a Repurchase Upon Fundamental Change or Redemption*

Section 3.14. Asset Sales.

The Company and each of its Subsidiaries will not Dispose of any asset, including any Capital Stock owned by it (other than to the Company or any Wholly Owned

Subsidiary), unless (i) the Company and/or such Subsidiary, as the case may be, receives consideration at the time of such asset sale at least equal to the fair market value of the assets and property subject to such asset sale (such fair market value to be determined on the date of contractually agreeing to effect such asset sale) and (ii) at least 75% of the consideration paid to the Company and/or such Subsidiary from such asset sale is in the form of cash or Cash Equivalents; *provided* that the amount of any Designated Non-Cash Consideration received by the Company and/or such Subsidiary in such asset sale having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this **Section 3.14** that is at that time outstanding, not to exceed the greater of (x) seven million and five hundred thousand dollars (\$7,500,000) and (y) an amount equal to 2.5% of Consolidated Total Assets at the time of the receipt of such Designated Non-Cash Consideration, with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be cash for this purpose.

Article 4. REPURCHASE AND REDEMPTION

Section 4.01. No Sinking Fund.

No sinking fund is required to be provided for the Notes.

Section 4.02. Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change.

(A) *Right of Holders to Require the Company to Repurchase Notes Upon a Fundamental Change* Subject to the other terms of this **Section 4.02**, if a Fundamental Change occurs, then each Holder will have the right (the “**Fundamental Change Repurchase Right**”) to require the Company to repurchase such Holder’s Notes (or any portion thereof in an Authorized Denomination) on the Fundamental Change Repurchase Date for such Fundamental Change for a cash purchase price equal to the Fundamental Change Repurchase Price.

(B) *Repurchase Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Fundamental Change Repurchase Date for a Repurchase Upon Fundamental Change (including as a result of the payment of the related Fundamental Change Repurchase Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.02(D)**, on such Fundamental Change Repurchase Date), then (i) the Company may not repurchase any Notes pursuant to this **Section 4.02**; and (ii) the Company will cause any Notes theretofore surrendered for such Repurchase Upon Fundamental Change to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Notes in accordance with the Depositary Procedures).

(C) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Company’s choosing that is no more than thirty five (35), nor less than twenty (20), Business Days after the date the Company sends the related Fundamental Change Notice pursuant to **Section 4.02(E)**.

- 51 -

(D) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for any Note to be repurchased upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to 101% of the principal amount of such Note, plus 101% of the accrued and unpaid PIK Interest thereon, if any, to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change, plus accrued and unpaid Cash Interest on such Note to, but excluding, the Fundamental Change Repurchase Date for such Fundamental Change; *provided, however*, that if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Repurchase Upon Fundamental Change, to receive, on or, at the Company’s election, before such Interest Payment Date, the unpaid Cash Interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Fundamental Change Repurchase Date is before such Interest Payment Date); and (ii) the Fundamental Change Repurchase Price will not include accrued and unpaid Cash Interest on such Note to, but excluding, such Fundamental Change Repurchase Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(F)** and such Fundamental Change Repurchase Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid Cash Interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(F)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Fundamental Change Repurchase Price will include Cash Interest on Notes to be repurchased from, and including, such Interest Payment Date.

(E) *Fundamental Change Notice.* On or before the twentieth (20th) calendar day after the effective date of a Fundamental Change, the Company will send to each Holder, the Trustee and the Paying Agent a notice of such Fundamental Change (a “**Fundamental Change Notice**”).

Such Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Notes pursuant to this **Section 4.02**, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per \$1,000 principal amount of Notes for such Fundamental Change (and, if such Fundamental Change Repurchase Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.02(D)**);
- (vi) the name and address of the Paying Agent and the Conversion Agent;

- 52 -

(vii) the Conversion Rate in effect on the date of such Fundamental Change Notice and a description and quantification of any adjustments to the Conversion Rate that may result from such Fundamental Change (including pursuant to **Section 5.07**);

(viii) that Notes for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price;

(ix) that Notes (or any portion thereof) that are subject to a Fundamental Change Repurchase Notice that has been duly tendered may be converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Indenture; and

(x) the CUSIP and ISIN numbers, if any, of the Notes.

Neither the failure to deliver a Fundamental Change Notice nor any defect in a Fundamental Change Notice will limit the Fundamental Change Repurchase Right of any Holder or otherwise affect the validity of any proceedings relating to any Repurchase Upon Fundamental Change.

(F) *Procedures to Exercise the Fundamental Change Repurchase Right*

(i) *Delivery of Fundamental Change Repurchase Notice and Notes to Be Repurchased.* To exercise its Fundamental Change Repurchase Right for a Note following a Fundamental Change, the Holder thereof must deliver to the Paying Agent:

(1) before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such Note; and

(2) such Note, duly endorsed for transfer (if such Note is a Physical Note) or by book-entry transfer (if such Note is a Global Note).

The Paying Agent will promptly deliver to the Company a copy of each Fundamental Change Repurchase Notice that it receives.

(ii) *Contents of Fundamental Change Repurchase Notices.* Each Fundamental Change Repurchase Notice with respect to a Note must state:

(1) if such Note is a Physical Note, the certificate number of such Note;

(2) the principal amount of such Note to be repurchased, which must be an Authorized Denomination; and

(3) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such principal amount of such Note;

- 53 -

provided, however, that if such Note is a Global Note, then such Fundamental Change Repurchase Notice must comply with the Depository Procedures (and any such Fundamental Change Repurchase Notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

(iii) *Withdrawal of Fundamental Change Repurchase Notice.* A Holder that has delivered a Fundamental Change Repurchase Notice with respect to a Note may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law). Such withdrawal notice must state:

(1) if such Note is a Physical Note, the certificate number of such Note;

(2) the principal amount of such Note to be withdrawn, which must be an Authorized Denomination; and

(3) the principal amount of such Note, if any, that remains subject to such Fundamental Change Repurchase Notice, which must be an Authorized Denomination;

provided, however, that if such Note is a Global Note, then such withdrawal notice must comply with the Depository Procedures (and any such withdrawal notice delivered in compliance with the Depository Procedures will be deemed to satisfy the requirements of this **Section 4.02(F)**).

Upon receipt of any such withdrawal notice with respect to a Note (or any portion thereof), the Paying Agent will (x) promptly deliver a copy of such withdrawal notice to the Company; and (y) if such Note is surrendered to the Paying Agent, cause such Note (or such portion thereof in accordance with **Section 2.11**, treating such Note as having been then surrendered for partial repurchase in the amount set forth in such withdrawal notice as remaining subject to repurchase) to be returned to the Holder thereof (or, if applicable with respect to any Global Note, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interest in such Note in accordance with the Depository Procedures).

(G) *Payment of the Fundamental Change Repurchase Price.* Without limiting the Company's obligation to deposit the Fundamental Change Repurchase Price within the time proscribed by **Section 3.01(B)**, the Company will cause the Fundamental Change Repurchase Price for a Note (or portion thereof) to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the later of (i) the applicable Fundamental Change Repurchase Date; and (ii) the date (x) such Note is delivered to the Paying Agent (in the case of a Physical Note) or (y) the Depository Procedures relating to the repurchase, and the delivery to the Paying Agent, of such Holder's beneficial interest in such Note to be repurchased are complied with (in the case of a Global Note). For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.02(D)** on any Note to be repurchased pursuant to a Repurchase Upon Fundamental Change must be paid pursuant to such proviso regardless of whether such Note is delivered or such Depository Procedures are complied with pursuant to the first sentence of this **Section 4.02(G)**.

- 54 -

(H) *Third Party May Conduct Repurchase Offer In Lieu of the Company.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will be deemed to satisfy its obligations under this **Section 4.02** if one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Notes otherwise required by this **Section 4.02** in a manner that would have satisfied the requirements of this **Section 4.02** if conducted directly by the Company, including with respect to price.

(I) *No Requirement to Conduct an Offer to Repurchase Notes if the Fundamental Change Results in the Notes Becoming Convertible into an Amount of Cash Exceeding the Fundamental Change Repurchase Price.* Notwithstanding anything to the contrary in this **Section 4.02**, the Company will not be required to send a Fundamental Change Notice pursuant to **Section 4.02(E)**, or offer to repurchase or repurchase any Notes pursuant to this **Section 4.02**, in connection with a Fundamental Change occurring pursuant to **clause (B)(ii)** (or pursuant to **clause (A)** that also constitutes a Fundamental Change occurring pursuant to **clause (B)(ii)**) of the definition thereof, if (i) such Fundamental Change constitutes a Common Stock Change Event whose Reference Property consists entirely of cash in U.S. dollars; (ii) immediately after such Fundamental Change, the Notes become convertible, pursuant to **Section 5.09(A)** and, if applicable, **Section 5.07**, into consideration that consists solely of U.S. dollars in an amount per \$1,000 aggregate principal amount of Notes that equals or exceeds the Fundamental Change Repurchase Price per \$1,000 aggregate principal amount of Notes (calculated assuming that the same includes the maximum amount of accrued interest payable as part of the related Fundamental Change Repurchase Price); and (iii) the Company timely

sends the notice relating to such Common Stock Change Event required pursuant to **Section 5.09(B)** and includes, in such notice, the information set forth in **clauses (i), (ii), (vi), (vii) and (x) of Section 4.02(E)** and a statement that the Company is relying on this **Section 4.02(I)**.

(J) *Compliance with Applicable Securities Laws.* To the extent applicable, the Company will comply, in all material respects, with all federal and state securities laws in connection with a Repurchase Upon Fundamental Change (including complying with Rules 13e-4 and 14e-1 under the Exchange Act and filing any required Schedule TO, to the extent applicable) so as to permit effecting such Repurchase Upon Fundamental Change in the manner set forth in this Indenture; *provided, however*, that, to the extent that the Company's obligations pursuant to this **Section 4.02** conflict with any law or regulation that is applicable to the Company and enacted after the Issue Date, the Company's compliance with such law or regulation will not be considered to be a Default of such obligations.

(K) *Repurchase in Part.* Subject to the terms of this **Section 4.02**, Notes may be repurchased pursuant to a Repurchase Upon Fundamental Change in part, but only in Authorized Denominations. Provisions of this **Section 4.02** applying to the repurchase of a Note in whole will equally apply to the repurchase of a permitted portion of a Note.

- 55 -

Section 4.03. Right of the Company to Redeem the Notes.

(A) *No Right to Redeem Before [Redemption trigger date]*⁴. The Company may not redeem the Notes at its option at any time before [Redemption trigger date].

(B) *Right to Redeem the Notes on or After [Redemption trigger date].* Subject to the terms of this **Section 4.03**, the Company has the right, at its election, to redeem all, or any portion (subject to the Partial Redemption Limitation described in **Section 4.03(C)**) in an Authorized Denomination, of the Notes, at any time, and from time to time, on a Redemption Date on or after [Redemption trigger date], for a cash purchase price equal to the Redemption Price, but only if (1) the Last Reported Sale Price per share of Common Stock exceeds the Optional Redemption Trigger, in each case, on (x) each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately before the Redemption Notice Date for such Redemption; and (y) the Trading Day immediately before such Redemption Notice Date and (2) the Liquidity Conditions have been satisfied. For the avoidance of doubt, the calling of any Notes for Redemption will constitute a Make-Whole Fundamental Change with respect to such Notes pursuant to **clause (B)** of the definition thereof.

(C) *Partial Redemption Limitation.* If the Company elects to redeem fewer than all of the outstanding Notes, at least fifty million dollars (\$50,000,000) aggregate principal amount of Notes must be outstanding and not subject to Redemption as of the Redemption Notice Date for such Redemption (such requirement, the "**Partial Redemption Limitation**").

(D) *Redemption Prohibited in Certain Circumstances.* If the principal amount of the Notes has been accelerated and such acceleration has not been rescinded on or before the Redemption Date (including as a result of the payment of the related Redemption Price, and any related interest pursuant to the proviso to the first sentence of **Section 4.03(F)**, on such Redemption Date), then (i) the Company may not call for Redemption or otherwise redeem any Notes pursuant to this **Section 4.03**; and (ii) the Company will cause any Notes theretofore surrendered for such Redemption to be returned to the Holders thereof (or, if applicable with respect to Global Notes, cancel any instructions for book-entry transfer to the Company, the Trustee or the Paying Agent of the applicable beneficial interests in such Notes in accordance with the Depositary Procedures).

(E) *Redemption Date.* The Redemption Date for any Redemption will be a Business Day of the Company's choosing that is no more sixty (60), nor less than thirty (30), calendar days, Scheduled Trading Days after the Redemption Notice Date for such Redemption.

(F) *Redemption Price.* The Redemption Price for any Note called for Redemption is an amount in cash equal to the principal amount of such Note plus accrued and unpaid interest on such Note to, but excluding, the Redemption Date for such Redemption; provided, however, that if such Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such Redemption, to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date, if such Redemption Date is before such Interest Payment Date); and (ii) the Redemption Price will not include accrued and unpaid interest on such Note to, but excluding, such Redemption Date. For the avoidance of doubt, if an Interest Payment Date is not a Business Day within the meaning of **Section 2.05(F)** and such Redemption Date occurs on the Business Day immediately after such Interest Payment Date, then (x) accrued and unpaid interest on Notes to, but excluding, such Interest Payment Date will be paid, in accordance with **Section 2.05(F)**, on the next Business Day to Holders as of the Close of Business on the immediately preceding Regular Record Date; and (y) the Redemption Price will include interest on Notes to be redeemed from, and including, such Interest Payment Date.

⁴ NTD: To be 3 years + 20 Business Days from the Issue Date.

- 56 -

(G) *Redemption Notice.* To call any Notes for Redemption, the Company must send to each Holder of such Notes, the Trustee and the Paying Agent a written notice of such Redemption (a "**Redemption Notice**").

Such Redemption Notice must state:

- (i) that such Notes have been called for Redemption, briefly describing the Company's Redemption right under this Indenture;
- (ii) the Redemption Date for such Redemption;
- (iii) the Redemption Price per \$1,000 principal amount of Notes for such Redemption (and, if the Redemption Date is after a Regular Record Date and on or before the next Interest Payment Date, the amount, manner and timing of the interest payment payable pursuant to the proviso to the first sentence of **Section 4.03(F)**);
- (iv) the name and address of the Paying Agent and the Conversion Agent;
- (v) that Notes called for Redemption may be converted at any time before the Close of Business on the Business Day immediately before the Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full);
- (vi) the Conversion Rate in effect on the Redemption Notice Date for such Redemption and a description and quantification of any adjustments to the Conversion Rate that may result from such Redemption (including pursuant to **Section 5.07**); and

- (vii) the CUSIP and ISIN numbers, if any, of the Notes.

On or before the Redemption Notice Date, the Company will send a copy of such Redemption Notice to the Trustee and the Paying Agent.

(H) *Selection and Conversion of Notes to Be Redeemed in Part.*

(i) If less than all Notes then outstanding are called for Redemption, then the Notes to be redeemed will be selected as follows: (1) in the case of Global Notes, in accordance with the Depository Procedures; and (2) in the case of Physical Notes, pro rata, by lot or by such other method the Company considers fair and appropriate.

- 57 -

(ii) If only a portion of a Note is subject to Redemption and such Note is converted in part, then the converted portion of such Note will be deemed to be from the portion of such Note that was subject to Redemption.

(I) *Payment of the Redemption Price.* Without limiting the Company's obligation to deposit the Redemption Price by the time proscribed by **Section 3.01(B)**, the Company will cause the Redemption Price for a Note (or portion thereof) subject to Redemption to be paid to the Holder thereof on or before the applicable Redemption Date. For the avoidance of doubt, interest payable pursuant to the proviso to the first sentence of **Section 4.03(F)** on any Note (or portion thereof) subject to Redemption must be paid pursuant to such proviso.

(J) *Special Provisions for Partial Calls.* If the Company elects to redeem less than all of the outstanding Notes pursuant to this **Section 4.03**, and the Holder of any Note, or any owner of a beneficial interest in any Global Note, is reasonably not able to determine, before the Close of Business on the tenth (10th) calendar day immediately before the Redemption Date for such Redemption, whether such Note or beneficial interest, as applicable, is to be redeemed pursuant to such Redemption, then any conversion of such Note with a Conversion Date occurring on or before Business Day immediately before such Redemption Date will be deemed to be of a Note called for Provisional Redemption for purposes of this **Section 4.03** and **Section 5.07**, and the definition of "Make-Whole Fundamental Change."

Article 5. CONVERSION

Section 5.01. Right to Convert.

(A) *Generally.* Subject to the provisions of this **Article 5**, each Holder may, at its option, convert such Holder's Notes into Conversion Consideration.

(B) *Conversions in Part.* Subject to the terms of this Indenture, Notes may be converted in part, but only in Authorized Denominations. Provisions of this **Article 5** applying to the conversion of a Note in whole will equally apply to conversions of a permitted portion of a Note.

(C) *When Notes May Be Converted.*

(i) *Generally.* A Holder may convert its Notes at any time until the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date]; *provided* that if a Holder elects to convert its Notes in an aggregate principal amount of less than five hundred thousand dollars (\$500,000), then the Conversion Date for such Notes shall be the last Business Day of the calendar month in which the requirements set forth in **Section 5.02(A)** to convert such Notes are satisfied]⁵.

(ii) *Limitations and Closed Periods.* Notwithstanding anything to the contrary in this Indenture or the Notes:

⁵ NTD: Conversion timing limitation subject to confirmation by Trustee.

- 58 -

(1) Notes may be surrendered for conversion only after the Open of Business and before the Close of Business on a day that is a Business Day;

(2) in no event may any Note be converted after the Close of Business on the second (2nd) Scheduled Trading Day immediately before the Maturity Date;

(3) if the Company calls any Note for Redemption pursuant to **Section 4.03**, then the Holder of such Note may not convert such Note after the Close of Business on the Business Day immediately before the applicable Redemption Date, except to the extent the Company fails to pay the Redemption Price for such Note in accordance with this Indenture; and

(4) if a Fundamental Change Repurchase Notice is validly delivered pursuant to **Section 4.02(F)** with respect to any Note, then such Note may not be converted, except to the extent (a) such Note is not subject to such notice; (b) such notice is withdrawn in accordance with **Section 4.02(F)**; or (c) the Company fails to pay the Fundamental Change Repurchase Price for such Note in accordance with this Indenture (or a third party fails to make such payment in lieu of the Company in accordance with the provisions described in **Section 4.02(H)**).

- 59 -

(D) *Beneficial Ownership Limitation.* The Conversion Agent shall not effect any conversion of a Holder's Notes, and a Holder shall not have the right to convert any portion of its Notes, to the extent that, after giving effect to the conversion set forth on (x) with respect to a Physical Note, the applicable conversion notice or, (y) with respect to a Global Note, the applicable Depository Procedures for converting a beneficial interest in such Global Note (in either case, a "Conversion Notice"), such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Notes (or portion thereof) with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Notes beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the

Notes) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this **Section 5.01(D)**, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this **Section 5.01(D)** applies, the determination of whether the Notes are convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and the aggregate principal amount of Notes that are convertible shall be in the sole discretion of such Holder, and the submission of a Conversion Notice shall be deemed to be such Holder's determination of whether the Notes identified therein may be converted (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and the aggregate principal amount of Notes that are convertible, in each case subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Company each time it delivers a Conversion Notice that such Conversion Notice has not violated the restrictions set forth in this paragraph and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this **Section 5.01(D)**, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the SEC, as the case may be, (ii) a more recent public announcement by the Company or (iii) a more recent written notice by the Company setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder (which may be via email), the Company shall, within two Trading Days, confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including the Notes, by such Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "**Beneficial Ownership Limitation**" shall initially be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of the Notes (or portion thereof) held by the applicable Holder. A Holder, upon notice to the Company, the Trustee and the Conversion Agent, may increase or decrease the Beneficial Ownership Limitation provisions of this **Section 5.01(D)** applicable to its Notes provided that the Beneficial Ownership Limitation in no event exceeds 19.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Notes held by the Holder and the provisions of this **Section 5.01(D)** shall continue to apply. Any such increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company, the Trustee and the Conversion Agent and shall only apply to such Holder and no other Holder. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this **Section 5.01(D)** to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of Notes.

Section 5.02. Conversion Procedures.

(A) *Generally.*

(i) *Global Notes.* To convert a beneficial interest in a Global Note, the owner of such beneficial interest must (1) comply with the Depository Procedures for converting such beneficial interest (at which time such conversion will become irrevocable); and (2) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

- 60 -

(ii) *Physical Notes.* To convert all or a portion of a Physical Note, the Holder of such Note must (1) complete, manually sign and deliver to the Conversion Agent the conversion notice attached to such Physical Note or a facsimile of such conversion notice; (2) deliver such Physical Note to the Conversion Agent (at which time such conversion will become irrevocable); (3) furnish any endorsements and transfer documents that the Company or the Conversion Agent may require; and (4) pay any amounts due pursuant to **Section 5.02(D)** or **Section 5.02(E)**.

(B) *Effect of Converting a Note.* At the Close of Business on the Conversion Date for a Note (or any portion thereof) to be converted, such Note (or such portion) will (unless there occurs a Default in the delivery of the Conversion Consideration or interest due, pursuant to **Section 5.03(A)** or **5.02(D)**, upon such conversion) be deemed to cease to be outstanding (and, for the avoidance of doubt, no Person will be deemed to be a Holder of such Note (or such portion thereof) as of the Close of Business on such Conversion Date), except to the extent provided in **Section 5.02(D)**.

(C) *Holder of Record of Conversion Shares.* The Person in whose name any share of Common Stock is issuable upon conversion of any Note will be deemed to become the holder of record of such share as of the Close of Business on the Conversion Date for such conversion.

(D) *Interest Payable Upon Conversion in Certain Circumstances.* If the Conversion Date of a Note is after a Regular Record Date and before the next Interest Payment Date, then (i) the Holder of such Note at the Close of Business on such Regular Record Date will be entitled, notwithstanding such conversion (and, for the avoidance of doubt, notwithstanding anything set forth in the proviso to this sentence), to receive, on or, at the Company's election, before such Interest Payment Date, the unpaid interest that would have accrued on such Note to, but excluding, such Interest Payment Date (assuming, solely for these purposes, that such Note remained outstanding through such Interest Payment Date); and (ii) the Holder surrendering such Note for conversion must deliver to the Conversion Agent, at the time of such surrender, an amount of cash equal to the amount of such interest referred to in **clause (i)** above; *provided, however*, that the Holder surrendering such Note for conversion need not deliver such cash (v) if the Company has specified a Redemption Date that is after such Regular Record Date and on or before the Business Day immediately after such Interest Payment Date; (w) if such Conversion Date occurs after the Regular Record Date immediately before the Maturity Date; (x) if the Company has specified a Fundamental Change Repurchase Date that is after such Regular Record Date and on or before the Business Day immediately after such Interest Payment Date; or (y) to the extent of any overdue interest or interest that has accrued on any overdue interest. For the avoidance of doubt, as a result of, and without limiting the generality of, the foregoing, if a Note is converted with a Conversion Date that is after the Regular Record Date immediately before the Maturity Date, then the Company will pay, as provided above, the interest that would have accrued on such Note to, but excluding, the Maturity Date. For the avoidance of doubt, if the Conversion Date of a Note to be converted is on an Interest Payment Date, then the Holder of such Note at the Close of Business on the Regular Record Date immediately before such Interest Payment Date will be entitled to receive, on such Interest Payment Date, the unpaid interest that has accrued on such Note to, but excluding, such Interest Payment Date, and such Note, when surrendered for conversion, need not be accompanied by any cash amount pursuant to the first sentence of this **Section 5.02(D)**.

(E) *Taxes and Duties.* If a Holder converts a Note, the Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue or delivery of any shares of Common Stock upon such conversion; *provided, however*, that if any tax or duty is due because such Holder requested such shares to be registered in a name other than such Holder's name, then such Holder will pay such tax or duty and, until having received a sum sufficient to pay such tax or duty, the Conversion Agent may refuse to deliver any such shares to be issued in a name other than that of such Holder.

- 61 -

(F) *Conversion Agent to Notify Company of Conversions.* If any Note is submitted for conversion to the Conversion Agent or the Conversion Agent receives any notice of conversion with respect to a Note, then the Conversion Agent will promptly (and, in any event, no later than the date the Conversion Agent receives such Note or notice) notify the Company and the Trustee of such occurrence, together with any other information reasonably requested by the Company, and will cooperate with the Company to determine the Conversion Date for such Note.

Section 5.03. Settlement Upon Conversion.

(A) *Conversion Consideration.*

(i) *Generally.* Subject to **Sections 5.03(A)(ii)** and **5.03(A)(iii)**, the type and amount of consideration (the “**Conversion Consideration**”) due in respect of each \$1,000 principal amount of a Note to be converted will be a number of shares of Common Stock equal to the Conversion Rate in effect on the Conversion Date for such conversion:

(ii) *Cash in Lieu of Fractional Shares.* If the number of shares of Common Stock deliverable pursuant to **Section 5.03(A)(i)** upon conversion of any Note is not a whole number, then such number will be rounded down to the nearest whole number and the Company will deliver, in addition to the other consideration due upon such conversion, cash in lieu of the related fractional share in an amount equal to the product of (1) such fraction and (2) the Last Reported Sale Price per share of Common Stock on the Conversion Date for such conversion (or, if such Conversion Date is not a Trading Day, the immediately preceding Trading Day).

(iii) *Conversion of Multiple Notes by a Single Holder.* If a Holder converts more than one (1) Note on a single Conversion Date, then the Conversion Consideration due in respect of such conversion will (in the case of any Global Note, to the extent permitted by, and practicable under, the Depositary Procedures) be computed based on the total principal amount of Notes converted on such Conversion Date by such Holder.

(B) *Delivery of the Conversion Consideration.* Except as set forth in **Sections 5.05(E)** and **5.09**, the Company will pay or deliver, as applicable, the Conversion Consideration due upon the conversion of any Note to the Holder on the second (2nd) Business Day immediately after the Conversion Date for such conversion.

(C) *Deemed Payment of Principal and Interest; Settlement of Accrued Interest Notwithstanding Conversion.* If a Holder converts a Note, then the Company will not adjust the Conversion Rate to account for any accrued and unpaid interest on such Note, and, except as provided in **Section 5.02(D)**, the Company’s delivery of the Conversion Consideration due in respect of such conversion will be deemed to fully satisfy and discharge the Company’s obligation to pay the principal of, and accrued and unpaid interest, if any, on, such Note to, but excluding the Conversion Date. As a result, except as provided in **Section 5.02(D)**, any accrued and unpaid interest on a converted Note will be deemed to be paid in full rather than cancelled, extinguished or forfeited.

- 62 -

Section 5.04. Reserve and Status of Common Stock Issued Upon Conversion.

(A) *Stock Reserve.* At all times when any Notes are outstanding, the Company will reserve (out of its authorized and not outstanding shares of Common Stock that are not reserved for other purposes) 120% of a number of shares of Common Stock as may from time to time be issuable upon conversion of the Notes in accordance with its terms and conditions, assuming the Conversion Rate is increased by the maximum amount pursuant to which the Conversion Rate may be increased pursuant to **Section 5.07**. To the extent the Company delivers shares of Common Stock held in its treasury in settlement of the conversion of any Notes, each reference in this Indenture or the Notes to the issuance of shares of Common Stock in connection therewith will be deemed to include such delivery, *mutatis mutandis*.

(B) *Status of Conversion Shares; Listing.* Each Conversion Share delivered upon conversion of any Note will be a newly issued or treasury share (except that any Conversion Share delivered by a designated financial institution pursuant to **Section 5.08** need not be a newly issued or treasury share) and will be duly authorized, validly issued, fully paid, non-assessable, free from preemptive rights and free of any lien or adverse claim (except to the extent of any lien or adverse claim created by the action or inaction of the Holder of such Note or the Person to whom such Conversion Share will be delivered). If the Common Stock is then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will use commercially reasonable efforts to cause each Conversion Share, when delivered upon conversion of any Note, to be admitted for listing on such exchange or quotation on such system.

Section 5.05. Adjustments to the Conversion Rate.

(A) On each Reset Date, the Conversion Price will be reset to the applicable Reset Conversion Rate.

(B) *Events Requiring an Adjustment to the Conversion Rate.* The Conversion Rate will be adjusted from time to time as follows:

(i) *Stock Dividends, Splits and Combinations.* If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or if the Company effects a stock split or a stock combination of the Common Stock (in each case excluding an issuance solely pursuant to a Common Stock Change Event, as to which **Section 5.09** will apply), then the Conversion Rate will be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

- 63 -

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution, or immediately before the Open of Business on the effective date of such stock split or stock combination, as applicable;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date or the Open of Business on such effective date, as applicable;

OS_0 = the number of shares of Common Stock outstanding immediately before the Open of Business on such Ex-Dividend Date or effective date, as applicable, without giving effect to such dividend, distribution, stock split or stock combination; and

OS_1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

If any dividend, distribution, stock split or stock combination of the type described in this **Section 5.05(B)(i)** is declared or announced, but not so paid or made, then the Conversion Rate will be readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Rate that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

(ii) *Rights, Options and Warrants.* If the Company distributes, to all or substantially all holders of Common Stock, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a stockholder rights plan, as to which **Sections 5.05(B)(iii)(1)** and **5.05(G)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the date such distribution is announced, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS + X}{OS + Y}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

- 64 -

OS = the number of shares of Common Stock outstanding immediately before the Open of Business on such Ex-Dividend Date;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = a number of shares of Common Stock obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced.

To the extent such rights, options or warrants are not so distributed, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of only the rights, options or warrants, if any, actually distributed. In addition, to the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the increase to the Conversion Rate for such distribution been made on the basis of delivery of only the number of shares of Common Stock actually delivered upon exercise of such rights, option or warrants.

For purposes of this **Section 5.05(B)(ii)**, in determining whether any rights, options or warrants entitle holders of Common Stock to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Board of Directors.

(iii) *Spin-Offs and Other Distributed Property.*

(1) *Distributions Other than Spin-Offs.* If the Company distributes shares of its Capital Stock, evidences of its indebtedness or other assets or property of the Company, or rights, options or warrants to acquire Capital Stock of the Company or other securities, to all or substantially all holders of the Common Stock, excluding:

(u) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(D)**) pursuant to **Section 5.05(B)(i)** or **5.05(B)(ii)**;

- 65 -

(v) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(D)**) pursuant to **Section 5.05(B)(iv)**;

(w) rights issued or otherwise distributed pursuant to a stockholder rights plan, except to the extent provided in **Section 5.05(G)**;

(x) Spin-Offs for which an adjustment to the Conversion Rate is required (or would be required without regard to **Section 5.05(D)**) pursuant to **Section 5.05(B)(iii)(2)**;

(y) a distribution solely pursuant to a tender offer or exchange offer for shares of Common Stock, as to which **Section 5.05(B)(v)** will apply; and

(z) a distribution solely pursuant to a Common Stock Change Event, as to which **Section 5.09** will apply,

then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - FMV}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such distribution;

CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;

SP = the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before such Ex-Dividend Date; and

FMV = the fair market value (as determined by the Board of Directors), as of such Ex-Dividend Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per share of Common Stock pursuant to such distribution;

provided, however, that if FMV is equal to or greater than SP, then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the Record Date for such distribution, at the same time and on the same terms as holders of Common Stock, and without having to convert its Notes, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received if such Holder had owned, on such Record Date, a number of shares of Common Stock equal to the Conversion Rate in effect on such Record Date.

- 66 -

To the extent such distribution is not so paid or made, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the distribution, if any, actually made or paid.

For purposes of this **Section 5.05(B)(iii)(1)** (and subject to **Section 5.05(G)**), rights, options or warrants distributed by the Company to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Company's Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events ("**Trigger Event**"): (x) are deemed to be transferred with such Common Stock; (y) are not exercisable; and (z) are also issued in respect of future issuances of Common Stock, will be deemed not to have been distributed for purposes of this **Section 5.05(B)(iii)(1)** (and no adjustment to the Conversion Rate under this **Section 5.05(B)(iii)(1)** will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants will be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate will be made pursuant to this **Section 5.05(B)(iii)(1)**. If any such right, option or warrant, including any such existing rights, options or warrants distributed before the Issue Date, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event will be deemed to be the date of distribution and Ex-Dividend Date with respect to new rights, options or warrants with such rights (in which case, the existing rights, options or warrants will be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate pursuant to this **Section 5.05(B)(iii)(1)** was made, (x) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (I) the Conversion Rate will be readjusted as if such rights, options or warrants had not been issued; and (II) the Conversion Rate will then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase; and (y) in the case of such rights, options or warrants that have expired or been terminated without exercise by any holders thereof, the Conversion Rate will be readjusted as if such rights, options and warrants had not been issued.

- 67 -

(2) *Spin-Offs*. If the Company distributes or dividends shares of Capital Stock of any class or series, or similar equity interests, of or relating to an Affiliate, a Subsidiary or other business unit of the Company to all or substantially all holders of the Common Stock (other than solely pursuant to (x) a Common Stock Change Event, as to which **Section 5.09** will apply; or (y) a tender offer or exchange offer for shares of Common Stock, as to which **Section 5.05(B)(v)** will apply), and such Capital Stock or equity interests are listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange (a "**Spin-Off**"), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + SP}{SP}$$

where:

CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Spin-Off Valuation Period for such Spin-Off;

CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Spin-Off Valuation Period;

FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Spin-Off over the ten (10) consecutive Trading Day period (the "**Spin-Off Valuation Period**") beginning on, and including, the Ex-Dividend Date for such Spin-Off (such average to be determined as if references to Common Stock in the definitions of Last Reported Sale Price, Trading Day and Market Disruption Event were instead references to such Capital Stock or equity interests); and (y) the number of shares or units of such Capital Stock or equity interests distributed per share of Common Stock in such Spin-Off; and

SP = the average of the Last Reported Sale Prices per share of Common Stock for each Trading Day in the Spin-Off Valuation Period.

Notwithstanding anything to the contrary in this **Section 5.05(B)(iii)(2)**, if the Conversion Date for a Note to be converted occurs during the Spin-Off Valuation Period for such Spin-Off, then, solely for purposes of determining the Conversion Consideration for such conversion, such Spin-Off Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Ex-Dividend Date for such Spin-Off to, and including, such Conversion Date.

To the extent any dividend or distribution of the type set forth in this **Section 5.05(B)(iii)(2)** is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(iv) *Cash Dividends or Distributions*. If any cash dividend or distribution is made to all or substantially all holders of Common Stock, then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP}{SP - D}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Open of Business on the Ex-Dividend Date for such dividend or distribution;
- CR_1 = the Conversion Rate in effect immediately after the Open of Business on such Ex-Dividend Date;
- SP = the Last Reported Sale Price per share of Common Stock on the Trading Day immediately before such Ex-Dividend Date; and
- D = the cash amount distributed per share of Common Stock in such dividend or distribution;

provided, however, that if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Rate, each Holder will receive, for each \$1,000 principal amount of Notes held by such Holder on the Record Date for such dividend or distribution, at the same time and on the same terms as holders of Common Stock, and without having to convert its Notes, the amount of cash that such Holder would have received if such Holder had owned, on such Record Date, a number of shares of Common Stock equal to the Conversion Rate in effect on such Record Date.

To the extent such dividend or distribution is declared but not made or paid, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(v) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for shares of Common Stock (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Board of Directors) of the cash and other consideration paid per share of Common Stock in such tender or exchange offer exceeds the Last Reported Sale Price per share of Common Stock on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP \times OS_1)}{SP \times OS_0}$$

where:

- CR_0 = the Conversion Rate in effect immediately before the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period for such tender or exchange offer;
- CR_1 = the Conversion Rate in effect immediately after the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period;
- AC = the aggregate value (determined as of the time (the “**Expiration Time**”) such tender or exchange offer expires by the Board of Directors) of all cash and other consideration paid or payable for shares of Common Stock purchased or exchanged in such tender or exchange offer;

- OS_0 = the number of shares of Common Stock outstanding immediately before the Expiration Time (including all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);
- OS_1 = the number of shares of Common Stock outstanding immediately after the Expiration Time (excluding all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer); and
- SP = the average of the Last Reported Sale Prices per share of Common Stock over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;

provided, however, that the Conversion Rate will in no event be adjusted down pursuant to this **Section 5.05(B)(v)**, except to the extent provided in the immediately following paragraph. Notwithstanding anything to the contrary in this **Section 5.05(B)(v)**, if the Conversion Date for a Note to be converted occurs during the Tender/Exchange Offer Valuation Period for such tender or exchange offer, then, solely for purposes of determining the Conversion Consideration for such conversion, such Tender/Exchange Offer Valuation Period will be deemed to consist of the Trading Days occurring in the period from, and including, the Trading Day immediately after the Expiration Date to, and including, such Conversion Date.

To the extent such tender or exchange offer is announced but not consummated (including as a result of the Company being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of shares of Common Stock in such tender or exchange offer are rescinded, the Conversion Rate will be readjusted to the Conversion Rate that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of shares of Common Stock, if any, actually made, and not rescinded, in such tender or exchange offer.

(C) *No Adjustments in Certain Cases.*

(i) *Where Holders Participate in the Transaction or Event Without Conversion.* Notwithstanding anything to the contrary in **Section 5.05(A)**, the Company will not be obligated to adjust the Conversion Rate on account of a transaction or other event otherwise requiring an adjustment pursuant to **Section 5.05(A)** (other than a stock split or combination of the type set forth in **Section 5.05(B)(i)** or a tender or exchange offer of the type set forth in **Section 5.05(B)(v)**) if each Holder participates, at the same time and on the same terms as holders of Common Stock, and solely by virtue of being a Holder of Notes, in such transaction or event without having to convert such Holder's Notes and as if such Holder held a number of shares of Common Stock equal to the product of (i) the Conversion Rate in effect on the related Record Date; and (ii) the aggregate principal amount (expressed in thousands) of Notes held by such Holder on such date.

(ii) *Certain Events.* The Company will not be required to adjust the Conversion Rate except as provided in **Section 5.05** or **Section 5.07**. Without limiting

the foregoing, the Company will not be obligated to adjust the Conversion Rate on account of:

- (1) except as otherwise provided in **Section 5.05**, the sale of shares of Common Stock for a purchase price that is less than the market price per share of Common Stock or less than the Conversion Price;
- (2) the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any such plan;
- (3) the issuance of any shares of Common Stock or options or rights to purchase shares of Common Stock pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of its Subsidiaries;
- (4) the issuance of any shares of Common Stock pursuant to any option, warrant, right or convertible or exchangeable security of the Company outstanding as of the Issue Date;
- (5) solely a change in the par value of the Common Stock; or
- (6) accrued and unpaid interest on the Notes.

(D) If an adjustment to the Conversion Rate otherwise required by this **Article 5** would result in a change of less than one percent (1%) to the Conversion Rate, then, notwithstanding anything to the contrary in this **Article 5**, the Company may, at its election, defer such adjustment, except that all such deferred adjustments must be given effect immediately upon the earliest of the following: (i) when all such deferred adjustments would result in an aggregate change of at least one percent (1%) to the Conversion Rate; (ii) the Conversion Date of any Note; (iii) the effective date of a Fundamental Change or a Make-Whole Fundamental Change Effective Date and (iv) the date the Company calls any Notes for Redemption.

(E) *Adjustments Not Yet Effective.* Notwithstanding anything to the contrary in this Indenture or the Notes, if:

- (i) a Note is to be converted;
- (ii) the Record Date, effective date or Expiration Time for any event that requires an adjustment to the Conversion Rate pursuant to **Section 5.05(A)** has occurred on or before the Conversion Date for such conversion, but an adjustment to the Conversion Rate for such event has not yet become effective as of such Conversion Date;

- 71 -

- (iii) the Conversion Consideration due upon such conversion includes any whole shares of Common Stock; and
- (iv) such shares are not entitled to participate in such event (because they were not held on the related Record Date or otherwise),

then, solely for purposes of such conversion, the Company will, without duplication, give effect to such adjustment on such Conversion Date. In such case, if the date on which the Company is otherwise required to deliver the consideration due upon such conversion is before the first date on which the amount of such adjustment can be determined, then the Company will delay the settlement of such conversion until the second (2nd) Business Day after such first date.

(F) Conversion Rate Adjustments where Converting Holders Participate in the Relevant Transaction or Event. Notwithstanding anything to the contrary in this Indenture or the Notes, if:

- (i) a Conversion Rate adjustment for any dividend or distribution becomes effective on any Ex-Dividend Date pursuant to **Section 5.05(A)**;
- (ii) a Note is to be converted;
- (iii) the Conversion Date for such conversion occurs on or after such Ex-Dividend Date and on or before the related Record Date;
- (iv) the Conversion Consideration due upon such conversion includes any whole shares of Common Stock based on a Conversion Rate that is adjusted for such dividend or distribution; and
- (v) such shares would be entitled to participate in such dividend or distribution (including pursuant to **Section 5.02(C)**),

then (x) such Conversion Rate adjustment will not be given effect for such conversion; (y) the shares of Common Stock issuable upon such conversion based on such unadjusted Conversion Rate will not be entitled to participate in such dividend or distribution; and (z) there will be added, to the Conversion Consideration otherwise due upon such conversion, the same kind and amount of consideration that would have been delivered in such dividend or distribution with respect to such shares of Common Stock had such shares been entitled to participate in such dividend or distribution.

(G) *Stockholder Rights Plans.* If any shares of Common Stock are to be issued upon conversion of any Note and, at the time of such conversion, the Company has in effect any stockholder rights plan, then the Holder of such Note will be entitled to receive, in addition to, and concurrently with the delivery of, the Conversion Consideration otherwise payable under this Indenture upon such conversion, the rights set forth in such stockholder rights plan, unless such rights have separated from the Common Stock at such time, in which case, and only in such case, the Conversion Rate will be adjusted pursuant to **Section 5.05(B)(iii)(1)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such Section to all holders of the Common Stock, subject to potential readjustment in accordance with the last paragraph of **Section 5.05(B)(iii)(1)**.

- 72 -

(H) *Limitation on Effecting Transactions Resulting in Certain Adjustments.* The Company will not engage in or be a party to any transaction or event that would require the Conversion Rate to be adjusted pursuant to **Section 5.05(A)** or **Section 5.07** to an amount that would result in the Conversion Price per share of Common Stock being less than the par value per share of Common Stock.

(I) *Equitable Adjustments to Prices.* Whenever any provision of this Indenture requires the Company to calculate the Last Reported Sale Prices or the Daily VWAPs, over a span of multiple days (including to calculate the Stock Price or an adjustment to the Conversion Rate), the Company will make appropriate adjustments to such calculations to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Ex-Dividend

Date, effective date or Expiration Date, as applicable, of such event occurs, at any time during the period when the Last Reported Sale Prices or the Daily VWAPs are to be calculated.

(J) *Calculation of Number of Outstanding Shares of Common Stock* For purposes of **Section 5.05(A)**, the number of shares of Common Stock outstanding at any time will (i) include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock; and (ii) exclude shares of Common Stock held in the Company's treasury (unless the Company pays any dividend or makes any distribution on shares of Common Stock held in its treasury).

(K) *Calculations*. All calculations with respect to the Conversion Rate and adjustments thereto will be made to the nearest 1/10,000th of a share of Common Stock (with 5/100,000ths rounded upward).

(L) *Notice of Conversion Rate Adjustments*. Upon the effectiveness of any adjustment to the Conversion Rate pursuant to **Section 5.05(A)**, the Company will promptly send notice to the Holders, the Trustee and the Conversion Agent containing (i) a brief description of the transaction or other event on account of which such adjustment was made; (ii) the Conversion Rate in effect immediately after such adjustment; and (iii) the effective time of such adjustment.

Section 5.06. Voluntary Adjustments.

(A) *Generally*. To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) increase the Conversion Rate by any amount if (i) the Board of Directors determines that such increase is either (x) in the best interest of the Company; or (y) advisable to avoid or diminish any income tax imposed on holders of Common Stock or rights to purchase Common Stock as a result of any dividend or distribution of shares (or rights to acquire shares) of Common Stock or any similar event; (ii) such increase is in effect for a period of at least twenty (20) Business Days; and (iii) such increase is irrevocable during such period.

(B) *Notice of Voluntary Increases*. If the Board of Directors determines to increase the Conversion Rate pursuant to **Section 5.06(A)**, then, at least fifteen (15) Business Days before such increase, the Company will send notice to each Holder, the Trustee and the Conversion Agent of such increase, the amount thereof and the period during which such increase will be in effect.

Section 5.07. Adjustments to the Conversion Rate in Connection with a Make-Whole Fundamental Change.

(A) *Generally*. If a Make-Whole Fundamental Change occurs and the Conversion Date for the conversion of a Note occurs during the related Make-Whole Fundamental Change Conversion Period, then, subject to this **Section 5.07**, the Conversion Rate applicable to such conversion will be increased by a number of shares (the "Additional Shares") set forth in the table below corresponding (after interpolation as provided in, and subject to, the provisions below) to the Make-Whole Fundamental Change Effective Date and the Stock Price of such Make-Whole Fundamental Change:

Make-Whole Fundamental Change Effective Date	Stock Price
[closing date]	\$10.00
[·]	
[·]	
[·]	
[·]	
[maturity date]	

If such Make-Whole Fundamental Change Effective Date or Stock Price is not set forth in the table above, then:

(i) if such Stock Price is between two Stock Prices in the table above or the Make-Whole Fundamental Change Effective Date is between two dates in the table above, then the number of Additional Shares will be determined by straight-line interpolation between the numbers of Additional Shares set forth for the higher and lower Stock Prices in the table above or the earlier and later dates in the table above, based on a 365- or 366-day year, as applicable; and

(ii) if the Stock Price is greater than \$[maximum Stock Price in make-whole table] (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above are adjusted pursuant to **Section 5.07(B)**), or less than \$10.00 (subject to adjustment in the same manner), per share, then no Additional Shares will be added to the Conversion Rate.

Notwithstanding anything to the contrary in this Indenture or the Notes, in no event will the Conversion Rate be increased to an amount that exceeds [initial maximum Conversion Rate] shares of Common Stock per \$1,000 principal amount of Notes, which amount is subject to adjustment in the same manner as, and at the same time and for the same events for which, the Conversion Rate is required to be adjusted pursuant to **Section 5.05(A)**.

For the avoidance of doubt, but subject to **Section 4.03(J)**, (x) the sending of a Redemption Notice will constitute a Make-Whole Fundamental Change only with respect to the Notes called for Provisional Redemption pursuant to such Redemption Notice, and not with respect to any other Notes; and (y) the Conversion Rate applicable to the Notes not so called for Provisional Redemption will not be subject to increase pursuant to this **Section 5.07** on account of such Redemption Notice.

(B) *Adjustment of Stock Prices and Number of Additional Shares* The Stock Prices in the first row (i.e., the column headers) of the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Price is adjusted as a result of the operation of **Section 5.05(A)**. The numbers of Additional Shares in the table set forth in **Section 5.07(A)** will be adjusted in the same manner as, and at the same time and for the same events for which, the Conversion Rate is adjusted pursuant to **Section 5.05(A)**.

(C) *Notice of the Occurrence of a Make-Whole Fundamental Change* If a Make-Whole Fundamental Change occurs pursuant to **clause (A)** of the definition thereof, then, promptly and in no event later than the Business Day immediately after the Make-Whole Fundamental Change Effective Date of such Make-Whole Fundamental Change, the Company will notify the Holders of the occurrence of such Make-Whole Fundamental Change and of such Make-Whole Fundamental Change Effective Date, briefly stating the circumstances under which the Conversion Rate will be increased pursuant to this **Section 5.07** in connection with such Make-Whole Fundamental Change. The Company will notify the Holders, the Trustee and the Conversion Agent of each Make-Whole Fundamental Change occurring pursuant to **clause (B)** of the definition thereof in accordance with **Section 4.03(G)**.

Section 5.08. Exchange in Lieu of Conversion.

Notwithstanding anything to the contrary in this **Article 5**, and subject to the terms of this **Section 5.08**, if a Note is submitted for conversion, the Company may elect to arrange to have such Note exchanged in lieu of conversion by a financial institution designated by the Company. To make such election, the Company must send notice of such election to the Holder of such Note, the Trustee and the Conversion Agent before the Close of Business on the Business Day immediately following the Conversion Date for such Note. If the Company has made such election, then:

(A) no later than the Business Day immediately following such Conversion Date, the Company must deliver (or cause the Conversion Agent to deliver) such Note, together with delivery instructions for the Conversion Consideration due upon such conversion (including wire instructions, if applicable), to a financial institution designated by the Company that has agreed to deliver such Conversion Consideration in the manner and at the time the Company would have had to deliver the same pursuant to this **Article 5**;

(B) if such Note is a Global Note, then (i) such designated institution will send written confirmation to the Conversion Agent promptly after wiring the cash Conversion Consideration, if any, and delivering any other Conversion Consideration, due upon such conversion to the Holder of such Note; and (ii) the Conversion Agent will as soon as reasonably practicable thereafter contact such Holder's custodian with the Depository to confirm receipt of the same; and

- 75 -

(C) such Note will not cease to be outstanding by reason of such exchange in lieu of conversion;

provided, however, that if such financial institution does not accept such Note or fails to timely deliver such Conversion Consideration, then the Company will be responsible for delivering such Conversion Consideration in the manner and at the time provided in this **Article 5** as if the Company had not elected to make an exchange in lieu of conversion.

Section 5.09. Effect of Common Stock Change Event.

(A) *Generally*. If there occurs any:

(i) recapitalization, reclassification or change of the Common Stock (other than (x) changes solely resulting from a subdivision or combination of the Common Stock, (y) a change only in par value or from par value to no par value or no par value to par value and (z) stock splits and stock combinations that do not involve the issuance of any other series or class of securities);

(ii) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(iii) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person, other than transfers to, from, between or among the Company and/or one or more Wholly Owned Subsidiaries that has provided a guarantee of the Company's obligations in respect of this Indenture and the Notes; or

(iv) other similar event,

and, as a result of which, the Common Stock is converted into, or is exchanged for, or represents solely the right to receive, other securities, cash or other property, or any combination of the foregoing (such an event, a "**Common Stock Change Event**," and such other securities, cash or property, the "**Reference Property**," and the amount and kind of Reference Property that a holder of one (1) share of Common Stock would be entitled to receive on account of such Common Stock Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a "**Reference Property Unit**"), then, notwithstanding anything to the contrary in this Indenture or the Notes,

(1) from and after the effective time of such Common Stock Change Event, (I) the Conversion Consideration due upon conversion of any Note, will be determined in the same manner as if each reference to any number of shares of Common Stock in this **Article 5** (or in any related definitions) were instead a reference to the same number of Reference Property Units; (II) for purposes of **Section 4.03(B)**, each reference to any number of shares of Common Stock in such Section (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; (III) for purposes of the definition of "Record Date," the term "Common Stock" will be deemed to refer to any class of securities forming part of such Reference Property; and (IV) for purposes of the definitions of "Fundamental Change" and "Make-Whole Fundamental Change," references to "Common Stock" and the Company's "Common Equity" will be deemed to refer to the Common Equity (including depository receipts representing Common Equity), if any, forming part of such Reference Property;

- 76 -

(2) if such Reference Property Unit consists entirely of cash, then the Company will pay the cash due in respect of all conversions whose Conversion Date occurs on or after the effective date of such Common Stock Change Event no later than the second (2nd) Business Day after the relevant Conversion Date; and

(3) for these purposes, the Last Reported Sale Price of any Reference Property Unit or portion thereof that does not consist of a class of securities will be the fair value of such Reference Property Unit or portion thereof, as applicable, determined in good faith and in a commercially reasonable manner by the Board of Directors of the Company (or, in the case of cash denominated in U.S. dollars, the face amount thereof).

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of stockholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per share of Common Stock, by the holders of Common Stock. The Company will notify Holders, the Trustee and the Conversion Agent of such weighted average as soon as practicable after such determination is made.

At or before the effective time of such Common Stock Change Event, the Company and the resulting, surviving or transferee Person (if not the Company) of such Common Stock Change Event (the "**Successor Person**") will execute and deliver to the Trustee a supplemental indenture pursuant to **Section 8.01(F)**, which supplemental indenture will (x) provide for subsequent conversions of Notes in the manner set forth in this **Section 5.09**; (y) provide for subsequent adjustments to the Conversion Rate pursuant to **Section 5.05(A)** in a manner consistent with this **Section 5.09**; and (z) contain such other provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of the Holders and to give effect to the provisions of this **Section 5.09(A)**. If the Reference Property includes shares of stock or other securities or assets (other than cash) of a Person other than the Successor Person, then such other Person will also execute such supplemental indenture and such supplemental indenture will contain such additional provisions, if any, that the Company reasonably determines are appropriate to protect the interests of the Holders.

(B) *Notice of Common Stock Change Events.* The Company will provide notice of each Common Stock Change Event to Holders, the Trustee and the Conversion Agent no later than the second (2nd) Business Day after the effective date of such Common Stock Change Event.

(C) *Compliance Covenant.* The Company will not become a party to any Common Stock Change Event unless its terms are consistent with this **Section 5.09**.

- 77 -

Article 6. SUCCESSORS

Section 6.01. When the Company May Merge, Etc.

(A) *Generally.* The Company will not consolidate with or merge with or into, or (directly, or indirectly through one or more of its Subsidiaries) sell, lease or otherwise transfer, in one transaction or a series of transactions, all or substantially all of the consolidated assets of the Company and its Subsidiaries, taken as a whole, to another Person (a “**Business Combination Event**”), unless:

(i) the resulting, surviving or transferee Person either (x) is the Company or (y) if not the Company, is a corporation (the “**Successor Corporation**”) duly organized and existing under the laws of the United States of America, any State thereof or the District of Columbia that expressly assumes (by executing and delivering to the Trustee, at or before the effective time of such Business Combination Event, a supplemental indenture pursuant to **Section 8.01(E)**) all of the Company’s obligations under this Indenture and the Notes; and

(ii) immediately after giving effect to such Business Combination Event, no Default or Event of Default will have occurred and be continuing.

(B) *Delivery of Officer’s Certificate and Opinion of Counsel to the Trustee.* Before the effective time of any Business Combination Event, the Company will deliver to the Trustee an Officer’s Certificate and Opinion of Counsel, each stating that (i) such Business Combination Event (and, if applicable, the related supplemental indenture) complies with **Section 6.01(A)**; and (ii) all conditions precedent to such Business Combination Event provided in this Indenture have been satisfied.

Section 6.02. Successor Corporation Substituted.

At the effective time of any Business Combination Event that complies with **Section 6.01**, the Successor Corporation will succeed to, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such Successor Corporation had been named as the Company in this Indenture and the Notes, and, except in the case of a lease, the predecessor Company will be discharged from its obligations under this Indenture and the Notes.

Section 6.03. Exclusion for Certain Asset Transfers.

Notwithstanding anything to the contrary in this **Article 6**, this **Article 6** will not apply to any transfer of assets between or among the Company and any one or more of its Wholly Owned Subsidiaries that has provided a guarantee of the Company’s obligations in respect of this Indenture and the Notes and that is not effected by merger or consolidation.

Article 7. DEFAULTS AND REMEDIES

Section 7.01. Events of Default.

(A) *Definition of Events of Default.* “**Event of Default**” means the occurrence of any of the following:

- 78 -

(i) a default in the payment when due (whether at maturity, upon Redemption or upon Repurchase Upon Fundamental Change or otherwise) of the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, any Note;

(ii) a default for thirty (30) consecutive days in (x) the payment of interest and/or (y) the issuance of PIK Notes when due on any Note;

(iii) the Company’s failure to deliver, when required by this Indenture, a Fundamental Change Notice, or a notice pursuant to **Section 5.07(C)**, if such failure is not cured within three (3) Business Days after its occurrence;

(iv) a default in the Company’s obligation to convert a Note in accordance with **Article 5** upon the exercise of the conversion right with respect thereto, if such default is not cured within three (3) Business Days after its occurrence;

(v) a default in the Company’s obligations under **Article 6**;

(vi) a default in any of the Company’s obligations or agreements under this Indenture or the Notes (other than a default set forth in **clause (i), (ii), (iii), (iv) or (v)** of this **Section 7.01(A)**) where such default is not cured or waived within sixty (60) days after notice to the Company by the Trustee, or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, which notice must specify such default, demand that it be remedied and state that such notice is a “**Notice of Default**”;

(vii) a default by the Company or any of the Company’s Subsidiaries with respect to any one or more mortgages, agreements or other instruments under which there is outstanding, or by which there is secured or evidenced, any indebtedness for money borrowed (other than Non-Recourse Debt) of at least one million dollars (\$1,000,000) (or its foreign currency equivalent) in the aggregate of the Company or any of the Company’s Subsidiaries, whether such indebtedness exists as of the Issue Date or is thereafter created, where such default:

(1) constitutes a failure to pay the principal of or interest on such indebtedness when due and payable at its stated maturity or payment date, as applicable, upon required repurchase, upon declaration of acceleration or otherwise, in each case after the expiration of any applicable grace period; or

(2) results in such indebtedness becoming or being declared due and payable before its stated maturity,

(3) in each case where such default is not cured or waived within thirty (30) days after notice to the Company by the Trustee or to the Company and the Trustee by Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding;

(viii) the Company or any of its Significant Subsidiaries, pursuant to or within the meaning of any Bankruptcy Law, either:

- 79 -

- (1) commences a voluntary case or proceeding seeking liquidation, reorganization or other relief with respect to the Company or any such Significant Subsidiary;
 - (2) consents to the entry of an order for any such relief under clause (1) above against it in an involuntary case or proceeding;
 - (3) consents to the appointment of a custodian of it or for any substantial part of its property in such case or proceeding described under clause (1) or clause (2) above;
 - (4) makes a general assignment for the benefit of its creditors;
 - (5) takes any comparable action to clauses (1) to (4) above under any applicable foreign Bankruptcy Law; or
 - (6) generally is not paying its debts as they become due; or
- (ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that either:
- (1) is for relief against the Company or any of its Significant Subsidiaries in an involuntary case or proceeding seeking liquidation, reorganization or other relief with respect to the Company or any such Significant Subsidiary;
 - (2) appoints a custodian of the Company or any of its Significant Subsidiaries, or for any substantial part of the property of the Company or any of its Significant Subsidiaries;
 - (3) orders the winding up or liquidation of the Company or any of its Significant Subsidiaries; or
 - (4) grants any similar relief under any foreign Bankruptcy Law,

and, in each case under this **Section 7.01(A)(ix)**, such order or decree remains unstayed and in effect for at least sixty (60) days.

(B) *Cause Irrelevant.* Each of the events set forth in **Section 7.01(A)** will constitute an Event of Default regardless of the cause thereof or whether voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 7.02. Acceleration.

(A) *Automatic Acceleration in Certain Circumstances.* If an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** occurs with respect to the Company (and not solely with respect to a Significant Subsidiary of the Company), then the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding will immediately become due and payable without any further action or notice by any Person.

- 80 -

(B) *Optional Acceleration.* Subject to **Section 7.03**, if an Event of Default (other than an Event of Default set forth in **Section 7.01(A)(viii)** or **7.01(A)(ix)** with respect to the Company and not solely with respect to a Significant Subsidiary of the Company) occurs and is continuing, then the Trustee, by notice to the Company, or Holders of at least twenty five percent (25%) of the aggregate principal amount of Notes then outstanding, by notice to the Company and the Trustee, may declare the principal amount of, and all accrued and unpaid interest on, all of the Notes then outstanding to become due and payable immediately.

(C) *Rescission of Acceleration.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Holders of a majority in aggregate principal amount of the Notes then outstanding, by notice to the Company and the Trustee, may, on behalf of all Holders, rescind any acceleration of the Notes and its consequences if (i) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction; and (ii) all existing Events of Default (except the non-payment of principal of, or interest on, the Notes that has become due solely because of such acceleration) have been cured or waived. No such rescission will affect any subsequent Default or impair any right consequent thereto.

Section 7.03. Sole Remedy for a Failure to Report.

(A) *Generally.* Notwithstanding anything to the contrary in this Indenture or the Notes, the Company may elect that the sole remedy for any Event of Default (a "Reporting Event of Default") pursuant to **Section 7.01(A)(vi)** arising from the Company's failure to comply with **Section 3.02** will, for each of the first one hundred and eighty (180) calendar days on which a Reporting Event of Default has occurred and is continuing, consist exclusively of the accrual of Special Interest on the Notes. If the Company has made such an election, then (i) the Notes will be subject to acceleration pursuant to **Section 7.02** on account of the relevant Reporting Event of Default from, and including, the one hundred and eighty first (181st) calendar day on which a Reporting Event of Default has occurred and is continuing or if the Company fails to pay any accrued and unpaid Special Interest when due; and (ii) Special Interest will cease to accrue on any Notes from, and including, such one hundred and eighty first (181st) calendar day (it being understood that interest on any defaulted Special Interest will nonetheless accrue pursuant to **Section 2.05(B)**).

(B) *Amount and Payment of Special Interest.* Any Special Interest that accrues on a Note pursuant to **Section 7.03(A)** will be payable on the same dates and in the same manner as the PIK Interest on such Note and will accrue at a rate per annum equal to one half of one percent (0.50%) of the principal amount thereof; *provided, however*, that in no event will Special Interest payable at the Company's election for its failure to comply with its reporting obligations as set forth in **Section 3.02(A)**, together with any Additional Interest that may accrue as a result of the Company's failure to timely file any document or report that it is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act, as applicable (other than reports on Form 8-K) pursuant to **Section 3.04(A)**, accrue on any day on a Note at a combined rate per quarter that exceeds one percent (1.00%). For the avoidance of doubt, any Special Interest that accrues on a Note will be in addition to the Stated Interest that accrues on such Note and, subject to the proviso of the immediately preceding sentence, in addition to any Additional Interest that accrues on such Note.

- 81 -

(C) *Notice of Election.* To make the election set forth in **Section 7.03(A)**, the Company must send to the Holders and the Trustee before the date on which each Reporting Event of Default first occurs, a notice that (i) briefly describes the report(s) that the Company failed to file with the SEC; (ii) states that the Company is electing that the sole remedy for such Reporting Event of Default consist of the accrual of Special Interest; and (iii) briefly describes the periods during which and rate at which Special Interest will accrue and the circumstances under which the Notes will be subject to acceleration on account of such Reporting Event of Default.

(D) *Notice to Trustee and Paying Agent; Trustee's Disclaimer.* If Special Interest accrues on any Note, then, no later than five (5) Business Days before each date on which such Special Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Special Interest on such Note on such date of payment; and (ii) the amount of such Special Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Special Interest is payable or the amount thereof.

(E) *No Effect on Other Events of Default.* No election pursuant to this **Section 7.03** with respect to a Reporting Event of Default will affect the rights of any Holder with respect to any other Event of Default, including with respect to any other Reporting Event of Default.

Section 7.04. Other Remedies.

(A) *Trustee May Pursue All Remedies.* If an Event of Default occurs and is continuing, then the Trustee may pursue any available remedy to collect the payment of any amounts due with respect to the Notes or to enforce the performance of any provision of this Indenture or the Notes.

(B) *Procedural Matters.* The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in such proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy following an Event of Default will not impair the right or remedy or constitute a waiver of, or acquiescence in, such Event of Default. All remedies will be cumulative to the extent permitted by law.

Section 7.05. Waiver of Past Defaults.

An Event of Default pursuant to **clause (i), (ii), (iv) or (vi) of Section 7.01(A)** (that, in the case of **clause (vi)** only, results from a Default under any covenant that cannot be amended without the consent of each affected Holder), and a Default that could lead to such an Event of Default, can be waived only with the consent of each affected Holder. Each other Default or Event of Default may be waived, on behalf of all Holders, by the Holders of a majority in aggregate principal amount of the Notes then outstanding. If an Event of Default is so waived, then it will cease to exist. If a Default is so waived, then it will be deemed to be cured and any Event of Default arising therefrom will be deemed not to occur. However, no such waiver will extend to any subsequent or other Default or Event of Default or impair any right arising therefrom.

- 82 -

Section 7.06. Control by Majority.

Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law, this Indenture or the Notes, or that, subject to **Section 10.01**, the Trustee determines may be unduly prejudicial to the rights of other Holders or may involve the Trustee in liability, unless the Trustee is offered security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such direction.

Section 7.07. Limitation on Suits.

No Holder may pursue any remedy with respect to this Indenture or the Notes (except to enforce (x) its rights to receive the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, or interest on, any Notes; or (y) the Company's obligations to convert any Notes pursuant to **Article 5**), unless:

- (A) such Holder has previously delivered to the Trustee notice that an Event of Default is continuing;
- (B) Holders of at least twenty five percent (25%) in aggregate principal amount of the Notes then outstanding deliver a written request to the Trustee to pursue such remedy;
- (C) such Holder or Holders offer and, if requested, provide to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense to the Trustee that may result from the Trustee's following such request;
- (D) the Trustee does not comply with such request within sixty (60) calendar days after its receipt of such request and such offer of security or indemnity; and
- (E) during such sixty (60) calendar day period, Holders of a majority in aggregate principal amount of the Notes then outstanding do not deliver to the Trustee a direction that is inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder. The Trustee will have no duty to determine whether any Holder's use of this Indenture complies with the preceding sentence.

Section 7.08. Absolute Right of Holders to Institute Suit for the Enforcement of the Right to Receive Payment and Conversion Consideration.

Notwithstanding anything to the contrary in this Indenture or the Notes (but without limiting **Section 8.01**), the right of each Holder of a Note to bring suit for the enforcement of any payment or delivery, as applicable, of the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, or any interest on, or the Conversion Consideration due pursuant to **Article 5** upon conversion of, such Note on or after the respective due dates therefor provided in this Indenture and the Notes, will not be impaired or affected without the consent of such Holder.

- 83 -

Section 7.09. Collection Suit by Trustee.

The Trustee will have the right, upon the occurrence and continuance of an Event of Default pursuant to **clause (i), (ii) or (iv) of Section 7.01(A)**, to recover judgment in its own name and as trustee of an express trust against the Company for the total unpaid or undelivered principal of, or Redemption Price or Fundamental Change Repurchase

Price for, or interest on, or Conversion Consideration due pursuant to **Article 5** upon conversion of, the Notes, as applicable, and, to the extent lawful, any Default Interest on any Defaulted Amounts, and such further amounts sufficient to cover the costs and expenses of collection, including compensation provided for in **Section 10.06**.

Section 7.10. Trustee May File Proofs of Claim.

The Trustee has the right to (A) file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes) or its creditors or property and (B) collect, receive and distribute any money or other property payable or deliverable on any such claims. Each Holder authorizes any custodian in such proceeding to make such payments to the Trustee, and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to the Trustee for the reasonable compensation, expenses, disbursements and advances of the Trustee, and its agents and counsel, and any other amounts payable to the Trustee pursuant to **Section 10.06**. To the extent that the payment of any such compensation, expenses, disbursements, advances and other amounts out of the estate in such proceeding, is denied for any reason, payment of the same will be secured by a lien (senior to the rights of Holders) on, and will be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding (whether in liquidation or under any plan of reorganization or arrangement or otherwise). Nothing in this Indenture will be deemed to authorize the Trustee to authorize, consent to, accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 7.11. Priorities.

The Trustee will pay or deliver in the following order any money or other property that it collects pursuant to this **Article 7**:

First: to the Trustee and its agents and attorneys for amounts due under **Section 10.06**, including payment of all fees, compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders for unpaid amounts or other property due on the Notes, including the principal of, or the Redemption Price or Fundamental Change Repurchase Price for, or any interest on, or any Conversion Consideration due upon conversion of, the Notes, ratably, and without preference or priority of any kind, according to such amounts or other property due and payable on all of the Notes; and

Third: to the Company or such other Person as a court of competent jurisdiction directs.

The Trustee may fix a record date and payment date for any payment or delivery to the Holders pursuant to this **Section 7.11**, in which case the Trustee will instruct the Company to, and the Company will, deliver, at least fifteen (15) calendar days before such record date, to each Holder and the Trustee a notice stating such record date, such payment date and the amount of such payment or nature of such delivery, as applicable.

- 84 -

Section 7.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or the Notes or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court, in its discretion, may (A) require the filing by any litigant party in such suit of an undertaking to pay the costs of such suit; and (B) assess reasonable costs (including reasonable attorneys' fees) against any litigant party in such suit, having due regard to the merits and good faith of the claims or defenses made by such litigant party; *provided, however*, that this **Section 7.12** does not apply to any suit by the Trustee, any suit by a Holder pursuant to **Section 7.08** or any suit by one or more Holders of more than ten percent (10%) in aggregate principal amount of the Notes then outstanding.

Article 8. AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 8.01. Without the Consent of Holders.

Notwithstanding anything to the contrary in **Section 8.02**, the Company and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder to:

- (A) cure any ambiguity or correct any omission, defect or inconsistency in this Indenture or the Notes as set forth in an officer's certificate; *provided*, that any such cure and/or correction is not adverse to any Holder;
- (B) add guarantees with respect to the Company's obligations under this Indenture or the Notes;
- (C) secure the Notes;
- (D) add to the Company's covenants or Events of Default for the benefit of the Holders or surrender any right or power conferred on the Company;
- (E) provide for the assumption of the Company's obligations under this Indenture and the Notes pursuant to, and in compliance with, **Article 6**;
- (F) enter into supplemental indentures pursuant to, and in accordance with, **Section 5.09** in connection with a Common Stock Change Event;
- (G) evidence or provide for the acceptance of the appointment, under this Indenture, of a successor Trustee;
- (H) [*reserved*];

- 85 -

- (I) provide for or confirm the issuance of additional Notes pursuant to **Section 2.03(B)**;
- (J) comply with any requirement of the SEC in connection with any qualification of this Indenture or any supplemental indenture under the Trust Indenture Act, as then in effect; or
- (K) make any other change to this Indenture or the Notes that does not, individually or in the aggregate with all other such changes, adversely affect the rights of the Holders, as such, in any respect.

Section 8.02. With the Consent of Holders.

(A) *Generally.* Subject to **Sections 8.01, 7.05 and 7.08** and the immediately following sentence, the Company and the Trustee may, with the consent of all the Holders (in respect of clauses (i), (ii) and (iii) below) and otherwise of Holders of 75% in aggregate principal amount of the Notes then outstanding (excluding any Notes held by the Company or an Affiliate thereof), amend or supplement this Indenture or the Notes or waive compliance with any provision of this Indenture or the Notes. Notwithstanding anything to the contrary in the foregoing sentence, but subject to **Section 8.01**, without the consent of each affected Holder, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may:

- (i) reduce the principal, or change the stated maturity, of any Note;
- (ii) reduce the Redemption Price or Fundamental Change Repurchase Price for any Note or change the times at which, or the circumstances under which, the Notes may or will be redeemed or repurchased by the Company;
- (iii) reduce the rate, or extend the time for the payment, of interest on any Note;
- (iv) make any change that adversely affects the conversion rights of any Note;
- (v) impair the rights of any Holder set forth in **Section 7.08** (as such section is in effect on the Issue Date);
- (vi) (1) subordinate any of the Notes owed to the Holders in right of payment or (2) subordinate any of the Liens securing the Notes owed to the Holders;
- (vii) make any Note payable in money, or at a place of payment, other than that stated in this Indenture or the Note;
- (viii) reduce the amount of Notes whose Holders must consent to any amendment, supplement, waiver or other modification;
- (ix) release all or substantially all of the Collateral under the Collateral Agreements or a release of all or substantially all of the value of the Guarantees (except as expressly permitted by this Indenture); or

- 86 -

- (x) make any direct or indirect change to any amendment, supplement, waiver or modification provision of this Indenture or the Notes that requires the consent of each affected Holder.

For the avoidance of doubt, pursuant to **clauses (i), (ii), (iii) and (iv)** of this **Section 8.02(A)**, no amendment or supplement to this Indenture or the Notes, or waiver of any provision of this Indenture or the Notes, may change the amount or type of consideration due on any Note (whether on an Interest Payment Date, Redemption Date, Fundamental Change Repurchase Date or the Maturity Date or upon conversion, or otherwise), or the date(s) or time(s) such consideration is payable or deliverable, as applicable, without the consent of each affected Holder.

(B) *Holdings Need Not Approve the Particular Form of any Amendment.* A consent of any Holder pursuant to this **Section 8.02** need approve only the substance, and not necessarily the particular form, of the proposed amendment, supplement or waiver.

(C) *Consent Fees.* The Company will not pay or provide, cause to be paid or provided, any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid or provided and is paid or provided (or, in the case of an opportunity, such opportunity is provided) to all Holders that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or amendment. The Company acknowledges that a Holder from which the Company seeks any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes may condition such consent, waiver or amendment on the reimbursement by the Company of reasonable and documented out-of-pocket expenses of the Holder in connection therewith.

Section 8.03. Notice of Amendments, Supplements and Waivers.

As soon as reasonably practicable after any amendment, supplement or waiver pursuant to **Section 8.01** or **8.02** becomes effective, the Company will send to the Holders and the Trustee notice that (A) describes the substance of such amendment, supplement or waiver in reasonable detail and (B) states the effective date thereof; *provided, however*, that the Company will not be required to provide such notice to the Holders if such amendment, supplement or waiver is included in a periodic report filed by the Company with the SEC within four (4) Business Days of its effectiveness. The failure to send, or the existence of any defect in, such notice will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.04. Revocation, Effect and Solicitation of Consents; Special Record Dates; Etc.

(A) *Revocation and Effect of Consents.* The consent of a Holder of a Note to an amendment, supplement or waiver will bind (and constitute the consent of) each subsequent Holder of any Note to the extent the same evidences any portion of the same indebtedness as the consenting Holder's Note, subject to the right of any Holder of a Note to revoke (if not prohibited pursuant to **Section 8.04(B)**) any such consent with respect to such Note by delivering notice of revocation to the Trustee before the time such amendment, supplement or waiver becomes effective.

- 87 -

(B) *Special Record Dates.* The Company may, but is not required to, fix a record date for the purpose of determining the Holders entitled to consent or take any other action in connection with any amendment, supplement or waiver pursuant to this **Article 8**. If a record date is fixed, then, notwithstanding anything to the contrary in **Section 8.04(A)**, only Persons who are Holders as of such record date (or their duly designated proxies) will be entitled to give such consent, to revoke any consent previously given or to take any such action, regardless of whether such Persons continue to be Holders after such record date; *provided, however*, that no such consent will be valid or effective for more than one hundred and twenty (120) calendar days after such record date.

(C) *Solicitation of Consents.* For the avoidance of doubt, each reference in this Indenture or the Notes to the consent of a Holder will be deemed to include any such consent obtained in connection with a repurchase of, or tender or exchange offer for, any Notes.

(D) *Effectiveness and Binding Effect.* Each amendment, supplement or waiver pursuant to this **Article 8** will become effective in accordance with its terms and, when it becomes effective with respect to any Note (or any portion thereof), will thereafter bind every Holder of such Note (or such portion).

Section 8.05. Notations and Exchanges.

If any amendment, supplement or waiver changes the terms of a Note, then the Trustee or the Company may, in its discretion, require the Holder of such Note to deliver such Note to the Trustee so that the Trustee may place an appropriate notation prepared by the Company on such Note and return such Note to such Holder. Alternatively, at its discretion, the Company may, in exchange for such Note, issue, execute and deliver, and the Trustee will authenticate, in each case in accordance with **Section 2.02**, a new Note that reflects the changed terms. The failure to make any appropriate notation or issue a new Note pursuant to this **Section 8.05** will not impair or affect the validity of such amendment, supplement or waiver.

Section 8.06. Trustee to Execute Supplemental Indentures.

The Trustee will execute and deliver any amendment or supplemental indenture authorized pursuant to this **Article 8**; *provided, however*, that the Trustee need not (but may, in its sole and absolute discretion) execute or deliver any such amendment or supplemental indenture that the Trustee concludes adversely affects the Trustee's rights, duties, liabilities or immunities. In executing any amendment or supplemental indenture, the Trustee will be entitled to receive, and (subject to **Sections 10.01** and **10.02**) will be fully protected in relying on, an Officer's Certificate and an Opinion of Counsel stating that (A) the execution and delivery of such amendment or supplemental indenture is authorized or permitted by this Indenture; and (B) in the case of the Opinion of Counsel, such amendment or supplemental indenture is valid, binding and enforceable against the Company in accordance with its terms.

Section 8.07. Determinations by Affiliates of the Company.

Notwithstanding anything to the contrary in this Indenture, for purposes of this Indenture (including, for the avoidance of doubt, **Section 7.02(C)** and this **Article 8**) should any Notes (or beneficial interests therein) be owned by the Company or any of its Affiliates, then any vote, consent or notice participated in or sent by Holders shall exclude, and any determination of the "majority" in aggregate principal amount of the Notes then outstanding shall exclude, the vote, consent or notice relating to each such Person; *provided* that if such Persons own all of the Notes (or beneficial interests therein), then such Persons shall not be excluded from any such vote, consent, notice or determination.

- 88 -

Article 9. SATISFACTION AND DISCHARGE

Section 9.01. Termination of Company's Obligations.

This Indenture will be discharged, and will cease to be of further effect as to all Notes issued under this Indenture, when:

(A) all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**) have (i) been delivered to the Trustee for cancellation; or (ii) become due and payable (whether on a Redemption Date, a Fundamental Change Repurchase Date, the Maturity Date, upon conversion or otherwise) for an amount of cash or Conversion Consideration, as applicable, that has been fixed;

(B) the Company has caused there to be irrevocably deposited with the Trustee, or with the Paying Agent (or, with respect to Conversion Consideration, the Conversion Agent), in each case for the benefit of the Holders, or has otherwise caused there to be delivered to the Holders, cash (or, with respect to Notes to be converted, Conversion Consideration) sufficient to satisfy all amounts or other property due on all Notes then outstanding (other than Notes replaced pursuant to **Section 2.13**);

(C) the Company has paid all other amounts payable by it under this Indenture; and

(D) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the conditions precedent to the discharge of this Indenture have been satisfied;

provided, however, that **Article 10** and **Section 11.01** will survive such discharge and, until no Notes remain outstanding, **Section 2.15** and the obligations of the Trustee, the Paying Agent and the Conversion Agent with respect to money or other property deposited with them will survive such discharge.

At the Company's request, the Trustee will acknowledge the satisfaction and discharge of this Indenture.

Section 9.02. Repayment to Company.

Subject to applicable unclaimed property law, the Trustee, the Paying Agent and the Conversion Agent will promptly notify the Company if there exists (and, at the Company's request, promptly deliver to the Company) any cash, Conversion Consideration or other property held by any of them for payment or delivery on the Notes that remain unclaimed two (2) years after the date on which such payment or delivery was due. After such delivery to the Company, the Trustee, the Paying Agent and the Conversion Agent will have no further liability to any Holder with respect to such cash, Conversion Consideration or other property, and Holders entitled to the payment or delivery of such cash, Conversion Consideration or other property must look to the Company for payment as a general creditor of the Company.

- 89 -

Section 9.03. Reinstatement.

If the Trustee, the Paying Agent or the Conversion Agent is unable to apply any cash or other property deposited with it pursuant to **Section 9.01** because of any legal proceeding or any order or judgment of any court or other governmental authority that enjoins, restrains or otherwise prohibits such application, then the discharge of this Indenture pursuant to **Section 9.01** will be rescinded; *provided, however*, that if the Company thereafter pays or delivers any cash or other property due on the Notes to the Holders thereof, then the Company will be subrogated to the rights of such Holders to receive such cash or other property from the cash or other property, if any, held by the Trustee, the Paying Agent or the Conversion Agent, as applicable.

Article 10. TRUSTEE

Section 10.01. Duties of the Trustee.

(A) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(B) Except during the continuance of an Event of Default:

(i) the duties of the Trustee will be determined solely by the express provisions of this Indenture, and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officer's Certificates or Opinions of Counsel that are provided to the Trustee and conform to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture.

(C) The Trustee may not be relieved from liabilities for its negligence, bad faith or willful misconduct, except that:

(i) this paragraph will not limit the effect of **Section 10.01(B)**;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to **Section 7.06**.

- 90 -

(D) Each provision of this Indenture that in any way relates to the Trustee is subject to **clauses (A), (B) and (C)** of this **Section 10.01**, regardless of whether such provision so expressly provides.

(E) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability.

(F) The Trustee will not be liable for interest on any money received by it, except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds, except to the extent required by law.

(G) Whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee will be subject to the provisions of this **Section 10.01**.

(H) The permissive rights of the Trustee enumerated herein will not be construed as duties.

(I) The Trustee will not be required to give any bond or surety in respect of the execution of this Indenture or otherwise.

(J) Unless a Responsible Officer of the Trustee has received notice from the Company that Additional Interest is owing on the Notes or that the Company has elected to pay Special Interest on the Notes, the Trustee may assume no Additional Interest or Special Interest, as applicable, is payable.

(K) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and will be enforceable by, the Trustee in each of its capacities under this Indenture, including as Note Agent.

(L) The Trustee will not be charged with knowledge of any document or agreement other than this Indenture and the Notes.

Section 10.02. Rights of the Trustee.

(A) The Trustee may conclusively rely on any document that it believes to be genuine and signed or presented by the proper Person, and the Trustee need not investigate any fact or matter stated in such document.

(B) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate, an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel; and the written advice of such counsel, or any Opinion of Counsel, will constitute full and complete authorization of the Trustee to take or omit to take any action in good faith in reliance thereon without liability.

- 91 -

(C) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any such agent appointed with due care.

(D) The Trustee will not be liable for any action it takes or omits to take in good faith and that it believes to be authorized or within the rights or powers vested in it by this Indenture.

(E) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(F) The Trustee need not exercise any rights or powers vested in it by this Indenture at the request or direction of any Holder unless such Holder has offered the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense that it may incur in complying with such request or direction.

(G) The Trustee will not be responsible or liable for any punitive, special, indirect or consequential loss or damage (including lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 10.03. Individual Rights of the Trustee.

The Trustee, in its individual or any other capacity, may become the owner or pledgee of any Note and may otherwise deal with the Company or any of its Affiliates with the same rights that it would have if it were not Trustee; *provided, however*, that if the Trustee acquires a "conflicting interest" (within the meaning of Section 310(b) of the Trust Indenture Act), then it must eliminate such conflict within ninety (90) days or resign as Trustee. Each Note Agent will have the same rights and duties as the Trustee under this **Section 10.03**.

Section 10.04. Trustee's Disclaimer.

The Trustee will not be (A) responsible for, and makes no representation as to, the validity or adequacy of this Indenture or the Notes; (B) accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture; (C) responsible for the use or application of any money received by any Paying Agent other than the Trustee; and (D) responsible for any statement or recital in this Indenture, the Notes or any other document relating to the sale of the Notes or this Indenture, other than the Trustee's certificate of authentication.

Section 10.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and is known to a Responsible Officer of the Trustee, then the Trustee will send Holders a notice of such Default or Event of Default within ninety (90) days after it occurs or, if it is not known to the Trustee at such time, promptly (and in any event within ten (10) Business Days) after it becomes known to a Responsible Officer thereof; *provided, however*, that, except in the case of a Default or Event of Default in the payment of the principal of, or interest on, any Note, or a default in the payment or delivery of the Conversion Consideration due upon conversion, the Trustee may withhold such notice if and for so long as it in good faith determines that withholding such notice is in the interests of the Holders. The Trustee will not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice thereof has been received by a Responsible Officer thereof, and such notice references the Notes and this Indenture and states on its face that a Default or Event of Default has occurred.

- 92 -

Section 10.06. Compensation and Indemnity.

(A) The Company will, from time to time, pay the Trustee reasonable compensation for its acceptance of this Indenture and services under this Indenture, as separately agreed by the Company and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. In addition to the compensation for the Trustee's services, the Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(B) The Company will indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company (including this **Section 10.06**) and defending itself against any claim (whether asserted by the Company, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties under this Indenture, except to the extent any such loss, liability or expense is attributable to its negligence, bad faith or willful misconduct, as determined by a final decision of a court of competent jurisdiction. The Trustee will promptly notify the Company of any claim for which it may seek indemnity, but the Trustee's failure to so notify the Company will not relieve the Company of its obligations under this **Section 10.06(B)**, except to the extent the Company is materially prejudiced by such failure. The Company will defend such claim, and the Trustee will cooperate in such defense. If the Trustee is advised by counsel that it may have defenses available to it that are in conflict with the defenses available to the Company, or that there is an actual or potential conflict of interest, then the Trustee may retain separate counsel, and the Company will pay the reasonable fees and expenses of such counsel (including the reasonable fees and expenses of counsel to the Trustee incurred in evaluating whether such a conflict exists). The Company need not pay for any settlement of any such claim made without its consent, which consent will not be unreasonably withheld.

(C) The obligations of the Company under this **Section 10.06** will survive the resignation or removal of the Trustee and the discharge of this Indenture.

(D) To secure the Company's payment obligations in this **Section 10.06**, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, or interest on, particular Notes, which lien will survive the discharge of this Indenture.

(E) If the Trustee incurs expenses or renders services after an Event of Default pursuant to **clause (viii) or (ix) of Section 7.01(A)** occurs, then such expenses and the compensation for such services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

- 93 -

Section 10.07. Replacement of the Trustee.

(A) Notwithstanding anything to the contrary in this **Section 10.07**, a resignation or removal of the Trustee, and the appointment of a successor Trustee, will become effective only upon such successor Trustee's acceptance of appointment as provided in this **Section 10.07**.

(B) The Trustee may resign at any time and be discharged from the trust created by this Indenture by so notifying the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (i) the Trustee fails to comply with **Section 10.09**;
- (ii) the Trustee is adjudged to be bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (iii) a custodian or public officer takes charge of the Trustee or its property; or
- (iv) the Trustee becomes incapable of acting.

(C) If the Trustee resigns or is removed, or if a vacancy exists in the office of the Trustee for any reason, then (i) the Company will promptly appoint a successor Trustee; and (ii) at any time within one (1) year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the Notes then outstanding may appoint a successor Trustee to replace such successor Trustee appointed by the Company.

(D) If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, then the retiring Trustee, the Company or the Holders of at least ten percent (10%) in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(E) If the Trustee, after written request by a Holder of at least six (6) months, fails to comply with **Section 10.09**, then such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(F) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company, upon which notice the resignation or removal of the retiring Trustee will become effective and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will send notice of its succession to Holders. The retiring Trustee will, upon payment of all amounts due to it under this Indenture, promptly transfer all property held by

it as Trustee to the successor Trustee, which property will, for the avoidance of doubt, be subject to the lien provided for in **Section 10.06(D)**.

Section 10.08. Successor Trustee by Merger, Etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, then such corporation will become the successor Trustee without any further act.

- 94 -

Section 10.09. Eligibility; Disqualification.

There will at all times be a Trustee under this Indenture that is a corporation organized and doing business under the laws of the United States of America or of any state thereof, that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

Article 11. MISCELLANEOUS

Section 11.01. Notices.

Any notice or communication by the Company or the Trustee to the other will be deemed to have been duly given if in writing and delivered in person or by first class mail (registered or certified, return receipt requested), facsimile transmission, electronic transmission or other similar means of unsecured electronic communication or overnight air courier guaranteeing next day delivery, or to the other's address, which initially is as follows:

If to the Company:

Marti Technologies Inc.
Maslak Noramin Is Merkezi
Buyukdere Caddesi No 237
Maslak/Istanbul, Turkey
Attention: Alper Öktem, CEO
Email: Alper@marti.tech

If to the Trustee:

[Trustee]
[·]

The Company or the Trustee, by notice to the other, may designate additional or different addresses (including facsimile numbers and electronic addresses) for subsequent notices or communications.

All notices and communications (other than those sent to Holders) will be deemed to have been duly given: (A) at the time delivered by hand, if personally delivered; (B) five (5) Business Days after being deposited in the mail, postage prepaid, if mailed; (C) when receipt acknowledged, if transmitted by facsimile, electronic transmission or other similar means of unsecured electronic communication; and (D) the next Business Day after timely delivery to the courier, if sent by overnight air courier guaranteeing next day delivery.

The Trustee shall not have any duty to confirm that the person sending any notice, instruction or other communication by electronic transmission (including by e-mail, facsimile transmission, web portal or other electronic methods) is, in fact, a person authorized to do so. Electronic signatures believed by the Trustee to comply with the ESIGN Act of 2000 or other applicable law (including electronic images of handwritten signatures and digital signatures provided by DocuSign, Orbit, Adobe Sign or any other digital signature provider acceptable to the Trustee) shall be deemed original signatures for all purposes. Each other party assumes all risks arising out of the use of electronic signatures and electronic methods to send communications to the Trustee, including without limitation the risk of the Trustee acting on an unauthorized communication, and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Trustee may in any instance and in its sole discretion require that an original document bearing a manual signature the Trustee in lieu of, or in addition to, any such electronic communication.

- 95 -

All notices or communications required to be made to a Holder pursuant to this Indenture must be made in writing and will be deemed to be duly sent or given in writing if mailed by first class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery, to its address shown on the Register; *provided, however*, that a notice or communication to a Holder of a Global Note shall instead be sent pursuant to the Depositary Procedures (in which case, such notice will be deemed to be duly sent or given in writing). The failure to send a notice or communication to a Holder, or any defect in such notice or communication, will not affect its sufficiency with respect to any other Holder.

If the Trustee is then acting as the Depositary's custodian for the Notes, then, at the reasonable request of the Company to the Trustee, the Trustee will cause any notice prepared by the Company to be sent to any Holder(s) pursuant to the Depositary Procedures, *provided* such request is evidenced in a Company Order delivered, together with the text of such notice, to the Trustee at least two (2) Business Days before the date such notice is to be so sent. For the avoidance of doubt, such Company Order need not be accompanied by an Officer's Certificate or Opinion of Counsel. The Trustee will not have any liability relating to the contents of any notice that it sends to any Holder pursuant to any such Company Order.

If a notice or communication is mailed or sent in the manner provided above within the time prescribed, it will be deemed to have been duly given, whether or not the addressee receives it.

Notwithstanding anything to the contrary in this Indenture or the Notes, (A) whenever any provision of this Indenture requires a party to send notice to another party, no such notice need be sent if the sending party and the recipient are the same Person acting in different capacities; and (B) whenever any provision of this Indenture requires a party to send notice to more than one receiving party, and each receiving party is the same Person acting in different capacities, then only one such notice need be sent to such Person.

Section 11.02. Delivery of Officer's Certificate and Opinion of Counsel as to Conditions Precedent.

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than the initial authentication of Notes under this Indenture), the Company will furnish to the Trustee:

(A) an Officer's Certificate in form and substance reasonably satisfactory to the Trustee that complies with **Section 11.03** and states that, in the opinion of the signatory thereto, all conditions precedent and covenants, if any, provided for in this Indenture relating to such action have been satisfied; and

- 96 -

(B) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee that complies with **Section 11.03** and states that, in the opinion of such counsel, all such conditions precedent and covenants, if any, have been satisfied.

Section 11.03. Statements Required in Officer's Certificate and Opinion of Counsel.

Each Officer's Certificate (other than an Officer's Certificate pursuant to **Section 3.05**) or Opinion of Counsel with respect to compliance with a covenant or condition provided for in this Indenture will include:

(A) a statement that the signatory thereto has read such covenant or condition;

(B) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained therein are based;

(C) a statement that, in the opinion of such signatory, he, she or it has made such examination or investigation as is necessary to enable him, her or it to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(D) a statement as to whether, in the opinion of such signatory, such covenant or condition has been satisfied.

Section 11.04. Rules by the Trustee, the Registrar, the Paying Agent and Conversion Agent.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar, Paying Agent or Conversion Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.05. No Personal Liability of Directors, Officers, Employees and Stockholders.

No past, present or future director, officer, employee, incorporator or stockholder of the Company, as such, will have any liability for any obligations of the Company under this Indenture or the Notes or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting any Note, each Holder waives and releases all such liability. Such waiver and release are part of the consideration for the issuance of the Notes.

Section 11.06. Governing Law; Waiver of Jury Trial.

THIS INDENTURE AND THE NOTES, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE OR THE NOTES, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH OF THE COMPANY AND THE TRUSTEE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED BY THIS INDENTURE OR THE NOTES.

- 97 -

Section 11.07. Submission to Jurisdiction.

Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the "Specified Courts"), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party's address set forth in **Section 11.01** will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

Section 11.08. No Adverse Interpretation of Other Agreements.

Neither this Indenture nor the Notes may be used to interpret any other indenture, note, loan or debt agreement of the Company or its Subsidiaries or of any other Person, and no such indenture, note, loan or debt agreement may be used to interpret this Indenture or the Notes.

Section 11.09. Successors.

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 11.10. Force Majeure.

The Trustee and each Note Agent will not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility under this Indenture or the Notes by reason of any occurrence beyond its control (including any act or provision of any present or future law or regulation or governmental authority, act of God or war, civil unrest, local or national disturbance or disaster, act of terrorism or unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

Section 11.11. U.S.A. PATRIOT Act.

The Company acknowledges that, in accordance with Section 326 of the U.S.A. PATRIOT Act, the Trustee, like all financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The Company agrees to provide the Trustee with such information as it may request to enable the Trustee to comply with the U.S.A. PATRIOT Act.

The Company will provide a schedule of its calculations to the Trustee and the Conversion Agent, and each of the Trustee and the Conversion Agent may rely conclusively on the accuracy of the Company's calculations without independent verification. The Trustee will promptly forward a copy of each such schedule to a Holder upon its written request therefor, at the cost and expense of the Company.

Section 11.13. Severability.

If any provision of this Indenture or the Notes is invalid, illegal or unenforceable, then the validity, legality and enforceability of the remaining provisions of this Indenture or the Notes will not in any way be affected or impaired thereby.

Except as could not reasonably be expected to have a material adverse effect, (i) none of the Trade Secrets of such Grantor has been used, divulged, disclosed or misappropriated to the detriment of such Grantor for the benefit of any other Person, (ii) no employee, independent contractor or agent of such Grantor has misappropriated any trade secrets of any other Person in the course of the performance of his or her duties as an employee, independent contractor or agent of such Grantor and (iii) no employee, independent contractor or agent of such Grantor is in default or breach of any term of any employment agreement, non-disclosure agreement, assignment of inventions agreement or similar agreement or contract relating in any way to the protection, ownership, development, use or transfer of such Grantor's Intellectual Property.

SECTION 4. COVENANTS

Each Grantor covenants and agrees with the Secured Parties that, from and after the date of this Agreement until the Discharge of the Secured Obligations:

4.1 Covenants in Indenture. Each Grantor shall take, or shall refrain from taking, as the case may be, each action that is necessary to be taken or not taken, as the case may be, so that no default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Grantor or any of its Subsidiaries.

4.2 Delivery and Control of Investment Property. (a) If any of the Collateral is or shall become evidenced or represented by any Certificated Security, such Certificated Security shall be immediately delivered to the Trustee, duly endorsed in a manner satisfactory to the Trustee, to be held as Collateral pursuant to this Agreement.

(b) If any of the Collateral is or shall become evidenced or represented by an Uncertificated Security, such Grantor shall cause the Issuer thereof either (i) to register the Trustee as the registered owner of such Uncertificated Security, upon original issue or registration of transfer or (ii) to agree in writing with such Grantor and the Trustee that such Issuer will comply with instructions with respect to such Uncertificated Security originated by the Trustee without further consent of such Grantor, such agreement to be in substantially the form of Exhibit B or in form and substance reasonably satisfactory to the Trustee.

13

(c) Each Grantor shall maintain Securities Entitlements and Securities Accounts only with financial institutions that have agreed to comply with entitlement orders and instructions issued or originated by the Trustee without further consent of such Grantor, such agreement to be in form and substance reasonably satisfactory to the Trustee.

(d) If any of the Collateral with a value in excess of \$5,000,000 is or shall become evidenced or represented by a Commodity Contract, such Grantor shall cause the Commodity Intermediary with respect to such Commodity Contract to agree in writing with such Grantor and the Trustee that such Commodity Intermediary will apply any value distributed on account of such Commodity Contract as directed by the Trustee without further consent of such Grantor, such agreement to be in form and substance reasonably satisfactory to the Trustee.

(e) In addition to and not in lieu of the foregoing, if any Issuer of any Investment Property is organized under the law of, or has its chief executive office in, a jurisdiction outside of the United States, each Grantor shall take such additional actions, including, without limitation, causing the issuer to register the pledge on its books and records, as may be necessary or advisable or as may be reasonably requested by the Trustee, under the laws of such jurisdiction to insure the validity, perfection and first priority nature of the security interest of the Trustee.

4.3 Maintenance of Insurance. (a) Such Grantor shall maintain, with financially sound and reputable insurance companies, insurance on all its property in at least such amounts and against at least such risks as are usually insured against in the same general area by companies engaged in the same or a similar business, and shall furnish to the Trustee, upon written request, full information as to the insurance carried.

(b) Such Grantor shall deliver to the Trustee on behalf of the Secured Parties, (i) on the date hereof, a certificate dated such date showing the amount and types of insurance coverage as of such date, (ii) upon request of any Secured Party from time to time, full information as to the insurance carried, (iii) promptly following receipt of notice from any insurer, a copy of any notice of cancellation or material change in coverage from that existing on the date hereof, (iv) forthwith, notice of any cancellation or nonrenewal of coverage by such Grantor, and (v) promptly after such information is available to such Grantor, full information as to any claim for an amount in excess of \$5,000,000 with respect to any property and casualty insurance policy maintained by such Grantor. The Trustee shall be named as additional insured on all such liability insurance policies of such Grantor and the Trustee shall be named as loss payee on all property and casualty insurance policies of such Grantor.

4.4 Maintenance of Perfected Security Interest; Further Documentation. (a) Such Grantor shall maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 3.3 and shall defend such security interest against the claims and demands of all Persons whomsoever.

14

(b) Such Grantor shall furnish to the Trustee from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the assets and property of such Grantor as the Trustee may reasonably request, all in reasonable detail.

(c) At any time and from time to time, upon the written request of the Trustee, and at the sole expense of such Grantor, such Grantor shall promptly and duly authorize, execute and deliver, and have recorded, such further instruments and documents and take such further actions as the Trustee may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, (i) the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Investment Property and any other relevant Collateral, taking any actions necessary to enable the Trustee to obtain "control" (within the meaning of the applicable Uniform Commercial Code) with respect thereto to the extent required hereunder, including without limitation, executing and delivering and causing the relevant securities intermediary to execute and deliver a control agreement in form and substance reasonably satisfactory to the Trustee.

4.5 Changes in Locations, Name, Jurisdiction of Incorporation, Etc. Such Grantor will not, except upon fifteen (15) days' prior written notice to the Trustee and delivery to the Trustee of duly authorized and, where required, executed copies of all additional financing statements and other documents reasonably requested by the Trustee to maintain the validity, perfection and priority of the security interests provided for herein and:

(i) without limiting the prohibitions on mergers involving the Grantors contained in the Indenture, change its legal name, jurisdiction of organization or the location of its chief executive office or sole place of business, if applicable, from that referred to in Section 3.4; or

(i i) change its legal name, identity or structure to such an extent that any financing statement filed by the Trustee in connection with this Agreement would become misleading.

4.6 Notices. Such Grantor will advise the Trustee promptly, in reasonable detail, of:

(a) any Lien (other than any Permitted Lien) on any of the Collateral which would adversely affect the ability of the Trustee to exercise any of its remedies hereunder; and

(b) the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the security interests created hereby.

15

4.7 Investment Property. (a) If such Grantor shall become entitled to receive or shall receive any stock or other ownership certificate (including, without limitation, any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), or option or rights in respect of the capital stock or other Pledged Equity Interest of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Equity Interests, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same forthwith to the Trustee in the exact form received, duly endorsed by such Grantor to the Trustee, if required, together with an undated stock power covering such certificate duly executed in blank by such Grantor and with, if the Trustee so requests, signature guaranteed, to be held by the Trustee, subject to the terms hereof, as additional collateral security for the Secured Obligations. If an Event of Default shall have occurred and be continuing, any sums paid upon or in respect of the Pledged Equity Interests upon the liquidation or dissolution of any Issuer shall be paid over to the Trustee to be held by it hereunder as additional collateral security for the Secured Obligations, and in case any distribution of capital shall be made on or in respect of the Pledged Equity Interests or any property shall be distributed upon or with respect to the Pledged Equity Interests pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof, the property so distributed shall, unless otherwise subject to a perfected security interest in favor of the Trustee, be delivered to the Trustee to be held by it hereunder as additional collateral security for the Secured Obligations. If an Event of Default shall have occurred and be continuing and any sums of money or property so paid or distributed in respect of the Pledged Equity Interests shall be received by such Grantor, such Grantor shall, until such money or property is paid or

delivered to the Trustee, hold such money or property in trust for the Secured Parties, segregated from other funds of such Grantor, as additional collateral security for the Secured Obligations.

(b) Without the prior written consent of the Trustee, such Grantor will not (i) vote to enable, or take any other action to permit, any Issuer to amend its organizational documents in any manner that materially changes the rights of such Grantor with respect to any Pledged Equity Interests or adversely affects the validity, perfection or priority of the Trustee's security interest therein, (ii) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Trustee to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein or (iii) cause or permit any Equity Issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Partnership Interests or Pledged LLC Interests to be treated as securities for purposes of the UCC.

(c) Each Grantor which is an Equity Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Equity Interests issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Trustee promptly in writing of the occurrence of any of the events described in Section 4.7(a) with respect to the Pledged Equity Interests issued by it and (iii) the terms of Sections 4.8(c) shall apply to it mutatis mutandis, with respect to all actions that may be required of it pursuant to Section 4.8(c) with respect to the Pledged Equity Interests issued by it. In addition, each Grantor which is either an Equity Issuer or an owner of any Pledged Equity Interests hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Trustee and to the transfer of any Pledged Equity Interest to the Trustee or its nominee following an Event of Default and to the substitution of the Trustee or its nominee as a partner, member or shareholder or other equity holder of the Equity Issuer of the related Pledged Equity Interest.

16

4.8 Voting and Other Rights with Respect to Pledged Securities. (a) Unless an Event of Default shall have occurred and be continuing, each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Equity Interests and all payments made in respect of the Pledged Notes or Pledged Debt Securities, in each case paid in the normal course of business of the relevant Issuer, to the extent permitted by the Indenture, and to exercise all voting and corporate rights with respect to the Pledged Equity Interests; provided, however, that no vote shall be cast or corporate or other ownership right exercised or other action taken which, in the Trustee's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Indenture, this Agreement or any other Note Document.

(b) If an Event of Default shall occur and be continuing: (i) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights with respect to Pledged Securities which it would otherwise be entitled to exercise shall cease and all such rights shall thereupon become vested in the Trustee who shall thereupon have the sole right, but shall be under no obligation, to exercise or refrain from exercising such voting and other consensual rights and (ii) the Trustee shall have the right, without notice to any Grantor, to transfer all or any portion of the Pledged Securities to its name or the name of its nominee or agent. In addition, the Trustee shall have the right at any time, without notice to any Grantor, to exchange any certificates or instruments representing any Pledged Securities for certificates or instruments of smaller or larger denominations. In order to permit the Trustee to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions which it may be entitled to receive hereunder each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Trustee all proxies, dividend payment orders and other instruments as the Trustee may from time to time reasonably request and each Grantor acknowledges that the Trustee may utilize the power of attorney set forth herein.

(c) Each Grantor hereby authorizes and instructs each Equity Issuer of any Pledged Securities pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Trustee in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Equity Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends or other payments with respect to the Pledged Securities directly to the Trustee.

4.9 [Reserved].

4.10 Intellectual Property. (a) Such Grantor (either itself or through licensees) will not, without the prior written consent of the Trustee, discontinue use of any Material Intellectual Property, or do any act or omit to do any act whereby any Material Intellectual Property may lapse, become abandoned, cancelled, dedicated to the public, forfeited, or otherwise impaired, or abandon any application or any right to file an application for a Copyright, Patent, or Trademark constituting Material Intellectual Property.

(b) Such Grantor shall take all reasonable steps, including in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office, any state registry or any foreign counterpart of the foregoing, to pursue any application and maintain any registration or issuance of each Trademark, Patent, and Copyright owned by or exclusively licensed to such Grantor and constituting Material Intellectual Property, including, but not limited to, those applications and registrations listed on Schedule 5.

17

(c) Such Grantor agrees that, should it hereafter (i) obtain an ownership interest in any item of Intellectual Property, (ii) obtain an exclusive license to any Copyrights, (iii) (either by itself or through any agent, employee, licensee, or designee) file any application for the registration or issuance of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or in any political subdivision of any of the foregoing, or (iv) should it file a Statement of Use or an Amendment to Allege Use with respect to any "intent-to-use" Trademark application (the items in clauses (i), (ii) (iii) and (iv), collectively, the "After-Acquired Intellectual Property"), then the provisions of Section 2 shall automatically apply thereto, and any such After-Acquired Intellectual Property shall automatically become part of the Collateral, and such Grantor shall give prompt (and, in any event within five (5) Business Days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest) written notice thereof to the Trustee in accordance herewith, and shall provide the Trustee promptly (and, in any event within five (5) Business Days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest) with an amended Schedule 5 hereto and promptly take the actions specified in Section 4.10(d) with respect thereto.

(d) Such Grantor shall execute Intellectual Property Security Agreements with respect to the Intellectual Property included in the Collateral as of the date hereof, as well as any After-Acquired Intellectual Property, in substantially the form of Exhibits C-1, C-2 or C-3, as applicable, in order to record the security interest granted herein to the Trustee for the benefit of the Secured Parties with the United States Patent and Trademark Office or the United States Copyright Office, as applicable, and such Grantor shall promptly execute and deliver, and have recorded, any and all other agreements, instruments, documents, and papers as the Trustee may reasonably request to evidence the Secured Parties' security interest in any such Intellectual Property with any other applicable offices, agencies, or governmental authorities.

(e) Such Grantor shall take all steps reasonably necessary to protect the secrecy of all Trade Secrets constituting Material Intellectual Property, including, without limitation, entering into confidentiality agreements with employees and consultants and labeling and restricting access to secret information and documents.

SECTION 5. REMEDIAL PROVISIONS

5.1 [Reserved].

5.2 [Reserved].

5.3 [Reserved].

5.4 Application of Proceeds. At such intervals as may be agreed upon by the Issuer and the Trustee (acting with the consent of the Holders), or, if an Event of Default shall have occurred and be continuing, at any time at the Trustee's election, the Trustee may (and, if directed by the Holders, shall), apply all or any part of the Collateral and/or net Proceeds thereof (after deducting fees and expenses as provided in Section 5.5) realized through the exercise by the Trustee of its remedies hereunder in payment of the Secured Obligations. The Trustee shall apply any such Collateral or Proceeds to be applied in the following order:

First, to the Trustee to pay incurred and unpaid fees and expenses under the Note Documents;

Second, to the Trustee in respect of Secured Obligations then due and owing and remaining unpaid for application by the Trustee in accordance with the terms of the Indenture;

Third, to the Trustee in respect of all Secured Obligations (other than those under clause second above) for prepayment of such Secured Obligations in accordance with the terms of the Indenture; and

Fourth, any balance of such Proceeds remaining after a Discharge of the Secured Obligations shall be paid over to the Issuer or to whomsoever may be lawfully entitled to receive the same and any Collateral remaining after a Discharge of Secured Obligations shall be returned to the applicable Grantor or to whomsoever may be lawfully entitled to receive the same.

Any Proceeds not applied shall be held by the Trustee as Collateral.

In addition, with respect to any proceeds of Insurance received by the Trustee, (x) if no Event of Default shall have occurred and be continuing, (i) such Insurance Proceeds shall be returned to the Grantors if permitted or required by the Indenture or (ii) if not so permitted or required by the Indenture, then such Insurance Proceeds shall be applied in accordance with this Section 5.4 and (y) if an Event of Default shall have occurred and be continuing, then such Insurance Proceeds shall be applied in accordance with this Section 5.4.

5.5 Code and Other Remedies. (a) If an Event of Default shall occur and be continuing, the Trustee, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Collateral) and all rights under any other applicable law or in equity. Without limiting the generality of the foregoing, the Trustee, without demand of performance or other demand, defense, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, presentments, protests, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party, on the internet or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Trustee may store, repair or recondition any Collateral or otherwise prepare any Collateral for disposal in the manner and to the extent that the Trustee deems appropriate. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold or to become the licensor of all or any such Collateral, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. For purposes of bidding and making settlement or payment of the purchase price for all or a portion of the Collateral sold at any such sale made in accordance with the UCC or other applicable laws, including, without limitation, the Bankruptcy Code, the Trustee, as trustee for and representative of the Secured Parties (but not any Secured Party or Secured Parties in its or their respective individual capacities unless the Majority Holders shall otherwise agree in writing), shall be entitled to credit bid and use and apply the Secured Obligations (or any portion thereof) as a credit on account of the purchase price for any Collateral payable by the Trustee at such sale, such amount to be apportioned ratably to the Secured Obligations of the Secured Parties in accordance with their pro rata share of such Secured Obligations. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Trustee shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Trustee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Trustee may sell the Collateral without giving any warranties as to the Collateral. The Trustee may specifically disclaim or modify any warranties of title or the like. The foregoing will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Trustee to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Trustee arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Trustee accepts the first offer received and does not offer such Collateral to more than one offeror. Each Grantor further agrees, at the Trustee's request, to assemble the Collateral and make it available to the Trustee at places which the Trustee shall reasonably select, whether at such Grantor's premises or elsewhere. The Trustee shall have the right to enter onto the property where any Collateral is located without any obligation to pay rent and take possession thereof with or without judicial process. The Trustee shall have no obligation to marshal any of the Collateral.

(b) The Trustee shall deduct from such Proceeds all reasonable costs and expenses of every kind incurred in connection with the exercise of its rights and remedies against the Collateral or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements. Any net Proceeds remaining after such deductions shall be applied or retained by the Trustee in accordance with Section 5.4. Only after such application and after the payment by the Trustee of any other amount required by any provision of law, including, without limitation, Section 9-615(a) of the UCC, need the Trustee account for the surplus, if any, to any Grantor. If the Trustee sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Trustee. In the event the purchaser fails to pay for the Collateral, the Trustee may resell the Collateral and the applicable Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by it or them of any rights hereunder.

(c) In the event of any Disposition of any of the Intellectual Property, the goodwill of the business connected with and symbolized by any Trademarks subject to such Disposition shall be included, and the applicable Grantor shall supply the Trustee or its designee with such Grantor's know-how and expertise, and with documents and things embodying the same, relating to the exploitation of such Intellectual Property, including the manufacture, distribution, advertising and sale of products or the provision of services under such Intellectual Property, and such Grantor's customer lists and other records and documents relating to such Intellectual Property and to the manufacture, distribution, advertising and sale of such products and services.

(d) For the purpose of enabling the Trustee to exercise rights and remedies under this Section 5.5 (including in order to take possession of, collect, receive, assemble, process, appropriate, remove, realize upon, sell, assign, license out, convey, transfer or grant options to purchase any Collateral) at such time as the Trustee shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Trustee, for the benefit of the Secured Parties, (i) an irrevocable, nonexclusive, and assignable license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of such Trademarks, to use, practice, license, sublicense, and otherwise exploit any and all Intellectual Property now owned or held or hereafter acquired or held by such Grantor (which license shall include access to all media in which any of the licensed items may be recorded or stored and to all software and programs used for the compilation or printout thereof) and (ii) an irrevocable license (without payment of rent or other compensation to such Grantor) to use, operate and occupy all real property owned, operated, leased, subleased, or otherwise occupied by such Grantor.

5.6 Effect of Securities Laws. Each Grantor recognizes that the Trustee may be unable to effect a public sale of any or all of the Pledged Equity Interests or the Pledged Debt Securities by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Trustee shall be under no obligation to delay a sale of any of the Pledged Equity Interests or the Pledged Debt Securities for the period of time necessary to permit the Equity Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Equity Issuer would agree to do so.

5.7 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

SECTION 6. POWER OF ATTORNEY AND FURTHER ASSURANCES

6.1 Trustee's Appointment as Attorney-in-Fact, Etc. (a) Each Grantor hereby irrevocably constitutes and appoints the Trustee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Trustee the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due with respect to any Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Trustee for the purpose of collecting any and all such moneys due with respect to any Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Trustee may request to evidence the Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or purchase any insurance called for by the terms of the Note Documents and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 5.5 or 5.6, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Trustee or as the Trustee shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Trustee may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Trustee shall in its sole discretion determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Trustee were the absolute owner thereof for all purposes, and do, at the Trustee's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Trustee deems necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Trustee agrees that, except as provided in Section 6.1(b), it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Trustee, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however, that unless an Event of Default has occurred and is continuing or time is of the essence, the Trustee shall not exercise this power without first making demand on the Grantor and the Grantor failing to promptly comply therewith.

(c) The expenses of the Trustee incurred in connection with actions undertaken as provided in this Section 6.1, together with interest thereon at a rate per annum equal to the Default Rate under the Indenture, from the date of payment by the Trustee to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Trustee on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until a Discharge of the Secured Obligations.

6.2 Authorization of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the UCC and any other applicable law, the Trustee is authorized to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Trustee reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Trustee under this Agreement. Each Grantor agrees that such financing statements may describe the collateral in the same manner as described in the Collateral Documents or as "all assets" or "all personal property" of the such Grantor, whether now owned or hereafter existing or acquired by the such Grantor or such other description as the Trustee, in its sole judgment, determines is necessary or advisable. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

23

6.3 Further Assurances. Each Grantor agrees that from time to time, at the expense of such Grantor, it shall promptly execute and deliver all further instruments and documents and take all further action that may be necessary or desirable, or that the Trustee may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Trustee to exercise and enforce its rights and remedies hereunder in respect of any Collateral. Without limiting the generality of the foregoing, each Grantor shall:

(i) file such financing or continuation statements, or amendments thereto, record security interests in Intellectual Property and execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or desirable, or as the Trustee may reasonably request, in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office, the United States Copyright Office, the various Secretaries of State, and the foreign counterparts of any of the foregoing;

(iii) at any reasonable time, upon request by the Trustee, assemble the Collateral and allow inspection of the Collateral by the Trustee or persons designated by the Trustee;

(iv) at the Trustee's request, appear in and defend any action or proceeding that may affect such Grantor's title to or the Trustee's interest in all or any part of the Collateral; and

(v) furnish the Trustee with such information regarding the Collateral, including, without limitation, the location thereof, as the Trustee may reasonably request from time to time.

SECTION 7. LIEN ABSOLUTE; WAIVER OF SURETYSHIP DEFENSES

7.1 Lien Absolute, Waivers. (a) All rights of Trustee hereunder, and all obligations of Grantors hereunder, shall be absolute and unconditional irrespective of, shall not be affected by, and shall remain in full force and effect without regard to, and hereby waives all, rights, claims or defenses that it might otherwise have (now or in the future) with respect to, in each case, each of the following (whether or not such Grantor has knowledge thereof):

(i) the validity or enforceability of the Indenture or any other Note Document, any of the Secured Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party;

24

(ii) any renewal, extension or acceleration of, or any increase in the amount of the Secured Obligations, or any amendment, supplement, modification or waiver of, or any consent to departure from, the Note Documents;

(iii) any failure or omission to assert or enforce or agreement or election not to assert or enforce, delay in enforcement, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under any Note Documents, at law, in equity or otherwise) with respect to the Secured Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Secured Obligations;

(iv) any change, reorganization or termination of the corporate structure or existence of Issuer or any other Grantor or any of their Subsidiaries and any corresponding restructuring of the Secured Obligations;

(v) any settlement, compromise, release, or discharge of, or acceptance or refusal of any offer of payment or performance with respect to, or any substitutions for, the Secured Obligations or any subordination of the Secured Obligations to any other obligations;

(vi) the validity, perfection, non-perfection or lapse in perfection, priority or avoidance of any security interest or lien, the release of any or all collateral securing, or purporting to secure, the Secured Obligations or any other impairment of such collateral;

(vii) any exercise of remedies with respect to any security for the Secured Obligations (including, without limitation, any collateral, including the Collateral securing or purporting to secure any of the Secured Obligations) at such time and in such order and in such manner as the Trustee and the Secured Parties may decide and whether or not every aspect thereof is commercially reasonable and whether or not such action constitutes an election of remedies and even if such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy that any Grantor would otherwise have and without limiting the generality of the foregoing or any other provisions hereof, each Grantor hereby expressly waives any and all benefits which might otherwise be available to such Grantor under applicable law; and

(viii) any other circumstance whatsoever which may or might in any manner or to any extent vary the risk of any Grantor as an obligor in respect of the Secured Obligations or which constitutes, or might be construed to constitute, an equitable or legal discharge of the Issuer or any other Grantor for the Secured Obligations, or of any security interest granted by any Grantor, whether in a bankruptcy proceeding or in any other instance.

(b) In addition each Grantor further waives any and all other defenses, set-offs or counterclaims (other than a defense of payment or performance in full hereunder) which may at any time be available to or be asserted by it, the Issuer or any other Grantor or Person against any Secured Party, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations, accord and satisfaction and usury.

(c) Each Grantor waives diligence, presentment, protest, marshaling, demand for payment, notice of dishonor, notice of default and notice of nonpayment to or upon the Issuer or any of the other Grantors with respect to the Secured Obligations. Except for notices provided for herein, each Grantor hereby waives notice (to the extent permitted by applicable law) of any kind in connection with this Agreement or any collateral securing the Secured Obligations, including, without limitation, the Collateral. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Grantor, Trustee may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against Issuer, any other Grantor or any other Person or against any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by Trustee to make any such demand, to pursue such other rights or remedies or to collect any payments from Issuer, any other Grantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of Issuer, any other Grantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Grantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of Secured Party against any Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 8. THE COLLATERAL TRUSTEE

8.1 Authority of Trustee. (a) Each Grantor acknowledges that the rights and responsibilities of the Trustee under this Agreement with respect to any action taken by the Trustee or the exercise or non-exercise by the Trustee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Trustee and the other Secured Parties, be governed by the Indenture and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Trustee and the Grantors, the Trustee shall be conclusively presumed to be acting as trustee for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

(b) The Trustee has been appointed to act as Trustee hereunder by the Holders. The Trustee shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement and the Indenture; provided that the Trustee shall, after the payment in full of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted) (the "Discharge of the Secured Obligations"), exercise, or refrain from exercising, any remedies provided for herein and otherwise act in accordance with the instructions of the holders of a majority (the "Majority Holders"). The provisions of the Indenture relating to the Trustee, including without limitation, the provisions relating to resignation or removal of the Trustee and the powers and duties and immunities of the Trustee, are incorporated herein by this reference and shall survive any termination of the Indenture.

8.2 Duty of Trustee. The Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Trustee deals with similar property for its own account. Neither the Trustee nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys or other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that any such act or failure to act is found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from their own gross negligence or willful misconduct in breach of a duty owed to such Grantor.

8.3 Exculpation of the Trustee. (a) The Trustee shall not be responsible to any Secured Party for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or of any Collateral Document or the validity or perfection of any security interest or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by the Trustee to the Secured Parties or by or on behalf of any Secured Party to the Trustee or any Secured Party in connection with this Agreement and the transactions contemplated thereby or for the financial condition or business affairs of any party to the Indenture or any other Person liable for the payment of any Secured Obligations, nor shall the Trustee be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Collateral Documents or as to the existence or possible existence of any Event of Default or default or to make any disclosures with respect to the foregoing.

(b) Neither the Trustee nor any of its officers, partners, directors, employees or agents shall be liable to the Secured Parties for any action taken or omitted by the Trustee under or in connection with any of the Collateral Documents except to the extent caused solely and proximately by the Trustee's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The Trustee shall be entitled to refrain from any act or the taking of any action in connection herewith or any of the Collateral Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder and until the Trustee shall have been instructed in respect thereof by the Majority Holders and, upon such instruction, the Trustee shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such written instructions. Without prejudice to the generality of the foregoing, (i) the Trustee shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for the Grantors and their Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Secured Party shall have any right of action whatsoever against the Trustee as a result of the Trustee acting or refraining from acting hereunder or under any of the Collateral Documents in accordance with the Indenture or, in the limited circumstances specified in Section 8.1(b) hereof, the instructions of the Majority Holders.

(c) Without limiting the indemnification provisions of the Indenture, each of the Secured Parties not party to the Indenture severally agrees to indemnify the Trustee, to the extent that the Trustee shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Trustee in exercising its powers, rights and remedies or performing its duties hereunder or under the Collateral Documents or otherwise in its capacity as

the Trustee in any way relating to or arising out of this Agreement or any of the Collateral Documents; provided, no such Secured Party shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely and proximately from the Trustee's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to the Trustee for any purpose shall, in the opinion of the Trustee, be insufficient or become impaired, the Trustee may call for additional indemnity and cease, or not commence, to do the acts insufficiently indemnified against until such additional indemnity is furnished.

(d) No direction given to the Trustee which imposes, or purports to impose, upon the Trustee any obligation not set forth in or arising under this Agreement or any Collateral Document accepted or entered into by the Trustee shall be binding upon the Trustee.

8.4 No Individual Foreclosure, Etc. No Secured Party shall have any right individually to realize upon any of the Collateral except to the extent expressly contemplated by this Agreement or the other Note Documents, it being understood and agreed that all powers, rights and remedies under the Note Documents may be exercised solely by the Trustee on behalf of the Secured Parties in accordance with the terms thereof. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral provided hereunder and under any other Note Documents, to have agreed to the foregoing provisions and the other provisions of this Agreement. Without limiting the generality of the foregoing, each Secured Party authorizes the Trustee to credit bid all or any part of the Secured Obligations held by it.

SECTION 9. MISCELLANEOUS

9.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each affected Grantor and the Trustee. After the Discharge of the Secured Obligations, the provisions of this Agreement may be waived, amended, supplemented or otherwise modified by a written instrument executed by each Grantor and the Majority Holders.

9.2 Notices. All notices, requests and demands to or upon the Trustee or any Grantor hereunder shall be effected in the manner provided for in Section 11.01 of the Indenture; provided that any such notice, request or demand to or upon any Grantor shall be addressed to such Grantor at its notice address set forth on Schedule 1.

28

9.3 No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 9.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

9.4 Enforcement Expenses; Indemnification. (a) Each Grantor agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Note Documents to which such Grantor is a party, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Trustee.

(b) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) The agreements in this Section shall survive repayment of the Secured Obligations and all other amounts payable under the Indenture and the other Note Documents.

9.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Trustee and any such assignment, transfer or delegation without such consent shall be null and void.

9.6 Set-Off. Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such party to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Grantor, in any currency, whether arising hereunder, under the Indenture, any other Note Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party exercising any right of set-off shall notify such Grantor promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Secured Party may have.

29

9.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic imaging means), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or other electronic transmission (e.g. "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart hereof.

9.8 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

9.9 Section Headings. The Section headings and Table of Contents used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

9.10 Integration/Conflict. This Agreement and the other Note Documents represent the entire agreement of the Grantors, the Trustee and the other Secured Parties with respect to the subject matter hereof and thereof, and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by the Trustee or any other Secured Party relative to the subject matter hereof and thereof not

expressly set forth or referred to herein or therein. In the case of any Collateral “located” outside the United States (including any Equity Interests of an Equity Issuer organized under a jurisdiction other than the United States of any state or other locality thereof), in the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any applicable Foreign Security Document which cannot be resolved by both provisions being complied with, the provisions contained in such Foreign Security Document shall govern to the extent of such conflict with respect to such Collateral.

9.11 **GOVERNING LAW. THIS AGREEMENT AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS).**

30

9.12 **Submission to Jurisdiction; Waivers.** Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the “Specified Courts”), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party’s address set forth in Section 11.01 of the Indenture will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

9.13 **Acknowledgments.** Each Grantor hereby acknowledges that:

- (b) no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Note Documents, and the relationship between the Grantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and
- (c) no joint venture is created hereby or by the other Note Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

9.14 **Additional Grantors.** Each Subsidiary of the Issuer that is required to become a party to this Agreement pursuant to Section 3.11(D) the Indenture shall become a Grantor as required by the Indenture for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

9.15 **Releases.** (a) At such time as there has been a Discharge of the Secured Obligations, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Trustee and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Trustee shall deliver to such Grantor any Collateral held by the Trustee hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) If any of the Collateral shall be Disposed of by any Grantor in a transaction permitted by the Indenture, then, the Trustee, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral provided that the Grantor shall have delivered to the Trustee, at least ten (10) Business Days prior to the date of the proposed release, a written request for release identifying the relevant Grantor and Collateral to be released, together with a certification by the Issuer stating that such transaction is in compliance with the Indenture and the other Note Documents and that the Proceeds of such Disposition will be applied in accordance therewith. At the request and sole expense of the Issuer, a Subsidiary Grantor shall be released from its obligations hereunder in the event that all the Equity Interests of such Subsidiary Grantor shall be Disposed of in a transaction permitted by the Indenture; provided that the Issuer shall have delivered to the Trustee, at least ten (10) Business Days prior to the date of the proposed release, a written request for release identifying the relevant Subsidiary Grantor, together with a certification by the Issuer stating that such transaction is in compliance with the Indenture and the other Note Documents and that the Proceeds of such Disposition will be applied in accordance therewith.

31

Subdivision 1. Notwithstanding anything contained herein to the contrary, each [Member/Partner] shall be permitted to pledge or hypothecate any or all of its [Units/Partnership Interests], including all Interests, economic rights, control rights and status rights as a [Member/Partner], to any holder to the Company or an affiliate of the Company or any agent acting on such holder's behalf, and any transfer of such [Units/Partnership Interests] pursuant to any such holder's (or agent's) exercise of remedies in connection with any such pledge or hypothecation shall be permitted under this Agreement with no further action or approval required hereunder. EXHIBIT B TO
PLEDGE AND SECURITY AGREEMENT

FORM OF UNCERTIFICATED SECURITIES CONTROL AGREEMENT

This CONTROL AGREEMENT (as amended, supplemented or otherwise modified from time to time, the "Control Agreement") dated as of [●], is made by and between [NAME OF GRANTOR] (the "Grantor"), [NAME OF TRUSTEE], as trustee (in such capacity, the "Trustee") for the Secured Parties (as defined in the Pledge and Security Agreement referred to below), and [NAME OF ISSUER] (the "Issuer").

WHEREAS, the Grantor has granted to the Trustee for the benefit of the Secured Parties a security interest in the uncertificated securities of the Issuer owned by the Grantor from time to time (collectively, the "Pledged Securities"), and all additions thereto and substitutions and proceeds thereof (collectively, with the Pledged Securities, the "Collateral") pursuant to a Pledge and Security Agreement, dated as of [●], 2022 (as amended, restated, supplemented, or otherwise modified from time to time, the "Pledge and Security Agreement"), among the Grantor and the other persons party thereto as grantors in favor of the Trustee.

WHEREAS, the following terms which are defined in Articles 8 and 9 of the Uniform Commercial Code in effect in the State of New York on the date hereof (the "UCC") are used herein as so defined: Adverse Claim, Control, Instruction, Proceeds and Uncertificated Security.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. Notice of Security Interest. The Grantor, the Trustee and the Issuer are entering into this Control Agreement to perfect, and to confirm the priority of, the Trustee's security interest in the Collateral. The Issuer acknowledges that this Control Agreement constitutes written notification to the Issuer of the Trustee's security interest in the Collateral. The Issuer agrees to promptly make all necessary entries or notations in its books and records to reflect the Trustee's security interest in the Collateral and, upon request by the Trustee, to register the Trustee as the registered owner of any or all of the Pledged Securities. (c) If an Event of Default has occurred and is continuing, at the Trustee's request, each Grantor shall deliver to the Trustee all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Receivables, including, without limitation, all original orders, invoices and shipping receipts.

(b) The Trustee may at any time notify, or require any Grantor to so notify, the Account Debtor or counterparty on any Receivable of the security interest of the Trustee therein. In addition, after the occurrence and during the continuance of an Event of Default, the Trustee may upon written notice to the applicable Grantor, notify, or require any Grantor to notify, the Account Debtor or counterparty to make all payments under the Receivable directly to the Trustee.

5.3 Proceeds to be Turned Over To Trustee. In addition to the rights of the Secured Parties specified in Section 5.1 with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, Cash Equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Trustee in the exact form received by such Grantor (duly endorsed by such Grantor to the Trustee, if required).

5.4 Application of Proceeds. At such intervals as may be agreed upon by the Issuer and the Trustee (acting with the consent of the Holders), or, if an Event of Default shall have occurred and be continuing, at any time at the Trustee's election, the Trustee may (and, if directed by the Holders, shall), apply all or any part of the Collateral and/or net Proceeds thereof (after deducting fees and expenses as provided in Section 5.5) realized through the exercise by the Trustee of its remedies hereunder in payment of the Secured Obligations. The Trustee shall apply any such Collateral or Proceeds to be applied in the following order:

11

Second, to the Trustee in respect of Secured Obligations then due and owing and remaining unpaid for application by the Trustee in accordance with the terms of the Indenture;

Third, to the Trustee in respect of all Secured Obligations (other than those under clause second above) for prepayment of such Secured Obligations in accordance with the terms of the Indenture; and

Fourth, any balance of such Proceeds remaining after a Discharge of the Secured Obligations shall be paid over to the Issuer or to whomsoever may be lawfully entitled to receive the same and any Collateral remaining after a Discharge of Secured Obligations shall be returned to the applicable Grantor or to whomsoever may be lawfully entitled to receive the same.

Any Proceeds not applied shall be held by the Trustee as Collateral.

In addition, with respect to any proceeds of Insurance received by the Trustee, (x) if no Event of Default shall have occurred and be continuing, (i) such Insurance Proceeds shall be returned to the Grantors if permitted or required by the Indenture or (ii) if not so permitted or required by the Indenture, then such Insurance Proceeds shall be applied in accordance with this Section 5.4 and (y) if an Event of Default shall have occurred and be continuing, then such Insurance Proceeds shall be applied in accordance with this Section 5.4.

12

5.5 Code and Other Remedies. (a) If an Event of Default shall occur and be continuing, the Trustee, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC (whether or not the UCC applies to the affected Collateral) and all rights under any other applicable law or in equity. Without limiting the generality of the foregoing, the Trustee, without demand of performance or other demand, defense, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, presentments, protests, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party, on the internet or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Trustee may store, repair or recondition any Collateral or otherwise prepare any Collateral for disposal in the manner and to the extent that the Trustee deems appropriate. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold or to become the licensor of all or any such Collateral, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. For purposes of bidding and making settlement or payment of the purchase price for all or a portion of the Collateral sold at any such sale made in accordance with the UCC or other applicable laws, including, without limitation, the Bankruptcy Code, the Trustee, as trustee for and representative of the Secured Parties (but not any Secured Party or Secured Parties in its or their respective individual capacities unless the Majority Holders shall otherwise agree in writing), shall be entitled to credit bid and use and apply the Secured Obligations (or any portion thereof) as a credit on account of the purchase price for any Collateral payable by the Trustee at such sale, such amount to be apportioned ratably to the Secured Obligations of the Secured Parties in accordance with their pro rata share of such Secured Obligations. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Trustee shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Trustee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Trustee may sell the Collateral without giving any warranties as to the Collateral. The Trustee may specifically disclaim or modify any warranties of title or the like. The foregoing will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Trustee to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Trustee arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Trustee accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Trustee's request, to assemble the Collateral and make it available to the Trustee at places which the Trustee shall reasonably select, whether at such Grantor's premises or elsewhere. The Trustee shall have the right to enter onto the property where any Collateral is located without any obligation to pay rent and take possession thereof with or without judicial process. The Trustee shall have no obligation to marshal any of the Collateral.

(b) The Trustee shall deduct from such Proceeds all reasonable costs and expenses of every kind incurred in connection with the exercise of its rights and remedies against the Collateral or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements. Any net Proceeds remaining after such deductions shall be applied or retained by the Trustee in accordance with Section 5.4. Only after such application and after the payment by the Trustee of any other amount required by any provision of law, including, without limitation, Section 9-615(a) of the UCC, need the Trustee account for the surplus, if any, to any Grantor. If the Trustee sells any of the Collateral upon credit, the Grantor will be credited only with payments actually made by the purchaser and received by the Trustee. In the event the purchaser fails to pay for the Collateral, the Trustee may resell the Collateral and the applicable Grantor shall be credited with proceeds of the sale. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by it or them of any rights hereunder.

(d) For the purpose of enabling the Trustee to exercise rights and remedies under this Section 5.5 (including in order to take possession of, collect, receive, assemble, process, appropriate, remove, realize upon, sell, assign, license out, convey, transfer or grant options to purchase any Collateral) at such time as the Trustee shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Trustee, for the benefit of the Secured Parties, an irrevocable license (without payment of rent or other compensation to such Grantor) to use, operate and occupy all real property owned, operated, leased, subleased, or otherwise occupied by such Grantor.

5.6 [Reserved]

5.7 Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

SECTION 6. POWER OF ATTORNEY AND FURTHER ASSURANCES

6.1 Trustee's Appointment as Attorney-in-Fact, Etc. (a) Each Grantor hereby irrevocably constitutes and appoints the Trustee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Trustee the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Trustee for the purpose of collecting any and all such moneys due under any Receivable or with respect to any other Collateral whenever payable;

(ii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or purchase any insurance called for by the terms of the Note Documents and pay all or any part of the premiums therefor and the costs thereof;

(iii) execute, in connection with any sale provided for in Section 5.5 or 5.6, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(iv) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Trustee or as the Trustee shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Trustee may deem appropriate; and (7) generally, sell,

transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Trustee were the absolute owner thereof for all purposes, and do, at the Trustee's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Trustee deems necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 6.1(a) to the contrary notwithstanding, the Trustee agrees that, except as provided in Section 6.1(b), it will not exercise any rights under the power of attorney provided for in this Section 6.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Trustee, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement; provided, however, that unless an Event of Default has occurred and is continuing or time is of the essence, the Trustee shall not exercise this power without first making demand on the Grantor and the Grantor failing to promptly comply therewith.

(c) The expenses of the Trustee incurred in connection with actions undertaken as provided in this Section 6.1, together with interest thereon at a rate per annum equal to the Default Rate under the Indenture, from the date of payment by the Trustee to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Trustee on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until a Discharge of the Secured Obligations.

6.2 Authorization of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the UCC and any other applicable law, the Trustee is authorized to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Trustee reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Trustee under this Agreement. Each Grantor agrees that such financing statements may describe the collateral in the same manner as described in the Collateral Documents or as "all assets" or "all personal property" of the such Grantor, whether now owned or hereafter existing or acquired by the such Grantor or such other description as the Trustee, in its sole judgment, determines is necessary or advisable. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

6.3 Further Assurances. Each Grantor agrees that from time to time, at the expense of such Grantor, it shall promptly execute and deliver all further instruments and documents and take all further action that may be necessary or desirable, or that the Trustee may reasonably request, in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Trustee to exercise and enforce its rights and remedies hereunder in respect of any Collateral. Without limiting the generality of the foregoing, each Grantor shall:

(i) execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary or desirable, or as the Trustee may reasonably request, in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) at any reasonable time, upon request by the Trustee, assemble the Collateral and allow inspection of the Collateral by the Trustee or persons designated by the Trustee;

(iii) at the Trustee's request, appear in and defend any action or proceeding that may affect such Grantor's title to or the Trustee's interest in all or any part of the Collateral; and

(iv) furnish the Trustee with such information regarding the Collateral, including, without limitation, the location thereof, as the Trustee may reasonably request from time to time.

SECTION 7. LIEN ABSOLUTE; WAIVER OF SURETYSHIP DEFENSES

7.1 Lien Absolute, Waivers. (a) All rights of Trustee hereunder, and all obligations of Grantors hereunder, shall be absolute and unconditional irrespective of, shall not be affected by, and shall remain in full force and effect without regard to, and hereby waives all, rights, claims or defenses that it might otherwise have (now or in the future) with respect to, in each case, each of the following (whether or not such Grantor has knowledge thereof):

(i) the validity or enforceability of the Indenture or any other Note Document, any of the Secured Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party;

(ii) any renewal, extension or acceleration of, or any increase in the amount of the Secured Obligations, or any amendment, supplement, modification or waiver of, or any consent to departure from, the Note Documents;

(iii) any failure or omission to assert or enforce or agreement or election not to assert or enforce, delay in enforcement, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under any Note Documents, at law, in equity or otherwise) with respect to the Secured Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Secured Obligations;

(iv) any change, reorganization or termination of the corporate structure or existence of Issuer or any other Grantor or any of their Subsidiaries and any corresponding restructuring of the Secured Obligations;

(v) any settlement, compromise, release, or discharge of, or acceptance or refusal of any offer of payment or performance with respect to, or any substitutions for, the Secured Obligations or any subordination of the Secured Obligations to any other obligations;

(vi) the validity, perfection, non-perfection or lapse in perfection, priority or avoidance of any security interest or lien, the release of any or all collateral securing, or purporting to secure, the Secured Obligations or any other impairment of such collateral;

(vii) any exercise of remedies with respect to any security for the Secured Obligations (including, without limitation, any collateral, including the Collateral securing or purporting to secure any of the Secured Obligations) at such time and in such order and in such manner as the Trustee and the Secured Parties may decide and whether or not every aspect thereof is commercially reasonable and whether or not such action constitutes an election of remedies and even if such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy that any Grantor would otherwise have and without limiting the generality of the foregoing or any other provisions hereof, each Grantor hereby expressly waives any and all benefits which might otherwise be available to such Grantor under applicable law; and

(viii) any other circumstance whatsoever which may or might in any manner or to any extent vary the risk of any Grantor as an obligor in respect of the Secured Obligations or which constitutes, or might be construed to constitute, an equitable or legal discharge of the Issuer or any other Grantor for the Secured Obligations, or of any security interest granted by any Grantor, whether in a bankruptcy proceeding or in any other instance.

(b) In addition each Grantor further waives any and all other defenses, set-offs or counterclaims (other than a defense of payment or performance in full hereunder) which may at any time be available to or be asserted by it, the Issuer or any other Grantor or Person against any Secured Party, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations, accord and satisfaction and usury.

(c) Each Grantor waives diligence, presentment, protest, marshaling, demand for payment, notice of dishonor, notice of default and notice of nonpayment to or upon the Issuer or any of the other Grantors with respect to the Secured Obligations. Except for notices provided for herein, each Grantor hereby waives notice (to the extent permitted by applicable law) of any kind in connection with this Agreement or any collateral securing the Secured Obligations, including, without limitation, the Collateral. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Grantor, Trustee may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against Issuer, any other Grantor or any other Person or against any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by Trustee to make any such demand, to pursue such other rights or remedies or to collect any payments from Issuer, any other Grantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of Issuer, any other Grantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Grantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of Secured Party against any Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 8. THE COLLATERAL TRUSTEE

8.1 Authority of Trustee. (a) Each Grantor acknowledges that the rights and responsibilities of the Trustee under this Agreement with respect to any action taken by the Trustee or the exercise or non-exercise by the Trustee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Trustee and the other Secured Parties, be governed by the Indenture and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Trustee and the Grantors, the Trustee shall be conclusively presumed to be acting as trustee for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

(b) The Trustee has been appointed to act as Trustee hereunder by the Holders. The Trustee shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement and the Indenture; provided that the Trustee shall, after the payment in full of all Secured Obligations (other than contingent indemnification obligations as to which no claim has been asserted) (the "Discharge of the Secured Obligations"), exercise, or refrain from exercising, any remedies provided for herein and otherwise act in accordance with the instructions of the holders of a majority (the "Majority Holders"). The provisions of the Indenture relating to the Trustee, including without limitation, the provisions relating to resignation or removal of the Trustee and the powers and duties and immunities of the Trustee, are incorporated herein by this reference and shall survive any termination of the Indenture.

8.2 Duty of Trustee. The Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as the Trustee deals with similar property for its own account. Neither the Trustee nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys or other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that any such act or failure to act is found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from their own gross negligence or willful misconduct in breach of a duty owed to such Grantor.

8.3 Exculpation of the Trustee. (a) The Trustee shall not be responsible to any Secured Party for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or of any Collateral Document or the validity or perfection of any security interest or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by the Trustee to the Secured Parties or by or on behalf of any Secured Party to the Trustee or any Secured Party in connection with the Collateral Documents and the transactions contemplated thereby or for the financial condition or business affairs of any party to the Indenture or any other Person liable for the payment of any Secured Obligations, nor shall the Trustee be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Collateral Documents or as to the existence or possible existence of any Event of Default or default or to make any disclosures with respect to the foregoing.

(b) Neither the Trustee nor any of its officers, partners, directors, employees or agents shall be liable to the Secured Parties for any action taken or omitted by the Trustee under or in connection with any of the Collateral Documents except to the extent caused solely and proximately by the Trustee's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The Trustee shall be entitled to refrain from any act or the taking of any action in connection herewith or any of the Collateral Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until the Trustee shall have been instructed in respect thereof by the Majority Holders and, upon such instruction, the Trustee shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such written instructions. Without prejudice to the generality of the foregoing, (i) the Trustee shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys

for the Grantors and their Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Secured Party shall have any right of action whatsoever against the Trustee as a result of the Trustee acting or refraining from acting hereunder or under any of the Collateral Documents in accordance with the Indenture or, in the limited circumstances specified in Section 8.1(b) hereof, the instructions of the Majority Holders.

(c) Without limiting the indemnification provisions of the Indenture, each of the Secured Parties not party to the Indenture severally agrees to indemnify the Trustee, to the extent that the Trustee shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Trustee in exercising its powers, rights and remedies or performing its duties hereunder or under the Collateral Documents or otherwise in its capacity as the Trustee in any way relating to or arising out of this Agreement or the Collateral Documents; provided, no such Secured Party shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely and proximately from the Trustee's gross negligence or willful misconduct, as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to the Trustee for any purpose shall, in the opinion of the Trustee, be insufficient or become impaired, the Trustee may call for additional indemnity and cease, or not commence, to do the acts insufficiently indemnified against until such additional indemnity is furnished.

(d) No direction given to the Trustee which imposes, or purports to impose, upon the Trustee any obligation not set forth in or arising under this Agreement or any Collateral Document accepted or entered into by the Trustee shall be binding upon the Trustee.

8.4 No Individual Foreclosure, Etc. No Secured Party shall have any right individually to realize upon any of the Collateral except to the extent expressly contemplated by this Agreement or the other Note Documents, it being understood and agreed that all powers, rights and remedies under the Note Documents may be exercised solely by the Trustee on behalf of the Secured Parties in accordance with the terms thereof. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral provided hereunder and under any other Note Documents, to have agreed to the foregoing provisions and the other provisions of this Agreement. Without limiting the generality of the foregoing, each Secured Party authorizes the Trustee to credit bid all or any part of the Secured Obligations held by it.

SECTION 9. MISCELLANEOUS

9.1 Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by each affected Grantor and the Trustee. After the Discharge of the Secured Obligations, the provisions of this Agreement may be waived, amended, supplemented or otherwise modified by a written instrument executed by each Grantor and the Majority Holders.

9.2 Notices. All notices, requests and demands to or upon the Trustee or any Grantor hereunder shall be effected in the manner provided for in Section 11.01 of the Indenture; provided that any such notice, request or demand to or upon any Grantor shall be addressed to such Grantor at its notice address set forth on Schedule 1.

9.3 No Waiver by Course of Conduct; Cumulative Remedies. No Secured Party shall by any act (except by a written instrument pursuant to Section 9.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

9.4 Enforcement Expenses; Indemnification. (a) Each Grantor agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in enforcing or preserving any rights under this Agreement and the other Note Documents to which such Grantor is a party, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Trustee.

(b) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) The agreements in this Section shall survive repayment of the Secured Obligations and all other amounts payable under the Indenture and the other Note Documents.

9.5 Successors and Assigns. This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Trustee and any such assignment, transfer or delegation without such consent shall be null and void.

9.6 Set-Off. Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such party to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Grantor, in any currency, whether arising hereunder, under the Indenture, any other Note Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party exercising any right of set-off shall notify such Grantor promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Secured Party may have.

9.7 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic imaging means), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed

signature page of this Agreement by facsimile or other electronic transmission (e.g. “pdf” or “tif” format) shall be effective as delivery of a manually executed counterpart hereof.

9.8 **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

9.9 **Section Headings.** The Section headings and Table of Contents used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

9.10 **Integration/Conflict.** This Agreement and the other Note Documents represent the entire agreement of the Grantors, the Trustee and the other Secured Parties with respect to the subject matter hereof and thereof, and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by the Trustee or any other Secured Party relative to the subject matter hereof and thereof not expressly set forth or referred to herein or therein. In the case of any Collateral “located” outside the United States, in the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any applicable Foreign Security Document which cannot be resolved by both provisions being complied with, the provisions contained in such Foreign Security Document shall govern to the extent of such conflict with respect to such Collateral.

9.11 **GOVERNING LAW. THIS AGREEMENT AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS).**

9.12 **Submission to Jurisdiction; Waivers.** Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated by this Indenture may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York, in each case located in the City of New York (collectively, the “**Specified Courts**”), and each party irrevocably submits to the non-exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party’s address set forth in Section 11.01 of the Indenture will be effective service of process for any such suit, action or proceeding brought in any such court. Each of the Company, the Trustee and each Holder (by its acceptance of any Note) irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waives and agrees not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.

22

9.13 **Acknowledgments.** Each Grantor hereby acknowledges that:

- (a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Note Documents to which it is a party;
- (b) no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Note Documents, and the relationship between the Grantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and
- (c) no joint venture is created hereby or by the other Note Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

9.14 **Additional Grantors.** Each Subsidiary of the Issuer that is required to become a party to this Agreement pursuant to Section 3.11(C) of the Indenture shall become a Grantor as required by the Indenture for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

9.15 **Releases.** (a) At such time as there has been a Discharge of the Secured Obligations, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Trustee and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Trustee shall deliver to such Grantor any Collateral held by the Trustee hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

23

(b) If any of the Collateral shall be Disposed of by any Grantor in a transaction permitted by the Indenture, then, the Trustee, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral provided that the Grantor shall have delivered to the Trustee, at least ten (10) Business Days prior to the date of the proposed release, a written request for release identifying the relevant Grantor and Collateral to be released, together with a certification by the Issuer stating that such transaction is in compliance with the Indenture and the other Note Documents and that the Proceeds of such Disposition will be applied in accordance therewith. At the request and sole expense of the Issuer, a Subsidiary Grantor shall be released from its obligations hereunder in the event that all the Equity Interests of such Subsidiary Grantor shall be Disposed of in a transaction permitted by the Indenture; provided that the Issuer shall have delivered to the Trustee, at least ten (10) Business Days prior to the date of the proposed release, a written request for release identifying the relevant Subsidiary Grantor, together with a certification by the Issuer stating that such transaction is in compliance with the Indenture and the other Note Documents and that the Proceeds of such Disposition will be applied in accordance therewith.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Trustee, subject to such Grantor’s rights under Section 9-509(d)(2) of the UCC.

9.16 **WAIVER OF JURY TRIAL. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT OR THE NOTES, WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. EACH OF THE COMPANY AND THE TRUSTEE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED BY THIS INDENTURE OR THE NOTES.**

EXHIBIT G

FORM OF GUARANTY AGREEMENT

FORM OF GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT, dated as of [·], 2022 (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, this “Guaranty”), made by each of the undersigned subsidiaries of [MARTI TECHNOLOGIES INC.], a Cayman Islands exempted company (the “Issuer”) (each individually, a “Guarantor” and, collectively, the “Guarantors”) and each Additional Guarantor that becomes a party hereto pursuant to Section 22 hereof. Except as otherwise defined herein, capitalized terms used herein and defined in the Indenture (as defined below) shall be used herein as therein defined.

WITNESSETH:

WHEREAS, the Issuer, and [TRUSTEE], as trustee (together with any successor trustee, the “Trustee”), have entered into an Indenture, dated as of even date herewith (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the “Indenture”);

WHEREAS, in recognition of the direct or indirect benefits to be received by each Guarantor from the issuance of the Notes by the Issuer under the Indenture, each Guarantor desires to enter into this Guaranty; and

WHEREAS, it is a condition to the issuance and sale of the Notes under the Indenture that each Guarantor shall have executed and delivered this Guaranty in order to guarantee the Issuer’s obligations in respect of the Indenture and the Notes.

NOW, THEREFORE, in consideration of the foregoing and other benefits accruing to each Guarantor, the receipt and sufficiency of which are hereby acknowledged, each Guarantor hereby agrees with the Trustee for the benefit of the Holders and the Trustee as follows:

1. The Guaranty. Each Guarantor, jointly and severally, hereby unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), guarantees as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Holders and the Trustee. If any or all of the Relevant Guaranteed Obligations become due and payable hereunder, such Guarantor, unconditionally and irrevocably, jointly and severally, promises to pay such Relevant Guaranteed Obligations

to the Trustee and/or the Holders, on demand, together with any and all expenses which may be incurred by the Trustee and the Holders in collecting any of the Relevant Guaranteed Obligations. This Guaranty is a guaranty of payment and not of collection. This Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. If claim is ever made upon any Holder or the Trustee for repayment or recovery of any amount or amounts received in payment or on account of any of the Relevant Guaranteed Obligations and any of the aforesaid payees repays all or part of said amount by reason of (i) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Issuer or any other Guaranteed Party), then and in such event each Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon such Guarantor, notwithstanding any revocation of this Guaranty or any other instrument evidencing any liability of the Issuer or any other Guaranteed Party, and such Guarantor shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

No failure or delay on the part of any Holder or the Trustee in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein expressly specified are cumulative and not exclusive of any rights or remedies which any Holder or the Trustee would otherwise have. Except as otherwise explicitly required hereby or by any other Note Document, no notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other further notice or demand in similar or other circumstances or constitute a waiver of the rights of any Holder or the Trustee to any other or further action in any circumstances without notice or demand.

2 . Bankruptcy. Additionally, each Guarantor, jointly and severally, unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), guarantees the payment of any and all of its Relevant Guaranteed Obligations to the Holders and the Trustee whether or not due or payable by the Issuer or any such other Guaranteed Party upon the occurrence of any of the events specified in Sections 7.01(A)(viii) or (ix) of the Indenture, and jointly and severally, unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), promises to pay such Relevant Guaranteed Obligations to the Holders and the Trustee, on order, on demand, in lawful money of the United States.

3 . Nature of Liability. The liability of each Guarantor hereunder is primary, absolute, joint and several, and unconditional, exclusive and independent of any security for or other guaranty of the Relevant Guaranteed Obligations, whether executed by such Guarantor, any other Guarantor, any other guarantor or by any other party, and each Guarantor understands and agrees, to the fullest extent permitted under law, that the liability of such Guarantor hereunder shall not be affected or impaired by (a) any direction as to application of payment by the Issuer, any other Guaranteed Party or any other party, (b) any other continuing or other guaranty or undertaking of such Guarantor or of any other party as to the Relevant Guaranteed Obligations, (c) any payment on or in reduction of any such other guaranty or undertaking (other than payment of the Relevant Guaranteed Obligations to the extent of such payment), (d) any dissolution, termination or increase, decrease or change in personnel by any Guaranteed Party, (e) any payment made to any Holder or the Trustee on the Relevant Guaranteed Obligations which any such Holder or the Trustee repays to any Guaranteed Party pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding, and each Guarantor waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, (f) any action or inaction by the Holders and the Trustee as contemplated in Section 5 or (g) any invalidity, irregularity or unenforceability of all or any part of the Relevant Guaranteed Obligations or of any security therefor.

4 . Independent Obligation. The obligations of each Guarantor hereunder are independent of the obligations of any other Guarantor, any other guarantor, the Issuer, any other party or any other Guaranteed Party, and a separate action or actions may be brought and prosecuted against any Guarantor whether or not action is brought against any other Guarantor, any other guarantor, any other party, the Issuer or any other Guaranteed Party and whether or not any other guarantor, any other party, the Issuer or any other Guaranteed Party be joined in any such action or actions. Each Guarantor waives, to the fullest extent permitted by law, the benefit of any statute of limitations affecting its liability hereunder or the enforcement thereof. Any payment by the Issuer or any other Guaranteed Party or other circumstance which operates to toll any statute of limitations as to the Issuer or any such other Guaranteed Party shall operate to toll the statute of limitations as to the relevant Guarantor. The provisions of this Guaranty constitute a continuing guaranty and include all present and future Relevant Guaranteed Obligations including any under transactions continuing, compromising, extending, increasing, modifying, releasing, or renewing the Relevant Guaranteed Obligations, changing the interest rate, payment terms, or other terms and conditions thereof, or creating new or additional Relevant Guaranteed Obligations after prior Relevant Guaranteed Obligations have been satisfied in whole or in part. To the maximum extent permitted by law, each Guarantor hereby waives any right to revoke the provisions of this Guaranty as to future Relevant Guaranteed Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Guarantor acknowledges and agrees that (i) no such revocation shall be effective until written notice thereof has been received by the Trustee, (ii) no such revocation shall apply to any Relevant Guaranteed Obligations in existence on the date of receipt by Trustee of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms, or other terms and conditions thereof), (iii) no such revocation shall apply to any Relevant Guaranteed Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of any Guaranteed Party in existence on the date of such revocation, (iv) no payment by any Guarantor or from any other source, prior to the date of Trustee's receipt of written notice of such revocation shall reduce the maximum obligation of such Guarantor hereunder, and (v) any payment by the Issuer or from any source other than such Guarantor subsequent to the date of such revocation shall first be applied to that portion of the Relevant Guaranteed Obligations as to which the revocation is effective and which are not, therefore, guaranteed hereunder, and to the extent so applied shall not reduce the maximum obligation of such Guarantor which remain guaranteed hereunder.

-3-

5 . Authorization. To the fullest extent permitted under law, each Guarantor authorizes the Holders and the Trustee without notice or demand, and without affecting or impairing its liability hereunder, from time to time to:

(a) change the manner, place or terms of payment of, and/or change or extend the time of payment of, renew, increase, accelerate or alter, any of the Relevant Guaranteed Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon), any security therefor, or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the Relevant Guaranteed Obligations as so changed, extended, renewed or altered;

(b) take and hold security for the payment of the Relevant Guaranteed Obligations and sell, exchange, release, impair, surrender, realize upon or otherwise deal with in any manner and in any order any property by whomsoever at any time pledged or mortgaged to secure, or howsoever securing, the Relevant Guaranteed Obligations or any liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and/or any offset there against;

(c) exercise or refrain from exercising any rights against the Issuer, any other Guaranteed Party, or any other Person or otherwise act or refrain from acting;

(d) release or substitute any one or more endorsers, guarantors, the Issuer, any other Guaranteed Party, any other Person or other obligors;

(e) settle or compromise any of the Relevant Guaranteed Obligations, any security therefor or any liability (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) to its creditors other than the Holders and the Trustee;

(f) except as otherwise expressly required by the Security Agreements, apply any sums by whomsoever paid or howsoever realized to any liability or liabilities of the Issuer or any other Guaranteed Party to the Holders and the Trustee regardless of what liability or liabilities of the Issuer or such other Guaranteed Party remain unpaid;

-4-

(g) consent to or waive any breach of, or any act, omission or default under, this Guaranty, any other Note Document, or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify or supplement this Guaranty (subject to Section 14), any other Note Document or any of such other instruments or agreements; and/or

(h) take any other action which would, under otherwise applicable principles of common law, give rise to a legal or equitable discharge of such Guarantor from its liabilities under this Guaranty.

6 . Reliance. It is not necessary for any Holder or the Trustee to inquire into the capacity or powers of the Issuer, any other Guaranteed Party or the officers, directors, partners or agents acting or purporting to act on their behalf, and any Relevant Guaranteed Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

7 . Subordination. Any indebtedness of the Issuer or any other Guaranteed Party now or hereafter owing to any Guarantor is hereby subordinated to the Relevant Guaranteed Obligations of the Issuer or such other Guaranteed Party owing to the Holders and the Trustee and, if the Trustee so requests at a time when an Event of Default exists and is continuing, all such indebtedness to such Guarantor shall be collected, enforced and received by such Guarantor for the benefit of the Holders and the Trustee and be paid over to the Trustee on behalf of the Holders and the Trustee on account of the Relevant Guaranteed Obligations of the Issuer or such other Guaranteed Party to the Holders and the Trustee, but without affecting or impairing in any manner the liability of any Guarantor under the other provisions of this Guaranty. Without limiting the generality of the foregoing, each Guarantor hereby agrees with the Holders and the Trustee that it will not exercise any right of subrogation, reimbursement, exoneration, contribution or indemnification or any right to participate in any claim or remedy of the Issuer or any other Guaranteed Party which it may at any time otherwise have as a result of this Guaranty (whether contractual, under Section 509 of the Bankruptcy Code or otherwise) until all Relevant Guaranteed Obligations have been paid in full. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of the Holders and the Trustee, and shall forthwith be paid to Trustee to be credited and applied to the Relevant Guaranteed Obligations and all other amounts payable hereunder, whether matured or unmatured, in accordance with the terms of this Guaranty, or to be held as Collateral for any Relevant Guaranteed Obligations or other amounts payable hereunder thereafter arising. Notwithstanding anything to the contrary contained herein, no Guarantor may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Guarantor (the "Foreclosed Guarantor"), including after the Termination Date, if all or any portion of the obligations under the Indenture and the Notes have been satisfied in connection with a sale or other disposition by Trustee of the Equity Interests of such Foreclosed Guarantor, whether pursuant to the Security Agreements or otherwise.

8 . Waiver. (a) Each Guarantor waives, to the fullest extent permitted under applicable law, any right to require any Holder or the Trustee to (i) proceed against the Issuer, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from the Issuer, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, (iii) protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Guarantor or any other Person, or any collateral or (iv) pursue any other remedy in any Holder or the Trustee's power whatsoever. Each Guarantor waives, to the fullest extent permitted under applicable law, any defense based on or arising out of any defense of the Issuer, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other person (other than payment of the Relevant Guaranteed Obligations to the extent of such payment and release of such Guarantor from this Guaranty in accordance with Section 18) or based on or arising out of the disability of the Issuer, any other Guaranteed Party, any other Guarantor, any other guarantor of the Guaranteed Obligations or any other Person, or the invalidity, illegality or unenforceability of the Relevant Guaranteed Obligations or any part thereof for any cause, or the cessation from any cause of the liability of the Issuer or any other Guaranteed Party (other than payment of the Relevant Guaranteed Obligations to the extent of such payment and release of such Guarantor from this Guaranty in accordance with Section 18). The Holders and the Trustee may, at their election, foreclose on any security held by the Trustee or any Holder by one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable (to the extent such sale is permitted by applicable law), or exercise any other right or remedy the Holders and the Trustee may have against the Issuer, any other Guaranteed Party or any other Person, or any security, without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Relevant Guaranteed Obligations have been paid. Each Guarantor waives, to the fullest extent permitted under law, any defense arising out of any such election by the Holders and the Trustee, even though such election operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Issuer, any other Guaranteed Party or any other Person or any security.

-5-

(b) Each Guarantor waives, to the fullest extent permitted under law, all presentments, demands for performance, protests and notices, including, without limitation, notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation or incurring of new or additional Relevant Guaranteed Obligations. Each Guarantor assumes all responsibility for being and keeping itself informed of the Issuer's and each other Guaranteed Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Relevant Guaranteed Obligations and the nature, scope and extent of the risks which such Guarantor assumes and incurs hereunder, and agrees that neither the Trustee nor any of the other Holders and the Trustee shall have any duty to advise any Guarantor of information known to them regarding such circumstances or risks.

(c) Each Guarantor, to the fullest extent permitted under law, (i) subordinates to the payment in full of the obligations under the Indenture and the Notes, any right to assert against the Issuer or any other Guaranteed Party, any defense (legal or equitable), set-off, counterclaim, or claim which each Guarantor may now or at any time hereafter have against the Issuer or any other party liable to the Issuer or such other Guaranteed Party; and (ii) waives any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the Guaranteed Obligations or any security therefor.

9 . Maximum Liability. It is the desire and intent of each Guarantor and the Holders and the Trustee that this Guaranty shall be enforced against such Guarantor to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. If, however, and to the extent that, the obligations of any Guarantor under this Guaranty shall be adjudicated to be invalid or unenforceable for any reason (including, without limitation, because of any applicable state or federal law relating to fraudulent conveyances or transfers), then the amount of such Guarantor's obligations under this Guaranty shall be deemed to be reduced and such Guarantor shall pay, if and when required pursuant to the terms hereof, the maximum amount of the Relevant Guaranteed Obligations which would be permissible under applicable law.

10 . Enforcement. Each Holder and the Trustee agree (by its acceptance of the benefits of this Guaranty) that this Guaranty may be enforced only by the action of the Trustee, acting upon the instructions of the Holders of a majority in aggregate principal amount of the Notes then outstanding, and that no other Person shall have any right individually to seek to enforce or to enforce this Guaranty, it being understood and agreed that such rights and remedies may be exercised by the Trustee, for the benefit of the Holders and the Trustee upon the terms of this Guaranty. Each Holder further agrees (by its acceptance of the benefits of this Guaranty) that this Guaranty may not be enforced against any director, officer, employee, partner, member or stockholder of any Guarantor (except to the extent such partner, member or stockholder is also a

11. Representations and Warranties. Each Guarantor represents and warrants that:

(a) Such Guarantor has the corporate, partnership, limited liability company or other applicable business entity power and authority, as the case may be, to execute, deliver and perform the terms and provisions of this Guaranty and each other Note Document to which it is party and has taken all necessary corporate, partnership, limited liability company or other applicable business entity action, as the case may be, to authorize the execution, delivery and performance by it of this Guaranty and each such other Note Document. Such Guarantor has duly executed and delivered this Guaranty and each other Note Document to which it is a party, and this Guaranty and each such other Note Document constitutes the legal, valid and binding obligation of such Guarantor, enforceable in accordance with its terms, except to the extent that the enforceability hereof or thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws generally affecting creditors' rights and by equitable principles (regardless of whether enforcement is sought in equity or at law).

(b) Neither the execution, delivery or performance by such Guarantor of this Guaranty or any other Note Document to which it is a party, nor compliance by it with the terms and provisions hereof and thereof, will violate any provision of the certificate or articles of incorporation, certificate of formation, limited liability company agreement or by-laws (or equivalent organizational documents), as applicable, of such Guarantor.

12. Covenants. Each Guarantor that is not a party to the Indenture covenants and agrees that on and after the Issue Date (or, if later, the date on which any Additional Guarantor becomes a party hereto pursuant to Section 22) and until the Termination Date (or such earlier date released from this Guaranty in accordance with Section 18), such Guarantor will comply, and will cause each of its Subsidiaries to comply, with all of the applicable provisions, covenants and agreements contained in Section 3 of the Indenture.

13. Successors and Assigns. This Guaranty shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the Holders and the Trustee and their successors and permitted assigns.

14. Amendments. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except with the written consent of each Guarantor directly affected thereby (it being understood that the addition or release of any Guarantor hereunder shall not constitute a change, waiver, discharge or termination affecting any Guarantor other than the Guarantor so added or released) and the Trustee (with each other consent required pursuant to Section 8 of the Indenture).

15. Authorization. Subject, in each case, to the limitations set forth in Section 3.13 of the Indenture, in addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, each Holder and the Trustee is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Guarantor, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) (other than accounts used (i) solely for making payroll and withholding tax payments related thereto and other employee wage and benefit payments and accrued and unpaid employee compensation payments (including salaries, wages, benefits and expense reimbursements, 401(k) and other retirement plans and employee benefits, including rabbi trusts for deferred compensation and health care benefits), (ii) solely for paying taxes, including sales taxes, or (iii) as an escrow account, a fiduciary or trust account or otherwise held exclusively for the benefit of an unaffiliated third party (including any account solely holding amounts representing fines, violations, fees and similar amounts paid by third parties and owed to municipalities)) and any other Indebtedness at any time held or owing by such Holder or the Trustee to or for the credit or the account of such Guarantor against and on account of its Relevant Guaranteed Obligations to the Holder or the Trustee under this Guaranty, irrespective of whether or not such Holder or the Trustee shall have made any demand hereunder and although such Relevant Guaranteed Obligations, liabilities or claims, or any of them, shall be contingent or unmaturing.

16. Notice, etc. All notices, requests, demands or other communications pursuant hereto shall be sent in accordance with the terms and provisions set forth in Section 11.01 of the Indenture.

17. CHOICE OF LAW; CONSENT TO JURISDICTION; WAIVER OF JURY TRIAL. (a) THIS GUARANTY AND THE RIGHTS AND OBLIGATIONS OF THE HOLDERS AND THE TRUSTEE AND OF THE UNDERSIGNED HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK. Any legal action or proceeding with respect to this Guaranty (except that in the case of any bankruptcy, insolvency or similar proceedings with respect to any Guarantor, actions or proceedings related to this Guaranty and the other Note Documents may be brought in such court holding such bankruptcy, insolvency or similar proceedings) may be brought in the courts of the State of New York or of the United States of America for the Southern District of New York in each case which are located in the County of New York, and, by execution and delivery of this Guaranty, each Guarantor and each Holder (by its acceptance of the benefits of this Guaranty) hereby irrevocably accepts for itself and in respect of its property, generally and unconditionally, the exclusive jurisdiction of the aforesaid courts. Each Guarantor, each Holder and the Trustee (by its acceptance of the benefits of this Guaranty) hereby further irrevocably waives any claim that any such court lacks personal jurisdiction over it, and agrees not to plead or claim in any legal action or proceeding with respect to this Guaranty or any other Note Document to which it is a party brought in any of the aforesaid courts that any such court lacks personal jurisdiction over it. Each Guarantor, each Holder and the Trustee (by its acceptance of the benefits of this Guaranty) further irrevocably consents to the service of process out of any of the aforementioned courts in any such action or proceeding by the mailing of copies thereof by registered or certified mail, postage prepaid, to such party at its address set forth in Section 16. Each Guarantor, each Holder and the Trustee (by its acceptance of the benefits of this Guaranty) hereby irrevocably waives any objection to such service of process and further irrevocably waives and agrees not to plead or claim in any action or proceeding commenced hereunder or under any other Note Document to which it is a party that such service of process was in any way invalid or ineffective. Nothing herein shall affect the right of any such party to serve process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any other party in any other jurisdiction.

(b) EACH GUARANTOR, EACH HOLDER AND THE TRUSTEE (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS GUARANTY OR ANY OTHER NOTE DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (a) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(c) EACH GUARANTOR, EACH HOLDER AND THE TRUSTEE (BY ITS ACCEPTANCE OF THE BENEFITS OF THIS GUARANTY) HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS GUARANTY, THE OTHER NOTE DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

1 8 . Release. In the event that a Guarantor ceases to be a Subsidiary of the Issuer as a result of a transaction permitted under the Indenture, such Guarantor shall upon ceasing to be a Subsidiary be released from this Guaranty automatically and without further action and this Guaranty shall, as to each such Guarantor, terminate, and have no further force or effect. Upon the occurrence of the Termination Date, this Guaranty shall automatically and without further action, as to all Guarantors, terminate and have no further force and effect. The Trustee (and each Holder or the Trustee (by its acceptance of the benefits of this Guaranty) irrevocably authorizes the Trustee to), at the Guarantors' expense, execute and deliver to the Guarantors such documents as the Guarantors may reasonably request to evidence, as applicable, the release of such Guarantor from, or the termination in full of, this Guaranty.

1 9 . Right of Contribution. At any time a payment in respect of the Relevant Guaranteed Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Relevant Guaranteed Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage of the aggregate payments made by all Guarantors in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment (such excess, the "Aggregate Excess Amount"), each such Guarantor shall have a right of contribution against each other Guarantor who has made payments in respect of the Relevant Guaranteed Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor's Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Relevant Guaranteed Obligations (the aggregate amount of such deficit, the "Aggregate Deficit Amount") in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor's right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment to the time of each computation; provided that no Guarantor may take any action to enforce such right until the Relevant Guaranteed Obligations have been paid in full, it being expressly recognized and agreed by all parties hereto that any Guarantor's right of contribution arising pursuant to this Section 19 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor's obligations and liabilities in respect of the Relevant Guaranteed Obligations and any other obligations owing under this Guaranty. As used in this Section 19, (i) each Guarantor's "Contribution Percentage" shall mean the percentage obtained by dividing (x) the Adjusted Net Worth of such Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the "Adjusted Net Worth" of each Guarantor shall mean the greater of (x) the Net Worth of such Guarantor and (y) zero; and (iii) the "Net Worth" of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor's assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Relevant Guaranteed Obligations arising under this Guaranty) on such date. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Guaranty shall thereafter have no contribution obligations, or rights, pursuant to this Section 19, and at the time of any such release, if the released Guarantor had an Aggregate Excess Amount or an Aggregate Deficit Amount, same shall be deemed reduced to \$0, and the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided above) based on the payments made hereunder by the remaining Guarantors. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 19, each Guarantor who makes any payment in respect of the Relevant Guaranteed Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Relevant Guaranteed Obligations have been paid in full. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution.

-9-

20. Counterparts; Etc. This Guaranty may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Guarantors and the Trustee. The provisions of Section 11.14 of the Indenture are incorporated herein, *mutatis mutandis*.

21. Payments. All payments made by any Guarantor hereunder will be made without setoff, counterclaim or other defense (other than payment of the Relevant Guaranteed Obligations to the extent of such payment), and shall be subject to the provisions of Sections 2.04 and 2.05 of the Indenture.

22. Additional Guarantors. [FORM OF]

JOINDER AGREEMENT

[], 20[]

Reference is made to (a) the Guaranty Agreement, dated as of [], 2022 (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the “Guaranty”), among [MARTI TECHNOLOGIES INC.], a Cayman Islands exempted company (the “Issuer”), the subsidiaries of the Issuer party thereto from time to time and [NAME OF TRUSTEE], as trustee (together with any successor trustee, the “Trustee”) and (b) the Indenture, dated as of [], 2022, between the Issuer and the Trustee (as amended, amended and restated, modified, supplemented, extended or renewed from time to time, the “Indenture”). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Guaranty or, if not defined therein, the Indenture.

WITNESSETH:

WHEREAS, in recognition of the direct or indirect benefits to be received by each Guarantor from the issuance of the Notes by the Issuer under the Indenture; and

WHEREAS, the undersigned Subsidiary (the “New Guarantor”) is required pursuant to the terms of the Indenture and the Guaranty, or the Issuer has otherwise elected in accordance with the terms of the Indenture and the Guaranty to cause such New Guarantor, to become a Guarantor by executing this joinder agreement (this “Joinder Agreement”) to the Guaranty.

NOW, THEREFORE, the Trustee and the New Guarantor hereby agree as follows:

1. Guaranty. In accordance with Section 22 of the Guaranty, the New Guarantor by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and hereby, unconditionally and irrevocably, until the Termination Date (or such earlier date such Guarantor is released from this Guaranty in accordance with Section 18), guarantees, jointly and severally with the other Guarantors, as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration or otherwise, of any and all of its Relevant Guaranteed Obligations to the Holders and the Trustee.

2. Covenants, Representations and Warranties. The New Guarantor hereby (a) agrees to all the terms and provisions of the Guaranty applicable to it as a Guarantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Guarantor thereunder are true and correct, in all material respects, on and as of the date hereof, except for representations and warranties that are qualified as to “materiality”, “material adverse effect” or similar language, in which case such representations and warranties are true and correct (after giving effect to any such qualification therein) in all respects as of such date, in each case unless expressly stated to relate to a specific earlier date, in which case such representations and warranties are true and correct in all material respects as of such earlier date. Each reference to a Guarantor in the Indenture and to a Guarantor in the Guaranty shall, from and after the date hereof, be deemed to include the New Guarantor.

3. Severability. Any provision of this Joinder Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

4. Counterparts; Etc. This Joinder Agreement may be executed in counterparts, each of which shall constitute an original. Delivery of an executed signature page to this Joinder Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Joinder Agreement. The provisions of Section 11.14 of the Indenture are incorporated herein, *mutatis mutandis*.

5. No Waiver. Except as expressly supplemented hereby, the Guaranty shall remain in full force and effect.

6. Notices. All notices, requests and demands to or upon the New Guarantor, the Trustee or any Holder shall be governed by the terms of Section 16 of the Guaranty.

7. Governing Law. THIS JOINDER AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.
